George W. Vanderbilt's palace and grounds at Asheville, N. C., have cost him about \$5,000,000 already, and will cost some \$5,000,000 more pefore they are ready for occupancy. The estate includes 100,000 acres, and right in the midst of it, not more than half a mile from the magnificant manager is a miserable little frame. cent mansion, is a miserable little frame shanty which George Vanderbilt cannot buy, although he is worth untold millions. The place is owed by a negro named Joshua Moore, who has been offered \$10,000 for his nine acres which are really worth about \$5 an acre. He says he has no objection to Mr. Vanderbilt for a neigh-

-A special from Mapami, Mexico, says:
The party of American archæologists who
left here a week ago on an exploring expedition to the recently discovered silent
and deserted city in the Sierra Madre mountains have just returned. They discovered another hidden city in the same locality. The leader states that the second of these cities is very similar to the first in appearance, and that they were evidently at one time twin capitals of a great and wealthy empire that existed long before the time of the Aztecs. The two cities are connected by a series of underground passager, hewn out of the solid rock in the precipitous mountains.

-When the Chicago, Burlington and Quincy fast mail train was four miles east of Kewanee, Ill., Thursday of last week, the glass in the lubricator broke, and three quarts of kerosene, striking the hot bollerhead, were ignited, and the next moment the whole interior of the cab was in flames. The clothes of the fireman, G. Martin, saturated with oil, were quickly ablaze. Engineer V. B. Giddings brought the train to a standstill. Martin, before the train stopped, jumped from the door, and, with flames screaming from his clothes, rushed to the water tank and jumped in, extinguishing the flames. Giddings rolled friends have received from your valuable around in the wet grass. Martin was discovery, Paine's Celery Compound. horribly burned, and Giddings' clothes were burned off nim.

MIDLAND DISTRICT NOTES.

-George Holland, a farmer, living about four miles south of Madoc, while ploughing Thursday evening of last week was killed by lightning, as were also his team of horses and a colt.

-Thomas P. Kenyon, a well-known character in Gravenhurst for many years, while going up Gull lake on Tuesday of last week with Hugh Wylie, was drowned. The men attempted to sail, and the weather being squally, the boat was cape zed. Both clung to the boat for a long time. Kanyon finally had to let go, and went down. After about two hours to the boat drifted to shore, with Wylie much exhausted. -John Davies, a former resident of

Gravenhurst, lately cook in John Brophy's camp near Massey Station, Algoma, was supposed to have been drowned, but he has been discovered in a deserted camp about ten miles from where had wandered after being thirteen days without food. When he left Brophy's camp he had only his pants and shirt on. When found in his exhausted condition he had torn off the legs of his pants to wrap around his feet. He is now being cared for, but it is uncertain that he will recover.

-James Fox, a boy, was bolting laths

Hood's Sarsaparilla.

Caused

A Perfect Cure by Hood's Sarsa-

"It affords me much pleasure to recommend Hood's Sarsaparilla. My son was afflicted with great pain in the joints, accompanied with swelling so bad that he could not get up stairs to bed without crawling on hands and knees. I was very anxious about him, and having read

so much about Hood's Sarsaparilla, I determined to try it, and got a half-dozen bottles,

four of which entirely cured him." Mrs. G. A. LAKE, Oshawa, Ontario. N. B. Be sure to get Hood's Sarsaparilla.

Hood's Pills act easily, yet promptly and efficiently, on the liver and bowels. 25c.
