Cricket at Haliburton.

The Lindsay cricket club opened the cricket s agen by going to Haliburton on 21th May and playing a match with the cricket club of that village. The weather being fine play was commenced at 4 15, with Lindsay to the bat. Brodie and Porter first took the willow. After a few minutes' play Porter, with 1 run to his oredit, was stumped out. Sisson came next to bat. Then, after careful playing Brodie was Perier's government having been defeated bowled by Leith, with 4 runs opposite his name, Paton followed without a run, being bowled by on Tuesday of last week on a want of Leith. Then came Short, who helped Sisson confidence vote. He enjoyed the sweets of make 13 runs in fine style, but one of Tayman's "creepers" caught Sisson's wicket and he had to retire, to be replaced by Billingsby, who, after making 1 run, put a fly into Curry's hands and retired. Leith, McLennan and Hulme all tousing reception at London on Monday rollred with 0 after their names. Short was the next victim, and after making 10 runs was Mr. Thomas Hobbs, the liberal candidate run out by Calhoun. Adams came next with a run to his credit, when Calhoun's wickets fell before Leith's bowling, thus retiring Lindsay for 35 runs. Lindsay then took the field, with Leith and Southby, of Haliburton, at the bat. Southby was first to retire without a run, being run out by Leith. He was followed by The Canada Farmers' Sun, the official Briggs, when Leith's wickets fell, being bowled journal of the Patrons of Industry, says: by Porter. Reid [came next and was also run - The section of the prohibition party out without a run. Pollard found Paton's bowling rather hard to find and he also retired without a run. F. Austin came in and Briggs was bowled by Porter for 2 rung. W. Austin them should read the Globe a while. It former nicely caught by Calhoun, the latter by is the most wishy-washy advocate of Porter. Wilkinson came next with one run, when F. Austin was run out with Il runs to his

Lindsay Board of Health. A regular monthly meeting of the board of health was held Monday evening in the council chamber. In the absence of Chairman T. Walters, Mr. S. Irwin presided. The other members present were Messrs. Maunder, Stewart, Mills, H. Walters, Dr. Burrows and Cooke. A report from the milk inspector stated by three dealers, and found only one-Mrs. Dormer's by Mr. Thos. McFarland, chief analyst, Ottawa, which infant was practically starved to death by the inferior Sanitary Inspector Douglas presented a report stating been informed that Peter Tully had a cow in stables carrying a suspicious lump, he had instructed Veterinary Broad to make an examination and report, Mr. Broad's letter stated that the cow was unfit to slaughtered, but the lump on the chest might have been caused by rubbing against the manger; he could not say it was actinomycosis unless it was cut off The members considered the report an unsatisfactory one, but it was decided to make no further exam. eaving the onus of proof upon Mr. Tully ... The spector's report also referred to the unsanitary lition of the cellar of Clunan's hotel-he had taken to remedy matters.... The board, after some discussion, instructed him to prosecute if the work Was not proceeded with at once A petition from danger likely to easue owing to Mr. R. Blain having ourchased lumber from a diphtheria-infected house recently occupied by the McGillivray family, his wish to run any risks, he would take every precaution...Dr. Burrows thought the lumber should be received for it. The previous instructions issued by the board were that the building should be burned

\$19.50 each; 6 cows, 1,290 lbs average, \$39 each; and this should be done It was pointed out that the instructions were that the building should be lbs average, 3to per 1b; 21 cattle 940 lbs average. ourned or "thoroughly cleansed" ... Mr. Mills could 213 per lb; 6 cattle, 1,050 lbs average, 310 per lb; not see why the house in question should be burned 22 cattle, 1,025 lbs average, 31c per lb. when other houses where the disease had appeared Milch Cows and Springers-Only about two had not been. No doubt Mr. Blain would be quite dozen sold, and the feeling for everything but willing to burn the lumber if paid its value, but the the very best is weak. Top figuees touched were in the vicinity of \$45 to \$50 per head. ncurring the expense Finally it was moved by Mr. Stewart, seconded by Mr. Maunder, that Mr. Blain retain the lumber on condition that he Lambs, Sheep and Yearlings-Yearlings are comfort for the balance of his days. He start- | against a possible outbreak of small-pox this summer | but some good shipping sheep are wanted, for el in on the first race by laying the full market | by arranging for a thorough scheme of vaccination | which from \$5 to \$5.50 per head would be paid. ... Dr. Burrows suggested that the town physician | the latter price with the wool on. Butchers' was a stable commission, but Grannin accepted | was willing to do so, and no doubt Dr. Kempt would each. Sales: 27 spring lambs, 45 lbs average. it as gladly as he did the modest \$5 of the likewise, but some citizens might prefer their family \$3 50 each (these of special quality); 14 spring holiday visitor. He did not think the colt physician. The other medical men should be provided lambs, 40 lbs average, \$3 25 per head; 16 spring would win and the result justified his opinion | with vaccine, and make a reasonable charge.
