"I FEEL 20 YEARS YOUNGER."

A Wonderful Cure in Hamilton. Paine's Celery Compound Makes People Well and Strong.

MRS. JULIANNA SANDBERG.

All classes of Canada's population—all sexes—all ages—daily sound the praises of Paine's Celery Compound, earth's grandest and most wonderful medicinal discovery.

Medical professors and physicians generally are amazed when they hear of and see the almost miraculous cures wrought through the agency of Paine's Celery Compound.

"You cannot do better than use Paine's Celery Compound," is the honest advice of many of our best and ablest doctors, when men and women consult them regarding rheumatism, neuralgia, nervousness, kidney and liver troubles, dyspepsia and run-down systems.

When Paine's Celery Compound is faithfully used, it purges and purifies the system, restores the vitality, and gives to those who use it perfect health and the full enjoyment of earth's blessings.

Mrs. Julianna Sandberg, 40 West-ara, north, Hamilton, Ont., writes as follows for the benefit of all suffering Canadians: "I have to thank you for being instrumental in saving me from years of suffering and ill health."

On Monday week Howard, son of Mr. John Perry, of Bowmanville, had a narrow escape from a very serious accident. He was riding on a bicycle with some other boys, and was playing along the creek south of the bridge.

Retributive Justice. The trees have taken off their clothes and gone to sleep. In the midst of a deep wood, that might appear sombre but for the filtered rays of the setting sun, a hunter sits upon the lichen-covered trunk of a fallen oak.

Cured of a Serious Disease. "I was suffering from what is known as Bright's disease for five years, and for days at a time I have been unable to straighten myself up."

Midland District Notes. Annie Gerow, of Whitby, aged 23, took on the schooner Sweetheart, was lost overboard when the vessel was near Sand Beach, Mich.

John Williams, of Victoria Square, Markham township, left ten years ago to be a sailor on the lakes, having followed a seafaring life previously.

Mr. Eddy, who resides near Newcastle, has quite a curiosity on his place. While looking through a piece of woods he discovered one of his turkey hens sitting on a partridge's nest of eggs.

During the semi-annual sear of the Sea and Fox Indians, near the Sea and Fox Agency, Guthrie, O. T., Thursday of last week, two young bucks, Winchester, yielded a record over Winchester.

The Franz river rose ten inches at New Westminster, B. C., on Thursday night of last week, and the water was three inches above the highest recorded mark.

At the present time, the water is ten feet above its normal level. Many families are huddled together on the high lands, and are living on one meal a day.
