GOVERNMENT WANTONLY INACTIVE

Liberals Warn Them That They Are Rulning the Trade-Iniquitous Way the Homestend Law Is Administered-How Postoffice Sites Are Selected.

Ottawa, June 11.-An important subject was brought to the Government's attention yesterday in the House by the member for Peel (Mr. Featherston). The Government by the laxity of the Department of Agriculture, having been instrumental in scheduling Canadian cattle in Great Britain, seems likely now to allow the sheep trade to be injured in the same way. Against such a calamity the Opposition held out a warning. But before that question arose Mr. Martin brought forward a motion which ex- arrived. poses the method of conducting business in the Interior Department. It was in relation to a motion which he made for papers in regard to the homsetead entry of William Fleming of Carberry for the northeast quarter of section 16, in township 9, range 14 west of the first principal meridian, for correspondence with Nathaniel Boyd, M.P., as to the section,

regulations as to leasing land, and as to homesteading leased lands. Mr. Martin said that Mr. Fleming, who don and obtained a list of quarter sections open to settlement. He was told ments by the year or for a shorter time. Rates made | that some of them were under lease, but that that would be no bar to his selection of one of them. Mr. Fleming selected the quarter section named and afterwards made through inadvertence an affidavit that there were no improvements on the

It turned out afterwards that there were improvements on the land, whereupon the Interior Department wrote to Mr. Fleming, charging him with having been guilty of perjury, and informing him that unless he withdrew his homestead entry to this quarter section he would be prosecuted. Instead of prosecuting Mr. Fleming the Department sent this blackmailing letter with the object of frightening him into submisson, but ment Detective Greer on a charge of de- he had defied the Department. Mr. frauding a number of farmers in that Boyd, the member for Marquette, had obtained a grazing lease of the land from the Department, and, while the dridge and called a meeting of the farm- lease gave no right to cultivate the to obtain the land that the Department
