The Canadian Lost. LINDSAY, FRIDAY, JUNE 18, 1897.

HER MAJESTY'S JUBILEE.

There is no sentiment in this world so powerful in the heart of man as the senti- sample of illustrated newspaper work has ment of patriotism, and when his patriotism is towards a country, that is no mean country. When he feels himself a citizen of an empire, world-wide in its dominion, he looks up before all the world and calls himself a man.

Such are we Canadians in this present a great paper, and a credit to Canadian year. We know that we are not the least important part of the greatest ration on earth to-day-the greatest nation the world has ever seen, the strongest and | well to his congregation next Sabbath, most powerful race of people who ever made history. Later events have knit | will be followed by Rev. J. McFarlane, ated. the empire in all its wide expanse more closely; together the late Yankee bluff at war-the German's insulting telegramwere met, the one with calm confidence, the other with the stern defiance of the anxious to witness the class of 43 boys and stood in her splendid isolation, Canada, the Indies, Australia, and the colonies tive to their duties was very impressive. generally, hastened to lay at the foot of the throne their proofs of devotion to tery to witness the ceremony of consecraassure her that the arms, the lives, of the | tion. empire, only waited for the signal to help

in all things. But none of these things--neither threats of war nor India's famine-have so moved us, nor brought us into such close touch with the rest of the empire, as have the preparations made to celebrate this year, the longest reign in the history of the Presbyterian church next Sabbath An Omemee and vicinity. world. Truly the old Sun, in its daily march round the world, will watch with interest the celebrations of Britain's citizens, the heart-offerings of Britain's subjects to Britain's queen ; every minute Beaverton. A good time is expected by all, of the day will salute him on some part as Beaverton is a favorite resort. Quigg. of our wide empire as risen with shotted cannon; every minute of the day will salute him on some part of the possessions of her majesty as set with fireworks and the strains of the national anthem; all day long, wherever he goes, the proud happy one. Union Jack will be unfurled and wave majestically in the breeze. Millions on home in the future. Some one will miss -Mr. MacGachen left town Thursday millions of our Anglo-Saxon race have her Mr. and Mrs. Dundas spent Sun- week for Winnipeg, and was given a hearty known no other sovereign than Victoria, Empress and Queen, and few of us who were visiting here for a couple of weeks. for the purpose. Mrs. MacGachen and owe allegiance to her throne have known Shiloh. any other national anthem than "God

save the Queen." history's teaching of the times when steam was but a toy, when electricity was unthought of, when telephones were not, when photography was wrapped in the 7th inst, to attend the general assembly of swaddling clothes of infancy, and yet the Presbyterian church held at Winnipeg. when our queen's young lips lisped "God , she has lived and guided and governed contractors of that place. As Archie was a days ago, he has secured advantageous general favorite with both boys and girls he general favorite with both boys and girls he farthest ends of the earth can be got will be much missed. We all join in wishin a couple of hours, when we can hear ing him success. things combine to enhance the comfort, prospects good,

the ease, the business and the prosperity,

And what has been her share in all this

advice, by the firmness of her character, of the se beautiful pictures, in several we have had peace in our time and our people have had rest-the rest necessary for our development as a people.

Sixty long years, each one full to the brim of progress, has she reigned over us, keeping touch with that progress. For sixty long years she has been giving the made our Canada the confederation that it is, the empire the nation that we are. For sixty long years each year has seen her great influence thrown on the side of freedom of thought and action, until today as we celebrate the sixtieth anniverof her accession to the throne, we stand the freest, most enlightened, the most God-fearing nation, the sun shines

Take up the glass, you subjects of the grandest woman on earth, you citizens of world-wide empire-the toast is "Our Queen-God bless her."

EDITORIAL NOTES.

We congratulate the members of ou county council upon having decided to purchase road-making machinery, to be loaned to the township municipalities. A stone crusher now, and perhaps a steam roller next year, will have a powerful influence in bringing about better methods in road building.

Examination Papers. [To the Editor of THE POST] SIR,-Teachers and others wishing to obtain examination papers from me will oblige me very much if they will let me know exactly what they want at least a very large audience will greet Prof. Dale before the commencement of the examina-J. H. KNIGHT, P. S. inspector.

Lindsay, June 15th, 1897. TOWN JOTTINGS.

A Large Order. Messrs. Horn Bros., proprietors of the Lindsay Woollen Mills, have received an order from the Indian department for 1,000 pairs of blankets for the Indians of the North-west. This is a large order, and means that Messrs. Horn Bros. will require a large quantity of wool to fill it, the moment of going to press, states that which they propose to purchase from the Mr. Casey's bill, providing for the free farmers in this locality.

There are Others.

"Leafy June" is maintaining its record have joined fortunes for life in this vicinity, and THE Post extends hearty following: Annie King and Thos. Courtice, married at Oakwood; Luella Maud Stratton and Robt. J. Breckenridge, married at Oakwood; Blanche Walters and Wes. Lyons, married in this town; Mida Foster and T. A Newman, married at family residence, Mariposa; Nellie Leddy and Michael Caughlin, married at St. Mary's church. Cards have been issued

The Jubilee Globe. Time and again has the Toronto Globe demonstrated by some great effort that it is the foremost journal in Canada, and when it announced that it was preparing a special jubilee number it was naturally anticipated that the issue would be worthy of the occasior. And it was-no better ever been turned out by any of the great American papers. It is pleasing to know that the demand for this jubilce souvenir has been enormous, and has rendered necessary the preparation of a fourth edition. Over 15,000 of the Globe's handsome colored lithograph of her majesty have been disposed of, and the demand continues unabated. Truly The Globe is
