Serieus Accident. Deep regret was expressed Saturday

evening when it was learned that Mr. Wm. Skitch, our well-known William-st. carrisge-maker, had met with a very serious accident. It seems he drove out to Mr. R. Bryans' farm, near the Catholic cemetery, with a boy named Abercrombie, for a stock buyer who went north on Friday to load of straw, and on the way back Aber-buy cattle for shipment to Calgary, his firm. Jack is very popular among cromble turned cut to avoid a heap of brought down seven carloads on Tues-brought down seven carloads on Tuesgravel cumped on the roadway, with the day. The Toronto mixed freight, which is result that the wheels of the vehicle drop-ped into the ditch and the load upset. Mr. Skitch was thrown off backward and fell on his head and shoulders. He was picked up unconscious and conveyed to his home, when medical assistance was summoned, but he did not recover con-sciousness for some hours, and is not yet out of danger.

Musicale at St. Joseph's Convent. On Friday evening an entertainment was given in St. Joseph's Convent by the pupils of the music class, in the presence of the parents of the pupils and a few guests. The program was a review of the work of the last term, and comprised the following selections:

Opening hymn. "Nearer, My God, to Thee"...... Pianos, Misses Daly and Cairns; organ, Miss Mc-Hugh; victins. Misses Dorgan, McGee, Haileran, Gilbert and Cairns; guitars, Misses D'Arcy and

Instrumental solo...Bluebells Boyton Smith
Miss Mary Brady

Wocal solo. The Snow Flake Cowen
Miss Ditta Daly, accompanied by Miss R. Gilbert,
Instrumental solo... Sonatine Kuhlan
Miss Mary Herroer.

Pianos organs, violine and guitars as in opening

ter charter to societies, ledges and churches, for plenies and excursions to any point and the inland waters adjacent to Lindsay.

Lindsay has been favored of late with many musical treats given by local talent, many musical treats given by local talent, and the verdict of the musical public has been to the effect that Lindsay is rapidly make of creat profitors braight and provided profitors braight and provided profitors of high color. It most of the provided profitors of high color. It most of the provided profitors of high color. It may also be set from Caph France Canada and the provided provided profitors. -Mrs. Cilmie, widow of the late W. R. Climie, for many years editor and propri-etor of the Bowmanville Sun, died sudden-ly at her home in that town on June 25th. -Judge Dean and Judge Benson, the commissioners appointed to divide the county of Peterboro into county council divisions, will begin their labors on July 6th, at 2 o'clock.

The Presbyterian church at Mount Pleasant was struck by lightning and set on fire last Sunday week. Luckily the flames were extinguished before serious damage was done. -Messrs. Lytle, Little and Walker, of the Peterboro bicycle club, have been

selected to represent the riders of that town at the Quebec meet, and will try for the three mile road race trophy. —A 30-ton electric locomotive has just built been at the Canadian General Electric Works, Peterboro, for the Hull Electric

Company, who operate a branch of the C.P.R. between Aylmer, Hull and Ottawa. The boy Prentiss, who shot old man Lingard in the tewnship of Hope, will likely stand his trial for manslaughter instead of murder, as the evidence at the coroner's inquest went to indicate that the shooting may have been in self-defence or

-Fishing has been phenomenally good in Lake Scugog since the season opened An American party in two days caught 40 maskalonge and a large number of bass, and another party secured 62 maskalonge and many bass. The largest fish of the lot weighted 16 lbs.

-Mr. Mark Mooney, lumber culler, of Wahnapitae, passed through on Tuesday on his way north to visit his father, Mr. Fred. Mooney. Mark says that there are \$4,000,000 feet of timber floating down the French river this season, and that every log will be got out.

-Our readers are advised to study carefully the rules for restoring apparently drowned persons, given in another column.
We have already recorded two narrow escapes of young lads, and close adherence to the rules given may result in saving a life before the season ends.

—An excursion party arrived in town on Thursday of last week about 1230 o'clock from Mud Lake points, on the Crandella. The Sunday school of Bridgenorth, Zion and the Third Line joined together to the number of about 480, and spent a most enjoyable day. -Last week at a church picnic near Ux-bridge a number of children became ill, and

dectors found they had been poisoned by eating canned salmon. All of the children affected ultimately recovered. Local church societies should take warning and buy only the best brands of salmon. —A Yankee has invented a fishing red which reduces the labor of the angler to a minimum. It has a trigger device so con-

structed that when the fish bites it releases. a pawl and a strong spring yanks him out on dry land. The one thing lacking is a readily accessible quart cavity in the big--Oa Thursday week Fred Martin, em

ployed as shinge packer at Carew's mill, met with a painful accident. Having nothing to do for a few minutes he undertook to assist at a shingle machine, with the result that his hand came in contact with the saw, and he is now nursing a -Mr. W. H. Macdonald, the Toronto

due to leave here at 6 s.m., was held until the arrival of the Haliburton train in to-day. order to take the stock west.

-Many of our citizens who attended the Bobcaygeon fair last fall will remember Mr. Boyd's big buffalo bull, Napoleon. The animal died on Wednesday week from some cause yet unknown, but leaves a numerous progeny of kalf-bred descend-ants. The head is being stuffed and mounted by a Peterboro taxidermist.

-Union No. 73 of Indianapolis has passed a resolution and sent it to the other plumbers' unions throughout the country "not to allow members to ride bicycles during working hours, for the reason that a man doing job work and riding a wheal can do as much as three ordinary plumbers on foot" It is complimentary to our local plumbers to say that at least one of them

rides a wheel. -The Citizens' band is regaining its old standard of excellence as a consequence of the secession of last winter, and the filling of the vacancies with beginners. The earler performances of this season were comparatively crude, but the new players are steadily acquiring the knowledge and assurance necessary for good tone, rapid execution, and other qualities required to make a thoroughly efficient band.

-Mr. Alex. Niven, P. L. S., left
Toronto on Monday with a party to survey
a line northward on the boundary between
Nipissing and East Algoma. He will be
gin at a point 30 miles north of the C.P.R.
and continue the line towards James Bay,
and continue the line towards James Bay, and hopes to complete 100 or 125 miles this year. The tract of country is almost entirely unknown, and an experience entirely unknown, and an experience geologist will accompany the party to make a careful investigation of the rock for several miles on either side of the line and note all deposits of various minerals. Mr. Niven will be engaged in the work for six or seven months.

The annual piente of Kenny's school,
Ops, held in Mr. Roach's greve, about four
miles south-west of the town, last Thursday, was a great success. Over 500 peeple
were present. Mesers. W. Lee, H. White,
J. H. Oliver, A. Fisher, W. Chestnut, A.
Storer, F. Houghton, N. S. Houghton and
W. E. Houghton wheeled out from town.
The boys were treated royally, and stored
away some choice cakes, etc. Many young
peeple enjoyed themselves particularly
well in tripping the light fantastic. The
following are the winners in the sports:
100 yard foot race—lst, W. E. Houghton:
2nd, W. McLean; 3rd, H. Farker, 100
yard boys' race—lst, Master T. Sprate.

Saturday with an excursion party of about 350 people from Blackstock and Caesarea, bound for Rosedale. The excursion was under the auspices of the Sons of Temper--Rev. W. C. Bradshaw, formerly rector of St. Luke's church, Peterboro, died on Thursday in Denver, Colorado. Mr. Brad-

shaw assumed the rectorship of St. Luke's in 1876 and resigned in 1890 owing to ill —It is said that John Wanamaker has contracted for 100,000 first-class bicycles, to be sold at \$26.49. That is about the real value of a good wheel. When the motocycle comes in bicycle stock won't fly

-Messrs. P. McArthur & Co., dry goods merchants, are in difficulties owing to certain steps taken by the firms leading creditors, Messrs. Gordon & McKay, of It is hoped they will be able to

On Saturday or Sunday night some parties effected forcible entry into Mr. J. Dobson's liquor store and got away with a quantity of bettled ale and case goods. The police have several parties under sur-

-Pleasant Point Sunday school held the annual picnic Saturday afternoon at Pleasant Point. The steam launch Jule. Laplante conveyed a party of young people from town, and they report a most delightful time. —The third illustration of the applica-tion of insecticides and fungicides by Mr.

Racdall, of the provincial experimental spraying station, will take place to-day (Friday) at 10 a.m., in Mr. John McDonald's orchard, head of Bend-st. -R. R. Hamilton, of Peterboro, who was arrested recently on the serious charge

of having stolen mail bags from the C.P.R. station, was discharged yesterday, the evidence offered not being sufficient to warrant his committal for trial. The Belleville papers are guying Lindsay over the crushing defeat administered by their ball team to the Lindsay seniors last Friday at Massassauga Park. The score was a trifle in their favor—23 to 0. Our boys don't appear to be in it this

The new one-cent letter card, just issued by the post office department, are being distributed to the various offices. The card is similar to the three cent cards, having a gummed and perforated edge, by which the written message can be entirely

concealed from view. -"Yes, sir," said the merchant, pompously, "I can draw my cheque for a cool million, and I made every penny of it by my own unaided efforts." marked the quiet man. "I always thought that clever fellow who does your advertising helped you considerably."

-A card was received last Friday from Messry. Sam. Britton and Sep. Calvert, who had reached Montreal on their wheeling trip to the Quebec bicycle meet. After remaining there a few days they will leave on their homeward trip, and will take in all the summer resorts en route.

-Mr. John Coburn, of the Rathbun Co., left Monday for Deer Bay to superintend the loading of about 200 cords of wood for best judges of timber values in the country

-The garden party held on Monday evening under the auspices of St. Mary's Sodality, in the grounds opposite St. Joseph's Convent, was a very successful affair despite the coolness of the evening, and a nice sum was realized. The Citizens band was in attendance, and supplied choice music during the evening.

-Among the visiting brethren who attended divine service with the Masonic order on Sunday we noticed Messrs. Wm.
McRae, J. D. Thornton, Dr. Bradd, John
O'Neil, W. J. Lamb, Hugh Murray, J.
Bradley, H. Bradley, T. Miller and J. Patterson, of Omemee, and Messrs. Houghston and Talbot, of Cannington.

-The other day a Pembroke hotel-keeper received a letter from a man up the river asking him to forward an overcost, also adding: "You will easily know the overcoat, because in one of the side-pockets there are three sticks of dynamite.'
Upon looking up the coat the hotel-keeper
sure enough found the dynamite as described by the man.

-Mr. James Twohey, formerly of the west end livery, met with a severe accident on Sunday evening last. He left town on Saturday night for Victoria Road, and while there had the misfortune to step on a rusty nail. At first he thought the injury slight, but on coming to town went to a doctor and found he had fractured a bone in the foot. He will be compelled to stay in doors for a couple of days.

A grand liberal demonstration took place in Port Heps last Friday evening, and thousands of people flooked into town from the surrounding country. One of the features of the evening was a monster procession which took three quarters of an hour to pass a given point. There were two bands, 100 men on herseback and 300 torch bearers scattered along the column. Later on speeches were delivered in the opera house, and the utmost enthusiasm prevailed.

prevailed.

—A petition is being circulated and really signed, asking Mayor Smyth to ap point Thursday, Aug 6th, the civic holiday, It is proposed to have a firemen's demonstration, and the Ortilia fire laddies have already signified their willingness to attend. Secretary Veitch, of the Lindsay fire brigade, is now in correspondence with the firemen of Barrie, Cobourg, Howmanville, Peterboro, Port Hope, Port will spend in probable that if the date pleases everybody we shall have a grand day's sport.

Saltically of Mirally rail.
