AN OPERATION AVOIDED.

A SMITH'S FALLS CASE OF GREAT IMPORTANCE.

Erysipelas in the Face Develops into a That Only an Operation Would Bring Relief—A Medicine Found Which Made the Painful Operation Unnecessary.

From the Smith's Falls Record.

A famous German medical scientist once remarked that the world is full of men and women who are sick because of their scepticism.

The wisdom of this remark was never more self-evident than it is to-day.

There are countless sore throats of sufferers who would rather suffer than use any medicine not prescribed by their favorite doctor.

To those people, perhaps, the story of Mr. Thos. E. Phillips, of Smith's Falls, may convey a moral.

The following is the story as given by Mr. Phillips to a Record reporter:

"Several years ago I began to fail in weight, lost my appetite, and erysipelas started in my face, and then a running sore broke out on my cheek. I consulted three physicians and they all said it would be necessary to remove a portion of the bone.

All this time I was unable to do any work and was suffering intense mental and physical agony when I chanced to read in the Record about Dr. Williams' Pink Pills and resolved to try them, thinking they would do me no harm anyway.

I had not used one box when I felt they were helping me. I continued and after taking eight boxes the running sore on my cheek completely healed and the operation the doctors said was necessary was avoided.

I regained my weight and am once more possessing a good appetite. In fact I was made a new man so remarkably by the change. We now consider Pink Pills a household necessity."

Mr. Phillips was a respectable and well-to-do farmer of Wolford township until last spring, when he sold his farm and is now living a retired life in Smith's Falls.

He is about fifty years of age, though looking about thirty, and a living witness of the wonderful curative properties contained in Dr. Williams' Pink Pills.

This great medical discovery has reached the high position which it holds through the power of its own merits.

By its timely use the weak are made strong; pale wan cheeks are given a rosy hue; lost vigor is renewed, and the suffering ones are released from pain.

If your dealer does not keep Dr. Williams' Pink Pills, they will be sent by mail on receipt of fifty cents a box or six boxes for \$2.50, by addressing the company at Brockville, Ont., or Schenectady, N. Y.

Remember that Dr. Williams' Pink Pills cure when other medicines fail, and do not be persuaded to take either a substitute or an imitation.

Worse than Death.

The passengers gathered around the woman who the mercless engine had twisted almost out of semblance to human shape.

"Will she live?" they asked the surgeon who bent over her.

"Yes," he answered, "but she will be horribly maimed and distorted. However," he continued with the unfeeling callousness of one accustomed to such sights, "she can pose as a model for art posters."

The by-standers shuddered audibly.—N. Y. Press.

Railway Notes.

George Wattle, a Barrie lad of 14 years, got his foot caught between the drawheads of two flat cars in the G.T.R. yard at Allandale the other day, and it was badly crushed.

Further important changes in the offering of the G. T. R. are said to be imminent.

Mr. Fitzhugh, assistant to General Manager Hayes, is to be appointed master of transportation for the lines east of Toronto, and Mr. Cotter, of the Wabash R. R., for the lines west of Toronto.

It is also probable that Mr. J. M. Riddell, assistant superintendent at Montreal, and Messrs. Morris, Tiffin and Webster, district superintendents, will be asked to resign.

Ayer's Remedies.

A Sufferer Cured

Every season, from the time I was two years old, I suffered dreadfully from erysipelas, which kept growing worse until my hands were almost useless.

My hands were almost useless, and several of my fingers are now crooked from this cause. On my hand I carry large scars, which, but for AYER'S Sarsaparilla, would be sores, provided I was alive and able to carry anything.

Eight bottles of Ayer's Sarsaparilla cured me, so that I have had no return of the disease for more than twenty years.

The first bottle seemed to reach the spot and a persistent use of it has perfected the cure.—O. C. DAVIS, Watouma, Wis.

THE TERRIBLE TURK.

Mr. Gladstone Writes on the Situation.

THE MASSACRE OF ARMENIANS

Fifteen of Them Were Slain at Van Last Week—Russia Protests Against the Sale of Her Young Men to Foreign Armies—Other Cable News.

London, June 25.—The Chronicle will to-morrow publish a letter from Mr. Gladstone on the subject of the Armenians, in which he says: "No body uses language half strong enough against the Sultan and his agents. To describe their guilt is beyond all bounds, and the language ought to go beyond all bounds. My choice is between far-out-heroding everybody and absolute silence, for my language abstractly might plausibly be ascribed to temper, whereas it would be perfectly cold-blooded. I am silent only for fear of doing harm."
