Knives, Forks, and Spoons are required for the dining table; and when buying, it is well to look to the future. Economy in this does not consist in buying either the cheapest or the dearest in the market, but in finding a happy medium as to price, and due consideration of durability.

It is not necessary to enumerate the merits of solid silverware; every woman would like to have her table provided with it. We sell solid silver, good weight, large size tea spoons, at \$10.00 per dozen, and will sell one spoon at a time at the same rate if you wish. Best quality plated teaspoons cost \$3.00 per dozen.

a Small Blaze.

Monday morning's fire was a "corker." Secretary Howe, of the Fire Underwriters' Association, would have given a good deal At a few minutes to 3 a.m. Mr. Fred

Taylor, of the Big '20' restaurant, and son Charles, were sroused from their sound slumbers by the smell of smoke, and the young man dressed and began to investigate. Upon looking into Shannon's liquor store he noticed fire breaking through the ceiling from the flat above, and at once ran to sound the Academy of Music bell. It would not ring satisfactorily, although seven men nearly killed themselves trying to make it work. Then Constable Reeves ran to the market and rang the bell there. The firemen quickly responded, and a pressure of 100 ibs. to square inch assured them of abundant supply of water, sign of any fire could be seen, and although young Taylor was at hand to direct the firemen they discarded all advice, burst in the front door of the shop and turned on the water, flooding the shop in short order and incidentally drowning out the small blaze in the ceil ing. In the meantime smoke continued to pour out of the back window of the Prentice Boys' hall on the 3rd floor, and a ladder at hand would not reach to the third storey, where the fire seemed to be, the captain ordered the branchmen to play into the second storey window and the result was another deluge of water into the store below. Fit ally, after about threequarters' of an hour delay, some of the firemen procured lanterns and mounted the stairs to the society rooms, but no fire was discovered. Browne Fanning. The words of the marriage service fell with solemn accent from the lips of the Rev. Joseph Kilgour, of Millbrook, as in the presence of a small gathering of friends from Port Hope, Orangeville, Peterboro, Roseneath, Belleville, New-castle and Chicago, he performed the beautiful ceremony that made Walter N. Browne, of Orangeville, and Jennie Richards Fanning, husband and wife. The residence of Mr. Moore Fanning, 56 Lindsay-st., was tastefully decorated with as the bridal party entered the drawing room the wedding march was rendered by Miss Olive Johnson, of Belleville, cousin of the bride. The bride was gowned in white organdie with trimmings of satin and lace, and carried a shower boquet of white roses. Mr. and Mrs. Browne left on the 6 o'clock train Tuesday evening for

their home in Orangeville. Church Notes.

-In St. Andrew's church on Sunday last Rev. J. W. Macmillan, the pastor,

-Mr. C. N. Carew preached last Sunday light has always been associated with the presence and character of God. Eiucation or knowledge is often spoken of as enlightenment, but men have sank into the darkness of sin, and the only guide for their release and return to God is the beacon of Christ Jesus. It needs the warmth and brightness of His love to be admitted to our hearts ere the gloomy mist of sin can be dispelled and driven away. The latter part of his sermon re-ferred to Christ's intention that His fol-lowers should also be the light of the world.

Obituary. -The death of Isaac Skuce, youngest son of Mr. Wm. Skuce, of the 7th con. of Ops, which took place on Monday last, cast a deep gloom over the community in which the family resides. The deceased, who was but 23 years of age, enjoyed in a marked degree the confidence and esteem of all who knew him. The funeral took piace to Riverside cemetery on Tuesday, and the large procession evinced the depth of the sympathy felt for the aged parents.
