# Gough's Policy of Progress THE INAUGURAL OPENING GOUGH'S NEW HOME

We have taken a step upward and a move forward. After weeks of preparation, of remodelling, refurnishing and improving, we are now located in our new, attractive and commodious premises, right in the centre of Lindsay's busiest mart, splendidly situated ON THE CORNER OF KENT AND WILLIAM-STS., Dobson's Well-Known Old Stand.

There's nothing new in the story that this store had to move into larger quarters. The growing demands of our business required increased accommodation and the same far-sighted policy which has made this business constantly bigger and vastly better, compelled us to plan ahead to build up a bigger business STILL.

## GOUGH'S BUSINESS WASN'T JUMPED AHEAD BY CHANCE

We clothe the people for the smallest profit to ourselves. IN OUR NEW HOME, you will find the same policy pursued on a larger and more systematic scale. The biggest stock of Clothing in styles the latest, are to be found here where you can look at them at your own ease. The biggest, choicest and newest things in—

We've mastered all the strategic points by persistently selling reliable goods at persistently lower prices.

MEN'S and BOYS' CLOTHING, HATS, NECKWEAR, UNDERWEAR and FURNISHINGS,

Find ready expression here. Better light, better system, better accommodation, better everything, with the money-saving register in active operation all the time.

All goods marked in Plain Figures and Sales Strictly for Cash. If the goods are not as represented we will cheerfully refund the money.

A SILVER WATCH— For one month we will give away with every \$10.00 purchase made at once, a reliable Stem-winding Watch. Every promise faithfully carried out by

Corner of Kent and William-sts., Dobson's Old Stand.

### LOCAL NEWS-LETTERS

#### PLEASANT POINT—FENELOU.

RAIN.—The farmers of this vicinity, as well as in all others, are being somewhat discouraged by the superabundance of rain fall during the past few days. The hay and barley crop will no doubt suffer severely, as much of it is being exposed to the rain.

CAMPING.—Pleasant Point has been kept lively for the past few weeks by a large number of campers from Lindsay, Omemee and Peterboro. The Justice Y. M. C. A. boys, of Lindsay, held this camping ground for two weeks, the last of them leaving on Wednesday morning. At present the grounds are well strewn with tents, which happily are all rain proof. We wish them a speedy return to the beautiful warm sunlight weather of which we have been so copiously supplied with in the past.

X. F. S. J. E.—The Christian Endeavor meetings are being well attended and the society is still growing. Messrs. Ross and Keith, of Lindsay, heartily threw in their valuable assistance while camping at the Point.

VISITORS.—Mr. R. S. Rorer and his sister, from the city, have been five visiting their relatives and friends at Lindsay and Pleasant Point. Mrs. D. Hay and sons Ruthvin and Hazlie, all of Manitowish Island, are at present visiting their old friends and relatives of Dunsford and the Point.

SICKNESS.—Miss Angelina Hay, who has been seriously ill for the past few weeks, is gradually recovering under the care of Dr. Burrows, of the town.

DEATH.—Mr. John Malters, sr., of this vicinity, was very suddenly called away on Wednesday, the 21st inst. Mr. Malters has been an old settler in this locality, and of highly respected

by his many acquaintances. Although for the past few years he was little seen abroad, owing to falling health, yet he had always a kind, hearty welcome for all his met. Mr. Malters will be missed by his many friends, who extend their sympathy to the bereaved family, and it is our earnest prayer that he may have gained that happy entrance to the land of peace above.

PENEL—MARIPOSA. (Correspondence of The Post.) MESSIOS BAND.—The special meeting which was held here on Monday evening last for the purpose of organizing a "Fulton Mission Band" under the supervision of our pastor, Rev. Mr. Tucker, was every respect a success. The membership already stands very high, and there is no doubt but what it will increase in the future. Officers elected: Pres., G. McKague; sec., A. B. Carmichael; lit. vice-pres., Miss Nellie Bagshaw; treas., Miss Carrie Love.

LIGHTNING AT PLAY.—During the progress of Saturday's storm, the 17th inst., the barn belonging to Mrs. D. Carmichael was struck by lightning, but fortunately no serious damage was done.

KINMOUNT. (Correspondence of The Post.) FIRE PROTECTION.—Our village, or properly speaking, Messrs. Kingsboro & Graham, have just placed in position a small fire engine.

STEVE FACTORY.—Watson & Davis have added another stove jointer to their increasing business.

A GOOD HAND.—Messrs. Craig & Austin have engaged the services of J. John Brokenshire, of Fensel Falls, as filer. He comes well recommended.

PERSONAL.—Mr. R. P. Cummings renewed old acquaintances in our village last week, and also preached a very able sermon in the M. E. church. Mr. Chas. Hopkins is taking the work of Rev. Mr. Barnes in connection with the M. E. church. Mrs. Hetherington, of Peterboro, is visiting at Mrs. Hopkins'. Miss Helm is visiting at Mrs. Kingsboro's.

THE BRIDGE.—The vexed bridge question is decided on at last, after considerable of wire pulling, but whether the location is satisfactory to all parties time will tell, as some claim that they have not been given justice.

WHEELS.—We don't suppose that any village the same size as ours can boast of a larger number of lady bicyclists, and very good they are, we consider them. We have Misses A. Sheppard, Gray, Wright, Tewkesbury, Lovering, Turner, etc., as well as Mrs. Dr. Harris, Mrs. D. C. Sinclair and some other married ladies who are adept in the pleasures of wheeling.

BUILDING.—All our carpenters are unusually busy and likely to continue so. Mr. Geo. Sorland is building a good house on the Sturgeon Bay Road. Mr. Jas. Lazenby is erecting a pretty residence on the Orilla road, and Mr. D. B. Denison is having a stone and tinshop erected in the business portion of the town in which he intends himself to carry on a hardware business; and Messrs. Laidlaw & Co. have

removed into a fine new brick store erected for them, and there are plenty of other buildings in progress which we have not space to notice.

LAW.—We now possess a resident lawyer, a Mr. Brokovski, a son of a gentleman well known years ago in this part. We wish him every success.

FURTHER DOES NOT appear to be so plentiful as in past years. Most certainly strawberries were a failure, and there do not appear to be any great quantities of raspberries and other small fruits coming forward.

GLANDINE. (Correspondence of The Post.) NOTES.—Mr. Robert Ekins has lately built a large addition to his barn. He intends having stable room for 10 head of horses and 20 head of cattle. Mr. Ekins has lately re-roofed his brick house. Mr. T. G. Irwin had a narrow escape with his life the other day. While cutting hay with a new mower and a newly purchased team of Clydesdales, he was unfortunate enough to drop the lines; the team became frightened and ran away, leaving the mower in the rear and the cottage made up for the insurance. Rumors of Mr. Royce buying an upright piano. This may arouse the literary spirit and also the Glandine choir.

GELEET. (Correspondence of The Post.) PERSONAL.—Mr. J. A. Bowhey has returned home from Fensel Falls, where he has been employed on the steamer Alligator as fireman. Master F. Walters, of Kinmount, who has been visiting friends at Dutch Line, has returned home. Miss M. Bowhey is spending a few weeks' holidays with her parents. Mrs. R. Bonar and daughter Alma were in town on Saturday.

PUBLIC SCHOOL EXAMINATION.—At the recent mid-summer examination held at Minden, Mr. J. A. McIntosh, school teacher, of Geleet, sent six candidates, all being successful. Public school leaving—Ella McElwain. Entrance examination—Elmer Herron, Bertha Newell, Eva Newell, Alma Ritchie, Emma Sedgewick.

WOODVILLE. (Correspondence of The Post.) CHURCH NOTES.—Rev. Mr. Mills, formerly of Sunderland, occupied the pulpit in the Presbyterian church here on Sabbath in the absence of the pastor, Rev. Mr. Duncan. The Presbyterian Sabbath school here held their annual picnic in Beaverton on Thursday, 22nd inst. The senior league in connection with the Methodist church held a garden party on Tuesday, 20th inst., in Mr. R. Walters' grounds.

PERSONAL.—Miss Sharpe, of Toronto, has been the guest of the Misses McKinnon during the past week. Mr. A. McElwain, who has been for some years past in the West Indies, is at present the guest of his brother-in-law and sister, Dr. and Mrs. McKay. Miss Jamieson, of Lindsay, spent a few days in town last week, the guest of Mr. and Mrs. Andrew McKay. Mr. Hugh Cameron, of Mobile, U.S., is visiting friends in this vicinity at present.

GARDEN PARTY.—The Woodville brass band intend holding a lawn party on the grounds owned by Mr. Hugh McKinnon, on Thursday evening, 29th inst. A very enjoyable time is expected by all.

WANTED. Men and women who can work hard talking and writing six hours daily, for six days a week, will be content with \$11 weekly. Address NEW IDEAS CO., Medical Building, Toronto, Ont.

PERSONAL.—Mr. J. J. Sadler, of Toronto, gave a very pleasant dance for young people at her cottage at Sturgeon Point on Friday evening last for her guest, Mr. Orlville Watson, of Toronto. Although the weather all day was anything but pleasant, it being very wet and dreary, the decorations and the cottage made up for the dullness outside. The room was draped with bunting hung in festoons, with large flags on the walls and doors, while Chinese lanterns hung from the ceiling and on the veranda outside, and as the night was dark the illuminations showed up beautifully. Refreshments consisting of the delicacies of the season were served in abundance. The following are those who were invited: Mesdames Grantham, Toronto, and McLaughlin, Lindsay; Miss Manning, Bowmanville; Miss Wade, Rochester; Misses Alexander, Miss Sutherland, Misses Knowlton, Misses Kennedy, Misses Neelands, Misses Barr, Miss Keenan, Miss Barrow, Miss Sadler, Lindsay; Messrs.
