An event of much interest to many Lindsay friends took place in Napanee Wednesday last, 19th inst., being the marriage of Mr. B. Dingle, windows, 14 feet wide by 12 feet high, glazed with cathedral glass. The fittings of the interior is nicely grained, and rests on four moulded pilasters. The walls are sand finished, of a delicate grey color, and wainscotted with cedar, and the ceiling is hard finished. The church is lighted by four arched windows, 14 feet wide by 12 feet high, glazed with cathedral glass. The fittings of the interior slightly elevated towards the rear, allows of everyone having a good view of the pulpit. The building has been erected at a cost of \$4,500, of which \$3,500 is already subscribed. When it is understood that this is the second Presbyterian Lizzie, second daughter of the late John Mc-Laurin, Esq., (late manager, of the Rathbun Co. at Napanee and Gananoque), of Napanee. THE GREAT BANKRUPT STOCK MEN. Lindsay, August 13, 1891.-66

S. Corneil. THE ROYAL CANADIAN INSURANCE COMPANY

WHICH WILL YOU HAVE? The latest Blue Book shows that after providing for all liabilities the surplus of the ROYAL CANADIAN for the protection of its policy holders at the close of last year was \$509,074, besides stock to the amount of another \$100,000 subscribed, but not called up.

The same Blue Book shows that the surplus of the London Mutual was \$87,176, composed entirely of the unassessed portion of premium notes which no policy holder ever expects to be called upon to pay.

The following table shows at a glance how the affairs of the London Mutual have been going the lost four tables.

TO WHOM IT MAY CONCERN. Whereas, the Lindsay Street Sewer has been for a long time in an unsanitary condition and many complaints have been made to the Board of Health and Town Council that much sickness has been caused by the same, and that said foul condition was caused mainly by filth deposited in said drain through side drains from private

And whereas, the Board of Health, in justice and mercy heeding the cries for relief from said eyils, ordered and caused said side drains to be out off, that there should be no connections with the said drain and private residences that could foul the Lindsay street drain. Nevertheless it has been made to appear to me that certain persons, disregarding the orders and injunctions of the Board of Health, are determined to set at defiance all authority and regulations of said Board, and provide means whereby all the Board and provide means whereby all the pestilential evils heretofore existing in said drain may be perpetuated: This is to warn you, and all of you, who are
