REPORT OF THE STREET AND BRIDGE COM-Reeve FISHER read the report, which dealt with a number of small matters connected with his department.—Received and

REPORT OF THE FIRE AND WATER COM-Dep.-Reeve Kylie made a short verbal report, and moved that Mr. Patton, agent for a chemical fire extinguisher be heard, relative to the purchase of several of his five gallon extinguishers, which he claimed had a capacity for putting out 15,000 cubic feet of fire. The price was \$50 each Mayor Walters advised that the matter be referred to the fire and water committee.

REPORT OF THE TOWN PROPERTY COM-Reeve BRYANS presented the report recommending that a lease be granted Mrs. Hannah McCabe at a monthly rental of \$3.50 per month, payable in advance, she to notice being given her. The report also repairs to Mr. Frame's house. The fee for who knew him. The obsequies were conducted who knew him. The obsequies were conducted by Rev. John McKinnon, brother of the pastor. market square was reduced to 50c. A clause of the report asked that the by-laws dealing with cattle, etc., running at large be consolidated and certain amendments made therein, but it was pointed out that a by-law would be necessary for that pur-

pose. -The report was adopted. A motion to adjourn was then introduced. Mayor Walters asked the members to remain for a short time to discuss drainage matters, and quorum of them remained and wrestled with the knotty
