-Port Hope was visited by Cooke & Whitby's circus on Thursday of last week, and the papers state that the performance was excel lent and that there were no fakirs of any kind travelling in connection with it: Those who ran up against them here about a month ago say there must have been a thousand.

-The Eby Blain wholesale grocery firm, of Toronto, have re-organized into a joint stock been given an interest in the business. Among them is Mr. Jos. Devaney, the well-known -Rev. Mr. Martin, of Sutton, passed through

Lindsay on Tuesday en route by special arrangements for Montreal. He is making arrangements for a mammoth excursion and picnic starting at Lindsay and by way of Lorneville to Jackson's Point on Lake Simone. Great attractions may be expected. The excursion will probably take place about Aug. 20th.

-Icewater is very dangerous in these bot summer days when gulped down in reckless draughts with which the over-heated person usually seeks to allay his or her burning thirst. Icid water or iced lemonade should be drunk cautiously in small quantities at a time. The medical authorities say that to inundate the stomach with it in large quantities at once is like pouring cold water on a heated stove.

-The Gilmour Co.'s drive of 60,000 logs being taken through Sturgeon Lake this week. The drive is one of the largest that has ever passed down the lake, and the apparent lease with which it is handled by the alligator boat which accompanies it is marvellous. The drive is kept moving night and day; at night the operations are conducted by the aid of an electric light on the alligator boat. The men sleep and eat on shore in well-appointed tents.

-To express the idea of poetry in the making of a lady's costume has always been the ambition of the tasteful modiste. It is fortunate circumstance that Priestley's famous black dress goods lend themselves to realization of this idea, for they are specially manufactured to give beauty and grace of ensemble, ccupled with that which places Priestley's goods above all others-a perfect fitting and draping quality. Look for "The

The New Cut Finished

Work on the new cut at the entrance of th Scugog river into Sturgeon lake was complete on Thursday evening of last week, and the dredge was taken to Boboaygeon. The steamer Esturion was the first to make the passage, but experienced considerable difficulty in getting through, as the water at the lake end of the cut is not of a sufficient depth to keep her off the mud, which can only be remedied by crafts passing to and fro for a time. While the and the expense would have been much less had the government built a permanent lighthouse and done a little piling at the old outlet, However, the Dominion government is purcuing its usual course of extravagence, and if there is -"Sarah: A Survival," a novel by Sydney any money going the old Scugog is just as good Christian, just published by the Harpers in the | a place to sink it as on the Tay canal or Curren's

The Primary Examinations. The board of examiners' report in connection with the results of the primary examination appeared in the Toronto papers on Monday. The report says :- Candida tes whose names appear in list No. 2, at any centre, have passed the July part of the primary examination, but principals of the high and public schools with 19, relating to reading and writing, have not forwarded. The number of successful candimust not be regarded as the result of the work of any school, as in many instances candidates Graham, W. Greer, D. Gunn, F. Gunn, F. -The Rev. Robt. Johnston on Sunday morn from the text will be long remembered by all

-Rev. J. D. Kennedy, Baptist minister, of Toronto, formerly of British Columbia, is enjoying his vacation with relatives on the Scotch Line, near Dunsford. On Tuesday evening last he preached an elequent and instructive sermon in the church there to a large and atten-Saviour because He came not clad in rich attire and hingly trappings, but in humble raiment, and accepted poor fishermen as His disciples. The rev. gentleman drew many striking lessons from his text, and pointed ont that to--The boys of the Y. M. C. A. camp are day, despite Christ's example, men appear to prize wealth and position above the possession

of virtue and a clean heart. -The financial district meeting for the Lindsay district of the Methodist church is to be held at Haliburion on Tuesday, August 14th, at 1) a.m. A Sunday school convention will be held at the close of the district meeting, which it is expected, will be about 3 p.m. At this Rev. I. Shorey is expected to give the opening address on the importance of this work. As chairman of the district he will preside. Rev. G. McColl is expected to speak on the best methods of conducting a Sunday school. A meeting of children at 4.30 will be addressed by Reve. J. Garbutt, W. S. Bunner and F. J. Anderson. Rev. S. Tiny is to speak on catechumen classes; Rev. C. H. Fusee on systematic beneficence; and Rev. J. W. Totten is to lead in a Sunday school colloquy. The schools are expected to send delegates. A good time is expasted. No doubt Haliburton people will help to make this convention and district meeting a

-In the Queen-st, church, on the evening of Friday, July 27th, Rev. S. J. Shorey, of the Cambridge-st. church, gave a very interesting lecture on "The World's Fair," The day was one of the warmest of the season, and this no doubt interfered with the attendance, which was not as large as was expected. Those who most hearty and unanimous yote by the people -The library excursion from here to Crowley's indicated the gratitude of the congregation for ily alarmed by hearing what seemed to be a lowing are the names of the successful Lindsay Island on the 10th is much talked about around Mr. Shorey's kindness in thus coming to the
