LOCAL MATTERS. LINDSAY TOWN COUNCIL.

A MERRY MEETING - "A FLOW OF SPIRIT AND A FEAST OF SOUL" - AN ENJOYING "TIF" BETWEEN MAYOR WALTERS, DEP-REEVE CRANDALL AND COUN. TOUCHBURN - COUNCILLORS LEAVE THE CHAMBER IN DISCUSS.

The regular monthly session of the town fathers was held in the council chamber on Monday evening. There were very few representatives in the paragon when the municipal farce put up a first-class performance nevertheless, and no grumbling was heard when the sensational scene between the "heavy villains" was brought to a close by the departure of a number of actors from the stage.

Previous to entering upon the fun of the evening Clerk Knowlton read the minutes and the following communication: A petition from S. J. Petty and other watchmakers and jewelers, asking that a by-law be passed ordering the closing of such places of business at 6 o'clock each evening excepting Saturdays and the period between Dec. 11th and 31st.

From Chief Bell reporting that \$37.70 of fines had been imposed and collected during July. Referred to police committee.

REPORT OF THE POLICE COMMITTEE. COUN. ANDERSON, chairman, read the report, which stated that Chief Bell reports for July and August, 1894, as follows: 1. Wm. Ellsworth, \$3.00; Ann Harrowe, \$1.00; Eva Jackson, \$1.00; J. M. Martin, \$1.00; J. M. Greer, \$1.00; Josephine O'Connor, \$1.00; J. E. Crezan, \$1.00; Arnold J. Soames, \$1.00.

Mayor Walters could not grasp the meaning of police report. He inquired of what did it mean? He was told that it was a list of names and amounts of fines. He said he would see to it that the list was correct.

THE FLOOD GATES ARE OPENED. COUN. TOUCHBURN, referring to the police report, said that he had been asked by a number of ratepayers if a certain member of the council who had been fined well for having his fine carried over by the town from month to month, had been fined many times over.

BETTER FIRE PROTECTION WANTED. Messrs. Kennedy, Davis & Son, John Dyer, and others, asked that a hydrant be placed at the corner of Lindsay and Bond-st., or Lindsay and Wellington-st., and referred to the present unprotected state of the valuable lumber and wood interests in that vicinity.

REPORT OF THE FINANCE COMMITTEE. COUN. STAPLES, chairman, read the report, which recommended payment of the following accounts: John A. Williams, fire hall, \$3.00; W. D. Halliday, fire hall, \$1.00; C. A. Little, sundries, \$1.00; R. Kytle, refund to L. Finlay, \$1.00; A. G. Edwards, account, \$1.00; F. S. Simpson, St. Peter Nicholas, \$1.00; S. G. Foster, \$1.00; J. Fleury, \$1.00; C. G. Peck, sundries, \$1.00; R. S. Porter, sundries, \$1.00; G. Greer, fire hall work, \$1.00; R. H. Hooper, electric lights, \$1.00; A. Primeau, sundries, \$1.00; S. J. Dunlop & Co., sundries, \$1.00; J. M. McConnell, account, \$1.00.

THE LATE DROWNING ACCIDENT. The body of the late James Corbett, sent to London on Wednesday last, was on its arrival conveyed to the home of the deceased's mother, on seeing the corpse, she was completely prostrated, and as a result suffered a succession of fainting fits, which in spite of every effort that friends and medical assistance could devote, terminated fatally at midnight on Wednesday evening. Mother and son were buried together.

Who Put that Sign. A correspondent of the Toronto Globe last week traced the route of the proposed Trent valley canal extension, and in his reports to the paper said some nice things about Lindsay, Fenelon Falls and vicinity, there had been a little trouble with Capt. Crandall and it had transpired that the locks had been wrongly numbered.

NOTICE OF MOTION. COUN. TOUCHBURN then gave notice that at the next meeting he would bring in a by-law to amend the circuit by-law, also Mayor Walters' motion to adjourn is always in order.

TO CLEANSE THE SYSTEM. Effectually yet gently, when constive or bilious, or when the blood is impure or sluggish, to permanently cleanse the system, to a healthy activity, without irritating or weakening them, to dispel headaches, colds or fevers use Syrup of Figs.

DEATHS. DANIELS - At Cambridge, on Tuesday, July 28th, John Daniels, aged 73 years.

The other applications referred to by Coun. Touchburn were for lawn watering - some citizens wanted a 4-inch main put down. Coun. ROBINSON believed in sticking up on business in the town for years and helped the working man. Uncle Sam's aid came in here with gangs of men, but Canada's seeking work across the border are taxed or sent back.

REPORT OF THE FINANCE COMMITTEE. COUN. STAPLES, chairman, read the report, which recommended payment of the following accounts: John A. Williams, fire hall, \$3.00; W. D.
