Canadian Lost.

LINDSAY, FRIDAY, AUGUST 17, 1894 THE MANITOBA SCHOOL QUESTION. The very acme of absurdity is reached In the action of Sir John Thompson in dizement of trusts and combines and the matter at once. His Honor Judge transmitting the memorials of the Catholie elergy on the separate school question to the lieutenant-governors of Manitoba and the territories. Nay more, a degree of a man, who, to retain power, thinks it and of the necessity of tariff reduction, his office, Lindsay, prepared to receive the 1,260 lbs average, 310 per lb; 1 car load cattle, necessary to have a Clarke Wallace at the and it is probable that, though tariff applications of those desiring their names Ontario end of the political balancing reform has been checked in its large placed on the list. pole. The premier asks others to do that which he is too timid to do himself. The memorials of the clergy he sends back to more bitter than two years ago was the legislatures, and he asks these bodies anticipated. In fact the failure to legisto redress the grievances of the Catholics, late has alone done the democratic party hereditary body of class legislators. if such exist, when already these legis- incalculable harm, but the Pyrrhic victory latures have most emphatically passed the of the sugar trust will no doubt challenge legislation now complained against. He the tariff reformers to renewed energy dened North-West settler. All the heavilyrefers back the memorials to the very and zeal in the cause for which they have | timbered lands in Manitoba, west of the body whose action is complained of. labored so long. Mr. Wilson, the framer Red River, are to be set aside for them as Herein is the absurdity. In this way Sir of the Wilson bill, sounded the key note permanent timber reserves to supply them John Thompson runs away from respon- when, in explaining the situation that with fuel. and proves himself a coward in not bill, he said "the sugar trust had the Northern and Southern States of the 22c per lb; 7 cettle, 1.800 lbs average, 25-8c per sibility. He hedges when he should act, compelled the house to accept the senate carrying out that view, which, in the people by the throat and it was now a order-in-council, he, in so many words, battle between the people and that great intimates to the legislatures should be monopoly." adopted by them. Why does he not act honestly, and do himself, in effect, that comparative statement of the duties under which he suggests should be done by the respective bills on articles in which others? In taking this course he hopes | Canada is especially interested: The bill, to please the supporters of separate which will probably become law, admits schools by exhibiting his wishes, and at lumber of all kinds free of duty; but the same time not offend ultra Protestants any country which imposes an export duty by carrying out himself that view which upon any of the products of the forest he intimates should prevail. At a time | forfeits this benefit. Barley will be 30 when a matter of grave importance per cent., instead of 30 cents per bushel. should be promptly dealt with, the Thus, when barley is worth 60 cents a has filed a bill against the company aiming premier shirks his duty. The memorials bushel it will pay 18 cents, and it must be to take away its charter on the ground of the clergy were addressed to the quoted at \$1 before the duty will equal that it is conducting a hotel business and governor-in-council and not to the several that now collected. On horses the duty legislatures. Why, then, should the will be 20 per cent. The McKinley duty upon it. The petition is said to be one premier dilly-dally with the question and is \$30 on a horse valued at less than \$150, send the memorials to these legislatures and 30 per cent. on animals of greater whose action is condemned. He knows value. Thus, the duty on a \$100 horse will but one result must follow by his refer- be reduced from \$30 to 20, and on a \$150 ence of the question back to Manitoba horse from \$45 to \$30. and the North-West. Consistency alone will prevent a reversal by them of their past course so emphatically marked and pronounced. To say the premier does not see this is to attribute to him want of perspicuity, which is nonsensical. Know ing the result he temporises, he suggests a remedy which is no remedy, and which he knows is no remedy. At first go off he intended to respond to the prayer of the memorialists. This would have been the plain, honest course. It might have given offence to Protestants whose Protestantism effervesces once a year, but such offence, as Clarke Wallace could tell him, would quickly evaporate at the announcement of a general election. The

EDITORIAL NOTES.

The evicted tenants' bill was rejected by the British house of lords Tuesday by a vote of 249 to 30. This will accentuate the rapidly growing feeling against that

At last the Dominion government has decided to do something for the overbur-

The change from horse to electric cars in profits of ranch owners in the western territories, but a remedy has, it is said, been discovered. A despatch from Sioux City says that several firms there are slaughtering ranch horses, which are bought for less than cattle can be had for, and converting the flesh into "dried beef." The output is of pretty fairones sold for \$2 60 per head. Only said to be over 1,200 horses daily.

The majority of the Pullman Car Co, employees are still on strike, and the company now threatens to turn them out of the houses they have been occupying rent free since the trouble began. The strikers say that if this attempted there will be trouble. Attorney-General Maloney ney-general in his crusade against trusts

Rumors are rife that a reorganization of the Dominion cabinet will take place after the holidays. It is said that some of the ministers with comparatively clean rec ords are kicking over having to associate with their "whitewashed" confreres, but 5 p.c. in view of the votes cast by these good and 5 p.c. true men such a revulsion of conscience is 10 p.c. incredible. The story goes that Sir John to lb | Costigan wants to go up higher, and yearns opc. after the post office department. Those behind the scenes aver that Sir Adolphe Caron is an incubus and his record so embarrasses the government that an effort is to be made to shelve him. That the good work may not end there should be the wish of every true Canadian.

Speaking of the Loyal Protestant Women of Canada, the Galt Reformer says : 'It who compose it would be content with taking their proper places in the household and in those labors of love for which nature has so well fitted them." And if in their own families they have no stockings to darn, or pants to patch, or matted
