TOUGH CLOTHES

FOR THE BOYS OF THIS DISTRICT.

YOUNG CANADA BEGINS ANOTHER SIX MONTHS' SCHOOLING.

Tough Clothes for boys to wear to school this Fall and Winter. That's the burden of our song. Strong Clothes to stand the wear and tear of play rough but healthy. Strong clothes to stand the work of out of door fun in cold weather. We have just such things for the youngsters, and besides being full of wear, they are neat and shapely.

Did the last suit of clothes you bought for your boy from us, wear as well as it ought to have worn, considering the price paid? If it did you should go to the same store for the next suit. You get your money's worth. We deserve your patronage. We'll do better by you and by the boy than any other clothier.

FIVE CASES OF BOYS' NEW SUITS.

These are only the advance guard of our Fall stock for the boys. These are two and three piece Suits, and will fit boys all the way from three to sixteen years. We sell the best of everything to keep in the heat and keep out the cold, for boys. We were boys ourselves, once,—it seems an awful long time ago.

We've all good qualities of Boys' Clothing. We've probably—more Boys' Clothing in our store than in all the other stores put together. We've a weakness for supplying the boys. Ask yours if this isn't so.

Some idea we may give you of the value and inducement we purpose giving to buyers, when we say will buy a beautiful, heavy, all wool, neatly made, well trimmed, and built of Auburn Mills Tweed Suit. Of course we've cheaper Suits, and as low as 95c. per suit. Better Suits up to \$3.00 and \$4.00, but

OUR \$2.00 SUIT IS A CORKER.

Just the thing for a boy's school suit, and as good as ever sold for \$3.50. Mothers should see these Suits. You know value. You know your money is, we'll help you to make it go as far as it can. Come! The verdict is nearly always in our favour. It isn't often that the careful buyer decides against us.

"TOUGH CLOTHES FOR THE BOYS" That's our Motto.

ONTARIO.—A deep gloom was cast over this neighborhood on Saturday last by the death of Mrs. John Stone. Mrs. Stone has lived in this vicinity, and her kind and winning disposition won for her the respect and admiration of all her friends. The funeral took place on Sunday afternoon at 2:30 o'clock, and was one of the largest ever known around here, the procession being made up of over 200 persons. After the body was interred in the Baptist burying grounds services were held in the Presbyterian church which would not hold all the people who came. Mr. Cameron's sermon was short but filled with the pith

of the gospel. He called attention to the joy in heaven over a sinner who repents, and although friends were apt to consider the loss to themselves, they should also remember the joy the dying christian experienced in the call to meet his Father and Elder Brother. He also stressed clearly the warning a solemn occasion of this kind should be to the sinner to prepare for death, and to what they christians to press on and do what they could while they had strength and opportunity. The deepest sympathy is felt by all for the bereaved husband and three children.

McArthur's, of Parkdale, where they enjoyed a very pleasant moonlight excursion on Mr. McArthur's boat, the "Alert". The weather was all that could be desired and the evening passed but too quickly. At about 11 o'clock they started for home after giving three cheers for the sail, the boat and the able commander who manned it.

(Correspondence of The Post.)
CROPS.—There has been a large amount of wheat grown in this locality this year, and the result is very satisfactory. I think the average is over 30 bushels per acre. Spring wheat is light and oats and peas are a heavy crop. A portion of straw this year and the show of the crop is fine. Much fodder corn has been sown and has made an unusually early start. Farmers have not been slow to profit by last year's experience, when corn made a good growth notwithstanding the protracted drought, and proved its reliability as a fodder crop.

PERSONAL.—This week the Rev. P. A. MacLeod and family go on a holiday trip to Ottawa and other points east. A portion of the time will be spent with friends not far from Parliament hill. CONVENTION NOTES.—The annual district meeting of the Cannington district of the Methodist church, held on Tuesday last, Aug. 25, was a success in every way. The meeting was largely attended and was very pleasant to all concerned. The Sabbath school convention to be held in connection with the district meeting, as announced, was if possible even a more decided and pleasant success. The addresses given by the Revs. G. E. Ross and both old and young. The Sabbath school convention was present in an orderly way in many places. It was due to the orderly way in which they conducted themselves. SUNDAY MORNING.—Some parties passing up the lane south of Mr. John Dobson's liquor store noticed that the cellar door had been forced, and at once notified the clerk, Mr. L. Flood. Upon examination it was found that somebody had ransacked the premises and stolen a quantity of bottled goods, including Irish and Club whiskeys, London Dry gin, ales and half-dozen bottles of Mumm's Extra Dry champagne. Chief Bell was given charge of the case, and a long search of the bottles in possession of James Workman and D. McCabe, he arrested them and lodged them in the "cooler." They were brought before P. M. McIntyre this morning and were remanded till 3 o'clock to-morrow afternoon. It is suspected that others were also concerned in the robbery.
