Gough's THE MAGNIFICENT OPENING OF GOUGH'S NEW HOME

We have taken a step upward and a move forward. After weeks of preparation, of remodelling, furnishing and improving, we are now located in our new, attractive and commodious premises, right in the centre of Lindsay's busiest mart, splendidly situated ON THE CORNER OF KENT AND WILLIAM-STS., Dobson's Well-Known Old Stand.

There's nothing new in the story that this store had to move into larger quarters. The growing demands of our business required increased accommodation and the same far-sighted policy which has made this business constantly bigger and vastly better, compelled us to plan ahead to build up a bigger business STILL.

COUGH'S BUSINESS WASN'T JUMPED AHEAD BY CHANCE We've mastered all the strategic points by persistently selling reliable goods at persistently lower prices. We clothe the people for the smallest profit to ourselves. IN OUR NEW HOME, you will find the same policy pursued on a larger and more systematic Scale. The biggest stock of Clothing in styles the latest, are to be found here where you can look at them at your own ease.

MEN'S and BOYS' CLOTHING, HATS, NECKWEAR, UNDERWEAR and FURNISHINGS, Find ready expression here. Better light, better system, better accommodation, better everything, with the money-saving register in active operation all the time. All goods marked in Plain Figures and Sales Strictly for Cash. If the goods are not as represented we will cheerfully refund the money.

They had the most enjoyable time, of course, down the beautiful and enchanting waters of the Gull river and Mudtickle lakes. The beautiful scenery of the Gull river waters, especially in the vicinity of Norland, is unsurpassed by anything in the province. CHURCH--Rev. S. C. Moore, pastor of the Methodist church here, and Mr. James Ray, who were the representatives of our E. L. of C. E. at the Great international convention held in Toronto recently, have returned home. They bring very encouraging reports of the convention our listeners will be an incentive for with them, which will be an incentive for the church. BOILING NOTES--Mr. Dougal Robertson and Mr. John McDonald have each made the addition to their buildings of a fine large barn, upon stone foundations, affording ample room for stabling. Mr. John Hunter has raised his barn and is at present engaged in building a stone foundation underneath. Several other farmers here are contemplating making additions to their outbuildings, in the way of barns, stables, etc. These are not indications of hard times, at any rate. RAIN--Crops here are looking well, but some farmers are complaining of injury to their barley and wheat crops from budding caused by the continuous heavy rain and light. There is every indication of an abundant root crop at present.

EXAM--We extend our congratulations to our principal, Mr. E. Mosgrove and his successful pupils at the late entrance and public school leaving examinations. We are pleased to notice that Miss Jennie Wheeler stands highest in the county on the P. S. leaving exam, with 882 marks. Miss Martha Perry third with 858 marks, and Wm. McFarlane third with 822 marks. This speaks well for our school, and keeps up its former reputation of having five out of ten obtaining the highest marks in the county. It is reported that Edward McCall had a barn blown down. THE WET SPELL--It rained last week. Some persons had whispered just before that there was need of rain. It delayed its coming, but came to stay. People are did. Hay that stood out in it is scarcely as good fodder as straw. Some grain in the shock has budged, and even some of the uncut has done similarly. OPERATION--It gives us pleasure to hear that Mr. Sattelle has had successfully removed a tumor from his left eye. A Peterboro specialist performed the ocular operation. People are glad to stay. SABBATH SCHOOL--Mr. F. Wilson, of Springville, made the annual official visit to the Mount Pleasant Sabbath school last Sunday.
