Health and Town Council that much sickness has been caused by the same, and that said foul condition was caused mainly by filth deposited in said drain through side drains from private

And whereas, the Board of Health, in justice and mercy heeding the cries for relief from said evils, ordered and caused said side drains to be cut off, that there should be no connections with the said drain and private residences that could foul the Lindsay street drain. Neverthe-less it has been made to appear to me that certain persons, disregarding the orders and injunctions of the Beard of Health, are determined to set at defiance all authority and regulations of said Board and provide means whereby all the pestilential evils heretofore existing in said

drain may be perpetuated: This is to warn you, and all of you, who are Wendt took place from the general hospital under charge of the Oddfellows' lodge. Quite a number of citizens besides those belonging:
