having a narrow escape. -The English bark Windermere, from tla. The craw were discontented with the food furnished them and also with the alleged tyrannical conduct of Captain Mc-Leod, who was in command of the vessel, followed McLood was that. The officers succeeded at length in queiling the mutiny and put the leaders in irons, the vessel thereafter proceeding to its destination

without further trouble. -During the past year the average cost of the maintenance of board schools per child in average attendance in England and Wales has considerably increased. In London the increase was 1s. 1½d., and in the remaining board schools in England 1s. 5½1., and in the remaining tourd schools in England 1s. 31. per child. The average cost of voluntary schools this year also shows an increase of 84d, per child. Further, it appears that 52.79 per cent. of the scholars in England and Wales paid -Baptiste, the well-known pilot of the less than 31. a week; that 38.56 per cent.

-The London Chronicle Friday mcra-

ing says that Mr. Edward Blake has joined the ranks of those who are urging the | many excellent qualities commend it ministry to consider the advisability of to all and have made it the most letting the electorate into their confidence Croton dam at Cornell, N.Y., has been let | regarding their program for the coming bring disaster upo... ae last Gladetoniau ministry. Mr. Blake is clever enough to see that the enunciation of the policy in | to try it. Manufactured only by the advance may be disadvantageous, but he lacks no confidence in the ultimate success of the liberal policy. The electors should be given every opportunity to fully consider the merits and drawbacks of any measure which Mr. Gladstone may bring

> -Lord Yarborough, the owner of the North Lincolnshire pack of foxhcuads, in furnishing some statistics relative to fox hunting, states that there are 330 packs of hounds in England, Scotland and Ireland. Assuming the cost of foxhounds to be £650 for one day per week for the year, staghounds to cost £550 and harriers £200 keeping up hounds in the United Kingdom causes the expenditure of £414 850; and estimating one hundred men hunting with each pack, each man having three horses, that means that 99,000 horses are engaged. Putting the cost of each horse at 15s. per week, this comes to considerably over three and a half millions. So, maintains the noble lord, the cost of keeping hounds and maintaining the hunts in the United Kingdom comes altogether to four and a large deer, which however, took alarm half millions, independent of the expenses | when she approached, and quickly made

expenses, etc. -The little village of Hedleyville, a suburb of Quebec, and separated from it by the River St. Charles, was completely wiped out of existence Friday evening by ared reople left homeless. The loss is estimated at about \$80,000, not one-tenth of which was covered by insurance owing to the poverty of the people and the high rate of insurance consequent upon wooden been caused by children playing with ing rapidity. Many of the families are so. left quite destitute. Some saved part of may perhaps not be an unmixed evil owing to the dreaded approach of cholers, thi village being on low swampy ground and the houses small and crowded.

-Seven cows have been knifed and killed within two months in the pastures o Mount Airy, a suburb of Columbus, Ohio where there are large dairy interests. A detective employed by the dairy men arrested Friday morning Peter Lequelli, an Italian, whom he found in a pasture, armed with a big, blood-clotted knife, and carrying a lasso. The news of the arrest got abroad and at Mount Vernon and Washington avenues, whither the detective took his prisoner, a crowd of angry dairymen gathered. "Lynch him !" they God to kill his wife and family of ten shouted as they saw the prisoner. They started to put the threat into execution | year-old girl to the woods, and was about would swing at the end of his own lasso. protecting the cowering prisoner, held the | to overpower him and save the child's life. crowd at bay. Finally the patrol waggen brought officers to his aid and L:quelli was ate attempt to commit suicide by dashing got to prison in safety.

-Guinness' Dablin stout holds its place as a favorite bayerage. At the ordinary meeting recently held at the Cannon-st. hotel the report stated that the net profit for the financial year, after making provision for bad debts and includin g dividends amounts to £685,609 17s. 31. This, tcgether with £68,427 3s. 101. carried forward from the last account, makes a total of the approval of the general meeting, to py dend of 9 per cent, for the half year, making, with the interim dividend of 6 per cent paid March 1st last, a total dividend for the year ended June 30th, 1892, of 15 per cent. free of income tax. These payments will absorb £355,000, thus leaving a sum of £40 973 151. 7d. to be carried forward to the next account.

-The Madrid Imparcial publishes nesday last on the trail that leads through remarkable story recently concerning wild man who has been captured near the desert track to Cape de Gats, in south. \$10,000 in gold coin, which was to be trans. | western Spain. During the latter part of August this man was seen several times by hunters. He was tall, dressed in skins, well armed. When fifty miles south of and his beard and the hair of his head Durange they were attacked in ambush by the band of brigands which have been the terror of that section for several years. Two of the grards were shot down at the first volley. Marte and his remaining three referenced the first part of the first two days' work succeeded. The man is none so effective. Large bottles 50c and \$1 at about 50 years old and has been in the all druggists'.—17-cow. desert 25 years. He told his captors that he was a native of Galicia, Spain, and at the age of 24 had worked in a large stocking factory in Lugo. He and the daughter The young couple eloped, A few miles from home they were overtaken by the manufacturer and two friends, who beat the young man severely and carried off the daughter. The young man was locked up while recovering from his injuries, so he could not communicate with the girl. When he regained his liberty she had married a Lugo banker. He started to leave the country on an emigrant ship, but Imparcial adds, tend to prove the truth of
