unconscious from the three twenty hours and breathed her last Tuesday night. One

-A brigadier and three gendarmes attacked the notorious Maurima band of brigands numbering eight men, near Messina, Italy, recently. A flerce conflict ensued, in which the robber chief, Rinaldi, was killed. The other robbers fled, leaving a quantity of arms and ammunition behind

-Two freight trains were going east from Hamilton on Friday night, and when near Port Credit one ran into the other, causing a general wreck. The loss to the Grand his mouth, crunch it, and swallow the shell and all.

-Saturday last witnessed an event in St. Paul. Minn. for which the oldest in. the scene of the wreck for several hours.

-The captain of the steamship Appolo, which arrived at New York on Friday from Antwerp, reports that on September 21st, in longitude 61 degrees 30 min. west, his vessel sailed into a raft of lumber, planking, and scantling, which extended westward for a distance of thirty miles. The lumber was strewn almost so thickly that he was forced to slow the vessel down to The late Prince Victor of Hohenlohe loaded with lumber has foundered.

-During a terrific storm which visited Teeswater Sunday afternoon two women, Mrs. Lingenfelder and Mrs. Wigle, were struck with lightning while sitting at the windows of their homes. All the wires and poles in the vicinity were wrecked, but no other damage was done property. Mrs. Wigle has recovered sufficiently to sit up, but still is in a precarious condition. Mrs. Lingenfelder is still unconscious, and it is feared that the chance of her recovery

-Charles Gordon, first deputy-reeve of Owen Sound, while examining the mill flume at Inglis Falls on Tuesday, slipped on a wet plank and plunged over the edge be an angel. Loch then bathed his face in of the precipice. The gorge is about 70 ft. deep, but after falling 20 ft. Mr. Gordon

-The Wilson line steamer Martello, from -A courier from Colonia Disz, Mexico, New York September 22 for Hull, with a Sunday, with her cargo of cotton on fire. The fire was discovered between the decks miles off Halifax yesterday. She was imthinks he has drowned the fire out by accepted him. Mr. and Mrs. Krehner gave patent extinguishers, but as the deck is their consent to the marriage, and Friday still hot a tug is along side to render assist- | the engagement was announced.

- The British tank steamer Vindobala, which arrived at Flume on Sept. 17th from Philadelphia, reports that she encountered a hurricane which lasted from August 19 | Langdon, who is a remarkably beautiful to August 22. Her decks were constantly submerged during the storm, and th vessel was much damaged. Her bunker- on the Columbus & Sandusky Short Line hatch burst and the steamer was flooded with water, and continued to sink deeper and deeper until her engines were stopped. When the storm subsided temporary repairs were effected.

-Mrs. Russell of the 7th con. of Blen-Mass., reports the seizure of the whaling heim met with a fatal accident while driving home Wednesday last. It appears the unfortunate woman was driving towards home and another team overtook her. This team was running away, but the fact was not noticed by Mrs. Russell until too late. The runaway horses crushed into ther rig and the tongue struck the unfortunate woman in the back and carried her off the seat. She was carried thus impaled on the wagon tongue nearly half a mile, when her body was tossed by the roadside frightfully

-Harold Backwith of Cass City, Mich. on last Wednesday committed suicide by drowning himself in a bath tub. He was about 27 years of age. Beckwith was a student at Harvard and had travelled extensively in Europe, Two years ago he fell in with a fast crowd at Paris and became an inveterate drinker and gambler. Some time ago his father placed him in a | cipality lately. inebriate asylum. Four weeks ago he returned, apparently cured, but soon took to drink again. In a fit of remorse he drown-

ped from Ottaws to Perth on Tuesday, bone. Canadian cheese intended for the Chicago World's Fair. The mould stands 7 feet high and is 9 feet in diameter. In order made for securing three days' milk of 600 cows. The weight of the cheese will be something fabulous, running into thou sands of pounds. This triumph of dairy work will form a portion of the experimental farm exhibit at Chicago next year. -A Vienna despatch says; One of the

officers attached to the garrison at Jung and on the same day his flancee, a young woman of the same place, also disappeareloped. Friday, however, both were found dead in a powder magazine that was stidom visited. From letters found near the bodies it was learned that the parents of the young woman were bitterly opposed to the officer's suit. Despairing of ever being able to gain the parents' consent, the couple decided to end their lives. They had gone to the powder magazine, where, with his flancee's consent, the officer shot and killed her. He then shot himself through the head.

-In April last Mrs. Aina Sainico, wite of a professor in the state college at Tavastehaus, Finland, was found guilty of poisoning her husband, and in accordance with the medieval law, which is still in force there, she was sentenced to be beheaded and her body affixed to a stake and burned. It was charged that Mrs. Saintco had been unfaithful to her husband, carrying on a lisson with one of the students at the college. She strenuously denied this, and said her motive in killing her husband was to get the insurance of \$2,500 on his life, as she was deeply in debt. The case was carried to the court of appeals and Thursday a decision was handed down affirming the judgment. She will be decapitated. her body fastened to a stake, covered with affammable material and set on fire.

-Elizabeth Krehner, a young woman of good family and considerable beauty, was betrayed four months ago in Berlin, Germany, by the young man to whom she was to have been married. He deserted her a short time ago and went to Vienna. She wrote a confession to her mother, matted who had followed her to the river bank
