

# YOUNG CANADA

## FOR THE BOYS OF THIS DISTRICT.

# BEGINS ANOTHER SIX MONTHS' SCHOOLING.

Tough Clothes for boys to wear to school this Fall and Winter. That's the burden of our song. Strong Clothes to stand the wear and tear of play, rough but healthy. Strong clothes to stand the work of out of door fun in cold weather. We have just such things for the youngsters, and besides being full of wear, they're neat and shapely.

Did the last suit of clothes you bought for your boy from us, wear as well as it ought to have worn, considering the price paid? If it did you should go to the same store for the next suit. You get your money's worth. We deserve your patronage. We'll do better by you and by the boy than any other clothier.

## FIVE CASES OF BOYS' NEW SUITS.

These are only the advance guard of our Fall stock for the boys. These are two and three piece Suits, and will fit boys all the way from three to sixteen years. We sell the best of everything to keep in the heat and keep out the cold, for boys. We were boys ourselves, once,—it seems an awful long time ago.

We've all good qualities of Boys' Clothing. We've—probably—more Boys' Clothing in our store than in all the other stores put together. We've a weakness for supplying the boys. Ask yours if this isn't so.

Some idea we may give you of the value and inducement we purpose giving to buyers, when we say

# A \$2.00 BILL

will buy a beautiful, heavy, all wool, neatly made, well trimmed, and built of Auburn Mills Tweed Suit. Of course we've cheaper Suits, and as low as 95c. per suit. Better Suits up to \$3.00 and \$4.00, but

## OUR \$2.00 SUIT IS A CORKER.

Just the thing for a boy's school suit, and as good as ever sold for \$3.50. Mothers should see these Suits. You know value. You know your boy's clothes-wrecking propensities. Come to us. We're full of economical suggestions. No matter what your money is, we'll help you to make it go as far as it can. Come! The verdict is nearly always in our favour. It isn't often that the careful buyer decides against us.

## "TOUGH CLOTHES FOR THE BOYS" That's our Motto.

LINDSAY FRIDAY, SEPT. 11, 1896.  
**LOCAL NEWS-LETTERS**  
**DUNSPLOD.**  
HARVEST HOME FESTIVAL.—The annual harvest home festival of St. John's congregation will take place in the old church on Tuesday, Sept. 22nd. Tea will be served from 4 to 7 p.m. after which addresses will be delivered by Rev. Rural Dean Creighton and others. The choir will render choice selections, and readings and recitations will also enliven the program. Tickets, 25c; children, 15c.  
**LINDEN VALLEY.**  
PERSONAL.—Miss Jennie Jones spent Saturday and Sunday with friends at Hartley. Mrs. David Rogers has returned home after spending a few days with her brother, Mr. C. H. Lapp, of Little Britain. Messrs. J. Jewell and Chas. Rogers, Miss Fowler and several others, are taking in Toronto exhibition.  
WEDDINGS are the order of the day. Who'll be next?  
**IRONDALE.**  
WEATHER.—Quite a change in the weather since the solar eclipse. Jupiter Pluvius and Jack Frost have seemingly united in a joint demonstration against Old Sol, and the weather is like the thermometer, lowering. We have had so much rain here that several of our farmers who have late fodder crops are experiencing some difficulty in harvesting the same, while commercial men and others do not know whether it is safe to venture out without a rubber or fur overcoat to guard against sudden changes.  
ILL.—We regret to chronicle the serious illness of Mrs. Jas. Flood, the sudden change of weather having quite prostrated her.  
PERSONAL.—Miss Staples, a former teacher of the school here, is visiting with

Mrs. Bar for a few days. Many of her old friends in the neighborhood will be glad to see her again. Edgar John Lake, of the Laker Day Sets, is here visiting his brother, Mr. A. Lake, of Glamorgan.  
**CAMBRAY.**  
ENTERTAINING.—Two of our wideawake farmers, Messrs. Birchard and Tyrell, have purchased a four ton weigh scale of the famous C. Wilson & Son manufactory, which they intend to have put up in a convenient place at Cambray station. This will be a great convenience to shippers and others. Their venture will doubtless prove a paying one.  
**LORNEVILLE.**  
PERSONAL.—Mr. Elmo McCordogdale and his brother Aason have returned from Detroit on a visit to their grandmother, Mrs. Morrison. Elmo left here a little over a year ago to take a situation in Detroit. His many friends are glad to see him back again. Mr. J. A. Jackson is at present in Toronto at the invitation of a Disappointment—Li Hung Chang's train was expected to pass through here on its way to the Pacific coast, but, through a change in the arrangements, it was by all odds, quite a number of people came from Woodville and other places in hopes of catching a glimpse of the great Chinese statesman, but went away disappointed.  
**LITTLE BRITAIN.**  
PERSONAL.—Mr. and Mrs. Lane, of St. Mary's, have been visiting at Mr. Dames'. Dr. Blawitt, of Chicago, who has been stopping a few days at his father's, returned home on Friday, being accompanied by his mother as far as Hamilton. Dr. and Mrs. Broad, of New York, are guests at his father's, Mr. James Broad, spending a few weeks at his old home, returned on Friday last, accompanied by Miss Ada Broad. Dr. and Mrs. Broadman returned on Friday last from their Toronto friends. Miss Maude Stratton left on Friday last for Burlington City, Iowa, to spend the winter with her sister. Mrs. M. J. O'Brien, who has been an extended visit, returned on Wednesday.  
ACCIDENT.—Mr. William Hoover had his arm broken by a fall from his horse last week. He is doing nicely.  
VISITORS AT THE FAIR.—Mr. and Mrs. E. Yerec, Mrs. R. Henderson, Mr. J. Rob Mark, Miss L. Wallace, Mr. Brown, Mr. and Mrs. Culbert, Mr. Jenkins, Mr. W. Rogers, Mrs. S. Rogers, Mr. A. R. Deive, and many others.  
EXERCISES.—A very excellent programme, consisting of a debate, singing, and recitations, was rendered in the Methodist church last week under the auspices of the Epworth League. Cake and sandwiches and coffee were served in abundance. Thanks were tendered the league by their numerous guests for the excellent treat.  
CHURCH NOTES.—In accordance with a promised announcement, Rev. Stratton gave his sermon on Sabbath evening on the subject, "The leading question of the day," and though the weather was unpropitious, a large attendance was on hand and greatly enjoyed the discourse. His series of sermons on the "Intermediate state of the dead" are announced to begin next Sabbath morning, and are looked forward to with interest.  
RECOVERY.—Mrs. Wm. Cornish, who has been ill for some weeks, is still unable to sit up.  
CARD.—Miss Stratton takes pleasure in announcing to the friends of music in Little Britain and surrounding country that she is now prepared to give lessons in instrumental music, and would solicit a liberal patronage. Being a graduate of Albert college, and having had years of experience as a teacher, she is confident

that good satisfaction will be given to beginners or those more advanced. Call and see her at the McIntosh parlour.  
**POWELL'S CORNER—FENELON.**  
THOU SHALT NOT STEAL.—Susak thieves have been operating between here and Fenelon Falls. Mr. R. Hadwin had about \$5 worth of butter and preserves stolen from his cellar, and others have been losers.  
PERSONAL.—Mrs. E. Wagar spent a few days in Lindsay with friends. Mr. H. Bowles, of the township of Tioy, spent a few days with his uncle, Mr. Oliver Glasbeil.  
UNREASONABLE.—If a pupil tries an examination and fails by reason of incompetency, the teacher should not get the blame of it.  
ON THE SICK LIST.—Mr. John Day, second son of Mr. N. Day, has been sick for over a week. We did not learn what the ailment is. Dr. A. Wilson, of Fenelon Falls, is attending our friend Mr. Day, and we expect to soon see him around again.  
PRAYER MEETINGS.—The prayer meetings every Wednesday evening are very well attended, under the charge of the Rev. W. B. Tucker, Methodist minister.  
HARVEST HOME FESTIVAL.—A harvest home festival will take place here on the 14th. Addresses by the pastor on the 13th at 8:30 and in the evening at 7:30. Others from a distance will give addresses after the tea. Tickets, 25c, children half price. Proceeds in aid of the church fund.  
A GOOD PAY.—This Post is acknowledged to be the best local journal for the family. Subscribe for it now, and don't borrow from your neighbors.  
**OMAHA.**  
TO TORONTO.—There has been a great exodus to the Industrial fair, Toronto. The largest crowd went last Monday, the object being to see Mr. J. Kellow Jackson. This crowd has become so prominent that a tramp painter who has struck the town has all he can do painting yellow signs on the merchants' windows. D. W. Simpson, of the live stock establishment, was the first to catch on to the all-permeating color.  
EMILY FAIR.—The Emily agricultural show will be held on the 28th and 29th inst. This show is always well patronized, and last year the receipts to the corporation treasury from rowdy farmers were at least worth \$100. Come along again, you're always welcome so long as you have the gold or silver to satisfy the dignity of an offended corporation.  
GRAIN.—There is more or less grain being marketed, but as there is a monopoly of the storehouses prices are kept below either Lindsay or Peterboro markets. The result is that farmers are hauling their grain to Peterboro, which is always a better market than Lindsay.  
EDUCATIONAL.—Our schools are getting under way and the attendance in both departments is unusually large. Messrs. Hunt and Moran have charge of the high school, and Mr. Couch, assisted by Misses Jennie Evans and McQuade, of the public school department.  
SUNDAY SCHOOL.—Rev. Newton Hill has secured the services of Rev. Mr. Henderson, of Toronto, to preach missionary sermons here on Sunday, 20th inst.  
DUCKS.—There were a large number of ducks hunted down the river on the 1st inst. There were lots of ducks, but they were very wild, having evidently smelled smoke and fire before. It is said that the restrictions on shooting before the 1st inst. are a dead letter in the north country.  
PERSONAL.—Mrs. Higinbotham, of Brantford, was the guest of Mrs. Curry this week. Ed. Blackwell, V. S., of Glencoe, is visiting his brother-in-law, Wm. Bradburn. Andrew O'Leary, of Chicago, but formerly of Downsville, was calling on his friends here this week. Richard Grandy's daughter, Mrs. J. L. Grandy, wife of Chicago, has opened

a fashionable tailoring establishment. There is no doubt but he will make it a success.  
VOLUNTEERS.—Company C, No. 5 will commence drilling this evening, Wednesday. It is expected that they will go into camp at Kingston on the 15th inst.  
ACCIDENT.—J. T. Parsons, merchant, met with a very severe accident while unloading some stoves. He had to be carried home on a stretcher, but under the care of Dr. Thompson he is getting on as fast as can be expected.  
**MANILLA.**  
WEDDING BELLS.—At Woodland View farm, near Manilla, on Wednesday, Sept. 9th, Miss Minnie Barry, eldest daughter of Mr. and Mrs. Richard Barry, was united in the holy bonds of matrimony with Mr. John R. Sanley, of Sonya, Miss Beatrice Barry, sister of the bride, performed the duties of bridesmaid, while Mr. William Barry, brother of the groom, acted as best man. The bride looked charming in cream tulle, with lace and pearl trimmings, and the bridesmaid wore a most becoming gown of the same material, with a arch of white floral horsehoes of white flowers. Over 100 friends and relatives were present, and the scene was a very gay and animated one. Among the guests were Mr. W. H. Stevens, Mr. and Mrs. Joseph Rickaby, Miss Rickaby, and Mrs. Wm. White, of Lindsay. After the ceremony and the usual congratulations were said, a bounteous repast, the tables fairly groaning under the weight of seasonal delicacies. The large number of useful and valuable presents sent to the bride and groom, and the popularity with a very large circle of friends, if such evidence were needed. The happy couple took the evening train to Toronto on their honeymoon trip, and will return to the station by the next train, bringing with them a large number of friends filling fifteen carriages. May they be happy.  
**FLEETWOOD.**  
THE HARVEST HOME FESTIVAL is all housed or stacked. Peas in general are a poor crop, also late corn. There will be very few potatoes for export this year. Spring wheat is good, also fall wheat. There will be no scarcity of straw this year.  
HOME AGAIN.—Mr. John Cairns and wife, with Mrs. Joseph Hadden and her son, have returned from the old world on their return trip. They all look much improved by their journey. Mr. Cairns says times are as good in Ireland as they are here.  
BALLAST TRAIN.—The ballast train is in full blast at Reid's crossing, hauling train loads over the different sections. They supply 40 or 50 cars to the cars. The G.T.R. has acted wisely by employing home men instead of Italians.  
GONE NORTH.—Messrs. Richard Kells and Charles Morrow, both of this place, have gone to the lumber camps to spend the winter. We wish them luck upon their trip.  
THRASHING.—Messrs. James Windrum and Murphy are doing a big season's thrashing;—very few barns stand them a day.  
ESLILAGE.—Mr. T. K. Brown is busy cutting his ensilage corn. He has thirty acres of ensilage corn, five of sunflowers, and two of horse beans. He expects to fill two silos.  
QUERY.—Are the managers of the Lindsay Central going to expend the sum of \$300 for a reception to the governor-general and suite this year?  
PERSONAL.—Wm. Johnston, wife and family, of Fenelon Falls, paid this part a visit last week. Mr. Johnston doesn't seem to have grown any bigger since he left here about 20 years ago.  
BIRTH.—Joy and gladness in the house of Richard Grandy's daughter, Mrs. J. L. Grandy, wife of Chicago, and Mr. Jas.

Sears, of Franklin, have been under the weather of late.  
BACK AGAIN.—Mr. George Werry is spending his holidays with friends in this part. City life seems to agree with him.  
**PENIEL—MARIPOSA.**  
PERSONAL.—Miss M. Hoekin, one of Toronto's estimable young ladies, who has been spending her holidays with friends here, returned home on Monday last. Miss G. G. B. Bartie, of this place, is in the city. Mr. R. J. Squires, of Toronto, was here last week renewing old acquaintances. Mr. A. B. Carmichael spent Wednesday and Thursday last in Toronto. Miss A. Kennedy, of Bobaygon, is at present the guest of Mrs. John Sutherland.
