IN THE WATER AN HOUR.

Mr. J. R. Stratton, M. P. P., and Mr. Claude Macdonnel Capsized in Stoney

Peterboro Review, Thursday: Mr. J. R. Stratton, M. P. P., and Mr. Claude Macdonnel, barrister, Toronto, had an experience yesterday which they will not forget for some time to come. Mr. Macdonnel, who is at present at Mr. Stratton's cottage, Stony lake, was out trolling with West Peterboro's member. The lake was rather boisterous, but not sufficient to cause any anxiety until a lunge took a Iron and Steel. grip on the line, and while it was being pulled in it made a dart under the boat and the sudden move capsized the canoe, and the occupants were soon struggling in the water. They battled away for nearly an hour before they were rescued. Had both Mr. Stratton and Mr. Macdonnel not been excellent swimmers the tale might have been different. It might be mentioned that the lunge was not landed.

> The Late John S. Cruess. Following we give the resolution of condolence passed at last week's meeting of the Lindsay cheese board as a mark of respect to the memory of the late John S.

Moved by Mr. Jas. Whitton, seconded by Mr. John Graham, that this board desire to give expression to the deep loss they feel they have sustained in the removal by death of their esteemed vice-president, John S Cruess, connected as he has been with the cheese industry of this county, being part owner of the first factory erected within its bounds, and holding the position of salesman during all the period, being honored with the position of vice president of the Peterboro board prior to the formation of the Victor a board. Having a strong faith in our own resources, he took a leading part in the formation of the Victoria board and loyally stood by it throughout, and we felt honored to have him occupy the position of vice-president. While we regret his removal we cannot but rejoice at the record he leaves behind him, "Honest John Cruess," as he was oftentimes spoken of by familiar friends, had lived the allotted three score years and ten, with six months additional, and passed from time to eternity leaving behind him a name which will be long remembered with the deepest respect. The footprints he has left on the sands of time point straight forward, his journey through life being marked by sterling integrity, with probity of character which might be envied and emulated with profit by every-

That a copy of this resolution be signed by the president and secretary of this board, and forwarded to the relatives of our deceased vice-president.

Died in Florida. We take the following from the Catholic Record :- It is our painful duty to record the death of Mrs. D. G. Donoghue, in the fortieth year of her age, at San Antonio,

Florida, on Jul 28th. When the sad news reached the friends of the deceased in the parishes of Lindsay, Emily and Belleville, many were the expressions of regret at her sudden demise, and of heartfelt sympathy for the loss sustained by her devoted husf band and dear young family, now bereft o. a loving wife and fond mother. The deceased was a daughter of the late Daniel division. Scully, of Emily, and a niece of Father Mackey, of Belleville. After taking the common school course she attended the convent at Peterborough for some time, and in Cresswell. 1882 was married to Mr. D. G. Donogue, a respectable young farmer of Emily township. From the marriage were born seven children, the eldest of whom is thirteen. Mr. Donoghue having been troubled with rheumatism for several years, decided to quit farming a few years ago, and thinking that a warmer climate would be more con-
