Resolutions Passed at the Trades Congress.

to the Delegates at Birmingham Declared -Congo Natives Making Trouble for Themselves - Terrible Explosion of Dynamite Near Johannesburg. South Africa.

Birmingham, England, Sept. 10.-The Unides Union Congress to-day passed a esolution instructing the Parliamentary Committee to collect and distribute a special fund to assist the striking en-

Later the congress suspended "standing orders," in order to discuss a resolation on "National Federation," introduced by the National Plate Glass Bevelers' Trade Union. It read: This congress is of opinion that nothing short of untional federation of all trades and industries will relieve the workers in their present unsatisfactory condition, and instructs the Parliamentary Committee to issue a circular, based on this egacized workers throughout Great

with enthusiasm, on the urgings of one speaker, who claimed that if a single calon was not strong enough to defeat capital, the time had come to form such Delegates Chosen.

Later in the day the congress appointed E. Harford a delegate of the Amaltamated Railway Servants' Union, and Havelock Wilson, M.P., delegate of the National Sailors' and Firemen's Unon, as delegates to the convention of the American Federation of Labor.

ATTACKED THE BRITISH.

The Mutinous Troops on the Congo are Making Trouble for Tlemselves.

Brussels, Sept. 10.-Later mail advices from the Congo show that the revolt in the Buddu territory is connected with te mutinous Congolese troops in the sibi district, who are said to have alled 50 Belgian officers and men, to have destroyed all the forts and to be An army, commanded by Mugwania, ugwania, yesterday attacked 'he The Congolese mutineers in the district have eight Maxim guns large supply of breech-loading

THIRTY MEN KILLED.

Explosion of Dynamite Caused Terrible Havor Near Johannesburg. Johann shurg, Sept. 10.-An explosion of dynamite has taken place in the magazine of the George Goch Doep Level Mine, causing terrible havoc. Fire white men and 25 Kaffirs are known to have been killed-Financial Situation Critical.

pe Town, Sept. 10 .- The financial on at Johannesburg is critical, and local authorities are urging the Govent to adopt prompt measures of One of the leading German firms as resolved to suspend all developments. The Government of the Transvaal has assented to receive a commercial depuwhich will set forth the situation

Airidis are Concentrating. Simia, Sept. 10.—It is reported that the Afridis are collecting in the Bazan The Afridis were seen by Colonel lardson's flying column returning from the Khyber Pass with 150 dead. They left 300 dead behind them. The leakhel and Burakhel tribes have innot oppose the British advance.

Thirty Lives Lost-Dunkirk, Sept. 10 .- The fishing fleet returned here to-day from Iceland and reported that out of 98 boats six foundered during the season, resulting in the drowning of 30 men and boys.

Great Excitement at Madrid. Madrid, Sept. 10 .- The news received here of capture by the Cuban insurgents. of the town of Victoria de Las Tunas, Province of Santiago de Cuba, has caused great excitement here. The Cabinet Ministers have been summoned to meet this evening in order to consider

The Imparcial says that General Jovellar was removed from his comnand for a similar disaster in 1876. It is pointed out that the strategical position of Victoria de Las Tunas is anportant, and the Government has deided to act vigorously and to immedintely send further reinforcements to Cuba if necessary.

Will Hasten the Reforms. Madrid, Sept. 10 .- The Minister for he Colonies, Senor Castellano, has decided to hasten the application of the Cuban reforms. The law providing for the election of the Commission for Cuban Administration will shortly appear. The municipal elections have been fixed for Oct. 10, the application of the provincial law will follow and, finally, the application of the necessary laws and regulations for the Council of Administration, which will commence work on March 1, when the reforms are generally applied, will be next in order.

Prince George at Glasgow. Glasgow, Scotland, Sept. 10. - The Duke and Duchess of York this morning received the civic authorities and opened the new Princess dock. The city was profusely decorated in honor of the visit of their Royal Highnesses.

Britain and Mexico. London, Sept. 10. - The text of the treaty concluded between Great Britain and Mexico regarding the boundary of Mexico and British Honduras was issued this morning.

A Gambler's Suicide. Brussels, Sept. 10 .- A foreigner, who said to be Baron Max von Schrader, a lieutenant in the German army, who has been at Ostend during the entire season, committed suicide yesterday evening. The deceased is said to have lost £80,000 in gambling. DELIVERIES OF WHEAT.

One Million Bushels Already Marketed in Manitoba-Prices 80 to 83 Cents -Winnipeg Notes.

Winnipeg, Sept. 12.-(Special.)- The total deliveries of wheat at country points will aggregate for the last week 1,000,000 bushels. Yesterday's deliveries along the C.P.R. amounted to 250,-000 bushels, of which 10,000 were delivered at Griswold alone. Eighty to eighty-three cents was paid.

Up to last night over four times as much grain was marketed in the province as ever before in the same period. Threshers' returns indicate that the crop will be fully up to the Government estimate of 17,000,000 bushels. Mrs. James Ashdown, wife of Winnipeg's millionaire hardware merchant, was thrown from her wheel on Saturday and run over by a heavy wagon, sustaining a very severe fracture of the Col. F. Bailey, lecturer on forestry in

the University of Edinburgh, speaking of British Columbia forests, says: "I was exceedingly sorry to observe great derest of the accused woman. devastation by fire. It would be a wise provision on the part of the Government forest fire. The C.P.R. will establish a line of

steamers to carry on the Yukon trade. The mistress of a Winnipeg young man, prominent in sporting circles, died at St. Boniface Hospital Friday under suspicious circumstances. She had been perfectly well three days before. A post mortem examination will be held.

The Most Disastrous Railway Wreck That Ever Happened in the State

of Colorado. Denver, Col., Sept. 10 .- A head end collision occurred at 1 o'cleck this morning a mile west of Newcastle, Col., be tween a Denver and Rio Grande passenger train and a freight of the Colorado | course of the proceedings. I have not ascertained the quanagainst Mrs. Olive Adelia Sternaman tity; I have reserved them. There was of murdering her husband, George H. Sternaman, in August of last year, by as related by Dr. Harrison and Dr. the administering of arsenic poison, and when the proceedings re-opened this morning the portion of the Court House arsenic to enter the stomach and ligagiven over to the accommodation of the general public was fairly well filled, though by no means crowded. At least half the audience were ladies, including many of the leaders of Cayuga society, got into the stomach by absorption. Asand they followed the evidence attensuming that this arsenic was adminis-tered before death, I think it was giren tively throughout the session. The weather is intensely hot, and Cayuga Court House is not the one spot it would give all the results I found if | dead. the embalming fluid had contained ar-

on earth that one would select to cool off in the presence of so many spectators, under such adverse conditions; therefore, it is an Indication of the interest the village is taking in the case. The coolest person in the sweltering crowd, both mentally and physically, during the first two hours of the morning's session, apparently, was the prisoner herself. With marvelous self-possession she sat through the tedious hours, never once showing signs of fatigue, and giving little indication of special concern in the testimony being offered. A few minutes before adjournment, late George H. Sternaman for \$1000. A Sudden Breakdown.

Was Found by Br. Ellis in His Analysis-

however, a sudden change became apparent without any previous warning. She gave a little start and shuddering, burst into tears, at the same time burying her face in the black-bordered handkerchief which she had carried in her for \$770, and \$200 in the Carpenters' hands throughout the morning. The fit of weeping was unaccountable just at that moment as no special point of interest or importance, nothing particular- felt the need of sufficient insurance when ly harrowing or pathetic, was being her first husband, Chipman, had died, elicited. Neither did it last long. Five and did not intend to be left in the minutes later she dried her eyes again remaining indication of the passing wave J. Dewe of Buffalo. There is a law of and sat motionless as before, the only of feeling being the reddening of the registering for persons buying arsenic lids and moistened lash. The evidence of the morning session developed no new points, though the testimony of Dr. Harrison entirely corroborated that given previously by Dr. Park, that death was due to arsenical poisoning, and to that extent developed and strengthened the Crown's case. The presiding magistrate, as on the

previous occasion, was Mr. Adam Davis, J.P., and Crown Attorney C. W. Colter conducted the examination of the vitnesses. Detective Inspector Murray and Inspector Roberts of the Metropolitan Life Insurance Co. were also on hand. Mr. William Cowan appeared in the in-Alfred Cox, a brakeman on the G.T.R., was the first witness called. He deposed that he remembered bringing and protect them from the ravages of George H. Sternaman from Canfield Junction to Cayuga on his train one day in August, 1896. He believed the prisoner was the lady who was with him. Deceased was lying on a cot and perfectly helpless; witness assisted in getting him on and off the baggage car. The Boctor's Testlmony.

Dr. T. T. S. Harrison of Selkirk swore that he was called Aug. 15 last year to Widow Sternaman's house in Rainham Centre, where declased was. Witness examined the s.ck man and noted the exceedingly dark hue of his skin though the eyes were bright and the general appearance of the face would not indicate anything much wrong. The pulse was small and the tongue coated. From the pat ent and prisoner, who was present during the entire visit, witness learned the history of the case as it has been so often given in the Sternaman had been ili n'ne weeks. He had not been able to take any nourishhard to obtain. It is known that A. ment for the first four weeks of that then, with the result that he could retain food and m.d.cine on his stomach, and when witness first saw him he was tion of the patient and stated the moved to London fair. Saturday morned the reasons he had for s riking these avenue and Bathurst-street. After all one by one off the list till only arsenical of the animals had been loaded up, Ord-The following are injured: Pearl Cor- poisoning remained. Next day witness held a consultation with Dr. Park and they agreed that the trouble was arsenica! poisoning. Witness told the pri oner claimed the prisoner, "you don't think that he is going to die? The doctor in Buffalo said he would get better." This was the last time witness saw him alive. On Wednesday, Aug. 19, witness assisted in the postmortem and at that time no trace of arsenic was found. Witness, however, was not satisfied with the test, as it was hastily made. The body was buried, but some five or six weeks after it was exhumed and another examination made, which resulted in the finding of poison. Witness was satisfied that the body had not been tampered with between the two examinations. It was just as they had left it. From the indication witness believed the poison had been administered a short time before death. Just how long he could

Suspicious From the First. To Mr. German witness said he suspected arsenical poisoning from the first and he believed the poison had been present in such large quantities that it must have been administered feloniously, but, after consultation with Dr. Park, they concluded that the patient was not then taking the poison and for that reason they said nothing about it at that time. This startling admission from Dr. Harrison was the sensational incident of The examination was resumed at o'clock, with Avery C. Sternaman, bro-
