LOCAL NEWS-LETTERS.

FENELON FALLS.

(Correspondence of This Post.)
FAIR.—The Fenelon Agricultural Society's fall show will be held on Sept. 20th and Oct. 1st.

MANILLA.

(Correspondence of This Post.)
OBIT.—Miss Belle McLellan, youngest daughter of Mr. John McLellan, of Manilla, was taken suddenly ill on Saturday, 4th inst., and though medical aid was secured she succumbed on Thursday, at 1 a.m., of acute inflammation. Everything was done to relieve her. A consultation was held. Her sudden removal has made a deep impression on the neighborhood. Belle was a general favorite, beloved by all. She joined the church during the great revival at the Baptist church, Manilla, led by Messrs. Moore and White about four years ago. The shock of her sudden removal has awakened deep and widespread sympathy. An unusually large number attended the funeral. The services at the house and at the grave were conducted by Rev. A. H. Brace, assisted by Rev. Mr. McLean, of St. Master university.
(From another correspondent.)
DEPARTURE.—Mr. R. J. Best, of this place, left on Tuesday last for the North-west with the intention of locating there he finds the country suits him.

NOTES.—A number of our people went to Toronto to see the fair. Mr. R. J. Edwards, one of our noted horsemen, sent five of his horses to the Industrial under the management of Messrs. Asaph and Ernest Edwards.
SICK.—Mrs. Harper and Mrs. R. Mellon do not seem to improve very fast, but we are looking forward to the time when we will see them around again.
PERSONAL.—Mr. J. Weber, of Buffalo, N. Y., is visiting her parents, Mr. and Mrs. King. Miss Maggie McNabb, of Toronto, is the guest of Miss E. King. Miss Birta Cramp, of Fenelon Falls, is spending a few days with Mrs. M. Queen. Mr. D. Thompson, of Tredford, spent Sunday with Mr. D. King. The Misses Hallett of Blackwater, were the guests of Miss L. McDonald last Sunday.
CHORUS.—We are glad to notice the Manilla chorus are still in demand for their fine singing and music, which gives them a number of invitations to different places.

GELEET.

(Correspondence of This Post.)
PERSONAL.—Miss J. Donnelly left for Toronto last Wednesday, where she has secured a position. Mrs. J. Connor, Mr. and Mrs. Dawson, Mr. V. E. Ritchie, Mr. A. H. Brandon and Miss B. Keers have all returned home from the exhibition in Toronto. Miss May Bowley left for Lindsay on Saturday to take up her old position. Miss Maggie Bowley dress-maker of Geleet left for Minden last Monday to take up her work there.
NOTES.—The Thompson brothers passed through to Lindsay Monday to await their trial. A great number of our neighbors went cranberrying last Thursday and spent a very pleasant day, not returning home till late in the evening. They seem to be very plentiful, as the crowd got several pairs. The Baptist minister of Ingoldby preached a very interesting sermon at the Dutch Line church last Sunday.

POWLES' CORNER—FENELON.

(Correspondence of This Post.)
DIPHTHERIA.—We regret to report this week that diphtheria has again broken out and has seized its victim our esteemed friend, Mr. G. Bowles, principal of our school. Although the attack is a mild one, he is compelled to rest from his labors for a couple of weeks, and perhaps longer. His parents in the township of Tivy will be glad to learn that he is doing well under the skillful treatment of Dr. A. Wilson, of Fenelon Falls. Last spring the school here was closed for two weeks to prevent the spread of the disease. The medical health officer, Dr. R. J. of Cambridge, has recently placarded the schoolhouse, as Mr. Bowles taught a day and a half after feeling unwell. The school will be closed for two weeks, and probably longer, and the schoolrooms will be cleaned and disinfected.
HARVESTING is at an end with several farmers and they are now getting the ground ready for fall wheat, at the same time rejoycing over the big harvest and the bright prospects under a liberal government.

IRONDALE.

(Correspondence of This Post.)
EXHIBITION.—Several of the folks of this village visited the Toronto exhibition; some returning Saturday and others on Monday. Peter Bar and his daughter, Miss Jessie, returned home on Saturday after spending a week. Mrs. A. Graham returned Monday, she also spent a week there. Mrs. Hallett returned Saturday from Toronto.
LOOKING BESS.—By all accounts there was a very pleasant time at W. A. Curry's on the eve of Sept. 7th. They had a logging bee during the day and a party at night. There was another party on the 13th of this month at W. T. Peacock's. They having a bee during the day, and a party that night where they enjoyed themselves till the wee sma' hours of the morn. Parties are flourishing in this neighborhood.
EVANGELISTS.—The evangelists are still holding services at Irondale, occupying the Union church. They intend continuing their meeting as long as they have a good attendance.
BICYCLES.—This is a very sandy country for bicycles, nevertheless some of our neighbors are going to try them in spite of the sand.

CANNISGTON.

(Correspondence of This Post.)
PRESENTATION.—At a very representative gathering in the English church schoolhouse Monday evening a handsome time piece was presented to the retiring pastor, who is removing to Toronto. Rev. Mr. R. X has done good work and has a warm place in many hearts besides the members of his own church.
NOTES.—Our local grain buyers are moving lively and a good business is doing. Quite a flutter this week at the police court. Trial of small boys for stealing plans. Will have a hearty effect and be a gentle caution.

GREENBANK.

(Correspondence of This Post.)
NOTES.—A large number from this neighborhood attended the Toronto exhibition. Mr. Jas. Leak showed his fine herd of cattle and Toronto fair. He will take in one or two other fairs before he returns home. We hope he may be as successful in winning prizes at the other fairs as he was at Toronto.
SPECIAL SERVICES are being held every night in the Son of Temperance hall in connection with the Baptist church.
ANNIVERSARY.—The Sons of Temperance services here is to be celebrated by a Sunday service on September 20th, and a grand concert on Friday, September 30th. On Sunday evening the services will be held in the Methodist church and will be conducted by the Rev. D. N. McCanus. An excellent entertainment is being prepared for the 30th, and every effort is being made to make this gathering more successful than any of the preceding ones. The captains for the sides in the contest for the coming quarter in the S. of T. are Sisters D. Ward and L. Salter on one side and G. Miller and B. Dobson to oppose them. A good lively contest is expected.

NORLAND.

(Correspondence of This Post.)
ANNIVERSARY.—The harvest home anniversary services of Norland Methodist church will be held (D.V.) on Sunday and Monday next, Sept. 19th and 20th. The Rev. T. P. Steele, of Fenelon Falls, will preach twice on Sunday—at 2.30 and 6.30 p.m.—and will deliver a lecture on Monday evening at 8 o'clock. At the Sabbath special music will be furnished by the choir. Admission, 10c. The public are earnestly invited to enjoy these services.
E. L. of C. E.—The Epworth League of Christian Endeavor will hold their Local Union at Argus's on Sept. 27th. An interesting program is being prepared.
SOCIAL.—The picnic given by the S. A. in their barracks here was well attended, the proceeds amounting to \$200. Adjutant Scott, of Lindsay, and Capt. and Mrs. McClelland, of Fenelon Falls, and others assisted in the program.
NOTES.—Although not the season for trapping, we understand a few of our worthy (h) citizens set a trap for a neighbor. They sent a well-dressed gentleman to attend to it, when lo! the trap was sprung, but there was nothing in it. We extend sympathy.

VISITORS TO THE FAIR

Wearables of every Dependable Kind for Men, Boys and Youths.

The opening of our new store on cor. Kent and William-sts., marks a new era in the clothing of young people. The young folks are deserving of more attention than the average clothier bestows upon them. "Anything is good enough for the boys," thinks the buyer of goods for fifty departments. Cloth your boy as you'd be clothed—sensibly. Fancy touches but good sound, common sense clothing to begin with. Boys' and Youths' Clothing has never been given the care and attention in material and make as we are giving it now. Foreign factories famous for excellence in material and finish in Boys' Clothing have supplied us with the best they could produce. Now we have congregated under one roof a stock which is the most exclusive in pattern and style and the most excellent in material, make and finish. We'll try and give you a slight idea of the quality and style of stock we are carrying.

Youths' single and double breasted SAOQUE Suits, made in the latest styles for Fall and Winter, in all the leading materials, including Vicannas, Cheviots, Serges, Tweeds, Venetians, etc.
Youths' FALL OVERCOATS, made in latest style and perfect fit of such long wearing stuffs as Melton, Venetian, Serges, etc.
Boys' three piece KNICKERBOCKER SUITS, single and double breasted, in Navy and Black Serges, Cheviots, Venetians, Mixed Tweeds, etc.
Boys' EATON and TUXEDO SUITS, satin and silk lined, unequalled in style and finish; the latest out for boys.
Boys' two piece SUITS, in all the leading styles, Norfolk, Salisbury, Emperor, Klondike, Campania, etc., in all the handsomest and best Tweeds, Serges, Cheviots, etc.

A very large range of MAN O' WAR AND SAILOR SUITS, manufactured in England and imported by ourselves. They are made up in the latest styles in All-Wool Navy Serges and Tweed Effects.
CHILDREN'S SAILOR DRESSES, pretty in style, serviceable in material.
BOYS' REEFER JACKETS in many styles and materials.
BOYS' FALL AND WINTER OVERCOATS, in styles that look well and materials that wear well and keep the cold out.

We wish every mother who takes pride in the appearance of her boys, to call in and see this stock. We don't think anything like it was ever shown to Lindsay buyers before. We are so proud of the appearance of the store and the excellence of the stock that we wish to show both to everybody—and we won't ask you to buy, we leave that to your own judgment. You'll be astonished how low we have made the prices.
