LOCAL NEWS-LETTERS

PENIEL.

(Correspondence to The Post.) APOLOGY.-Re the matter of the report of my bicycle being stolen from the sheds of Peniel church on Sunday, the 7th day of August, it was a deliberate false report given out by me, as I fully and thoroughly agreed, the Saturday evening previous, (being the 6th of August), to allow the boys said to have taken my wheel to have it on the Sunday above mentioned, and I knew positively when I came out of the church who had my wheel, as the boys who were borrowing it for the day were to get it at the church on the said Sunday morning; consequently I hereby retract all the infernally false reports I caused to be circulated about such ultra nonsense as my wheel being stolen, when I knew I had lent it for the day.-Signed, JAMES McLEAN, Witness, A. B. Carmichael.

COBOCONK.

(Correspondence to The Post.) We understand there is something extra on the cards for the Lindsay Central this year in the line of spending in the ring. The improved track is dandy-I saw it last Sunday-and there should be fast work. Other departments of the fair will also show improvements. Remember the dates-Sept. 22-24. On Friday night the infant son of Mr. and Mrs. A. B. Carl died, aged three months, and was buried on Sunday.

DUNSFORD.

(Correspondence to The Post.) Those who attended the Toronto exhibition say it was not worth the crushing and crowding they had to endure. Give me the Lindsay Central for comfort and a pleasant gathering of old friends-a kind of county reunion once a year. Always lots of amusement, too, in the way of spending in the ring, acrobatic performances, wire walking etc. Sept. 22nd, 23rd and 24th are the dates.

The Australian Medicine Co's representative, Prof. Edmunds, entertained the people of Dunsford with a light-of-hand performance, singing and selling their medicines. During the exhibition prizes were offered and votes taken for the laziest man, Mr. F. Howard securing the highest votes; the laziest baby, 1st Mrs. J. A. Bell's, 2nd Mrs. Jas. Thurston's; the most popular lady, 1st Miss Lillie Kennedy; 2nd Miss Kennedy; the handsomest girl, Miss Mary Bellford. The Co. sold lots of medicine and created a good deal of merriment. A meeting in favor of prohibition will be held in Dunsford on Monday next, 19th inst. Addresses will be delivered by Revs. Messrs. Macmillan and Macfarlane, of Lindsay, and Revs.

Messrs. Kenny and Innes, of Dunsford. No charge, opposition invited. St. John's church will hold their annual harvest home festival on Tuesday, 20th inst. Capt. Kennedy has promised a good program.

BALSOVER. Special Correspondence to The Post. "Bigger and better than ever" is the word regarding the Lindsay Central to be held on Sept. 22nd, 23rd and 24th. We are all going to see the fair, the horse speeding on the improved track, and our friends from all parts of the country.

LITTLE BRITAIN. A number from this section will exhibit this year at the Lindsay Central on Sept. 22nd, 23rd and 24th. Our people will turn out in large numbers. It is far and away the best fair held in the Midland district, and the attendance proves it.

GLENARM. (Correspondence to The Post.) In conversation with Secretary Jas. Keith of the Lindsay Central, last Saturday, he said the entries were piled up in a terrific rate. The fine harvest will help to increase the showing in all kinds of grains and roots. Victoria county's big fair is always well worth attending, and is growing in popularity every year, thanks to the excellent management. We will send a large delegation from this part on Friday, Sept. 23rd, the big day of the fair.

GELERT. (Correspondence to The Post.) A number from this section will exhibit this year at the Lindsay Central on Sept. 22nd, 23rd and 24th. Our people will turn out in large numbers. It is far and away the best fair held in the Midland district, and the attendance proves it.

DOWNEVILLE. (Correspondence to The Post.) We are all very sorry to hear of Mr. Pat Harrington's illness, but we hope it will not be long till he will be able to be around again.

ROVER. (Correspondence to The Post.) Visitors have returned from the Toronto exhibition. The majority of the people are, however, waiting for the Lindsay Central.

BLAIRHAMPTON. (Correspondence to The Post.) On Tuesday, Sept. 13th, 3 p.m., at the residence of the bride's parents, Miss Maggie Robertson, daughter of John Robertson, was married to W. G. son of Wm. Archer, both parties being residents of Allsaw.

CHARLES VEITCH. (Correspondence to The Post.) On Tuesday, Sept. 13th, 3 p.m., at the residence of the bride's parents, Miss Maggie Robertson, daughter of John Robertson, was married to W. G. son of Wm. Archer, both parties being residents of Allsaw.

WITCHER HOUSE, Lindsay. CHARLES VEITCH late of Rochester, N. Y., formerly of his old home, now called the Queen's, is now Proprietor of the New Hotel Two Doors West of Post Office.

With him to spend a few days at home. She intends returning on Tuesday, 13th. The showers and cool weather seems quite refreshing, and the insupportable heat of the first few days of September.

MARIPOSA. Council Proceedings.-The council met at Oakwood on Monday, 12th Sept., members all present. The minutes of the last meeting were read and confirmed. Moved by Mr. Rich, seconded by Mr. Stacey, that Peter Brown be appointed collector of taxes for the north half of the township of Mariposa for the year 1898 at a salary of \$50, and Thomas H. Morton be appointed collector for south half of township for the year 1898 at a salary of \$50, and that a by-law be prepared confirming the appointments.-Carried. Moved by Mr. Stacey, seconded by Mr. McKinnon, that the collectors be instructed to collect all taxes for the township of Mariposa on or before the tenth day of December, 1898, and that this resolution be carried. COLDWATER. (Correspondence to The Post.) The weather keeps as variable here as we suppose it is in most of the places in this district. Last week we had the great of frosty nights, which came rather unwelcome after being in the nineties the week previous. The frost, however, has done little harm so far, not even cutting the flowers in the gardens down. We now look for a few weeks more of dry, warm temperature.

Mr. Geo. Miller, our grocery merchant, last week was on Saturday afternoon last. The errand boy took some goods to deliver at Mr. Thos. Lovering's house alongside the river, and whilst taking the goods in he left the horse and rig close by the water, into which the animal went to get a drink, as it is supposed, and the weight of the vehicle pushing it forward, the poor thing got beyond its depth and was dead before she could be got out. For a young beginner it is a hard loss, the animal being well worth \$120.

Mr. D. C. Sinclair's residence is now in the painter's hands, so it will be completed and ready for occupation in a couple of weeks. It is fine in design and very commodious. Several other new buildings are fast being completed, and their owners - Messrs. Borland, Brush, Robinson, England, etc., will enter into possession of the same this month.

Business has been very quiet the past few days, many people being absent at the exhibition. We shall now all settle down to good steady work, it is to be hoped.

Our Planet weekly newspaper has greatly improved since it has been in the hands of Mr. Chester, who is a very suitable person to run a good newspaper. He informs us that job printing is lively at present.

The contract for building the Presbyterian church, designed by Mr. Croker, of Orillia, has been given to Mr. J. R. Eaton, of that town, for \$2,115. The design is handsome and neat, and we have no doubt the contractor's work will be satisfactory, judging by the work that has been done here by Mr. Eaton in the past.

We are sadly in want of a village band which is decidedly necessary for the public shows and entertainments. What our fair on the 6th and 7th of Oct. will do for the one we cannot see. To bring a band from an outside town is the only resource.

Our village is particularly clear of sickness just now, our doctors not being as fully employed as they would be, like, but we cannot sympathize with them in their ease.

The campers up the Port Severn district have all gone to their respective homes. Every person seems to be highly pleased with their outing among the shores or waterfalls. Every year will see increased numbers of visitors to this district, which only needs to be known to be fully appreciated.
