THE WEE BROWNIES

THE ACADEMY OF MUSIC CROWDED LAST EVENING.

The Best Entertainment by Any Local Talent Given in Years—The Audience Delighted—See Them To Night and Have a Good Laugh.

Notwithstanding the drizzling rain of last evening, there was a large crowd at the Academy of Music to hear Palmer Cox versus interpreted faithfully by a company of Lindsay's clever boys and girls.

From the opening scene, in which the fairies appeared and solicited the aid of the Brownies, until the final going down of the curtain at the end of the performance, every move of the young actors was watched with keenest interest and amusement.

The arrival of the gallant band of Brownies, who descended from a balloon and rushed to the assistance of the fairies, was the signal for rouser, applause and renewed bursts of laughter.

The bodies will arrive on the 11 o'clock express Monday morning, and will be taken to St. Paul's church, where a congregation of both ladies were consistent and respected members.
