Dear Sir : I am in receipt of the notice informing ne of the profits declared by the Canada Life upon my \$2000,00 policy at the Quinquennial Division, Dec. 1894.

To say that I am pleased with the result does not fully express my satisfaction. I am more than satisfied.

The annual premium on my policy is \$47.17, while the annual cash payment quaranteed to me for the next five years is \$112,36. Ever since the year 1880 my policy has been more than sustained by the profits, and at each recurring division since then my profits have been increased until now the annuity amounts to \$112.36. I remain, yours respectfully,

Eilled by a Falling Tree. On Wednesday word reached town that

John Burton, familiarly known to many as "Black Jack," had met his death Tuesday in one of Howry & Son's camps in Monmouth township by being crushed by a falling tree. The deceased had resided in Lindsay for a number of years, and for a long time was in the employ of Mr. Wm. White, being a shoemaker by trade. We understand that the body will be sent to Bowmanville, where relatives reside.

A Fire in the South Ward. Shortly after two o'clock Wednesday the fire alarm was sounded for a blaze in the south ward, and the driver of the hose wagon made a quick run for the scene. It was found that the roof of a frame dwelling situated on Adelaidest., south of the Grand Trunk Raffway round-house had caught fire from a defective chimney. The flames were quickly drowned out before much damage had been done, as the furniture had been removed by neighbors. The house is owned by Mrs. Keefe, and was occupied at the time by Mr. Giles, G.T.R, sectionman. We have been unable to learn the amount of

insurance on the premises. Loyal to the Core. An amusing incident in connection with the arrest of the Murphy family for coun-Omemee was built by Mr. S. Cottingham and Mr. E. A. Hardy will each give some thoughts touchand Mr. James Laidley in 1820. Morris
