Many people from the more distant parts of the county, and from the north, make it a point to purchase their principal Grocery supplies for the winter during this season.

We are ready and anxious for an opportunity to quote prices and show samples. Every department of our store invites comparison, but in the lines of TEAS and SUGARS, as usual, we offer values that cannot be touched elsewhere. We had intended mentioning all our lines but have been too busy: The people know our motto, "Small returns and a quick turn-over of goods."
