ARE AT IT "HAMMER AND TONGS."

"Will the price of Teas advance?" is on the lips of every housekeeper. They certainly will if the powers do not interfere. We were lucky, however--we bought largely of this season's crop

The quality of our New CONGOUS and JAPANS has never been excelled. Good judges are delighted with their flavor and bouquet.

As usual our COFFEES are unapproachable in flavor. Customers within a radius of 100 miles make it a point to order their particular variety from us. If you are wise you will fall into line also.
