When attempting to rise I had to turn over upon my face and crawl up, there being only one position from which it was possible to rise. I would have given anything at this time in order to secure relief. My first BOWEL thought was to call in a regular practitioner, so I procured one of the best physicians in the neighborhood, but he did not seem to get control of the malady. After treating me for some time he left of his own accord saying he could do nothing for me. About this time a friend of mine persuaded me to try Dr. Williams' Pink Pills. Finally, I decided to give them a trial, I soon experienced a decided improvement and was mending rapidly, the

and defined; trees are planted as fieldboundaries; stones are cleared out and stacked: farm buildings are, in most cases, more substantial, and farmhouses a credit to any country, while as to the crops, they bear evidence of cultivation and land-dressing, and general care which compares very favorably with crops in the old country. I am speaking, of course, of your own immediate neighborhood, but I can also extend this commendation to a much larger area which has happened to come under my notice during a recent visit. From the shores of Lake Ontario up to Owen Sound there are the same marks of manifest improvement, and although much against the crops in Upper Canada, they everywhere bear witness to good farming. I was particularly struck with the cattle, which seem to have been much breeds, no doubt at a costly movement seem to have been looked up, and although the sights which he described in a very a horse's life is a tolerably hard one on our side of the Atlantic as compared with entertaining and most educative manner. England, cartainly there are some very good sorts to be seen, and plenty of them. On the whole, I repeat, there are signs that the self-denial, the laborious parseverance, and the steady work that have been given to the soil are resulting in immense gain to the country. I hope it is posed to carry on this work. I was told

troubles peculiar to females, such as suppressions, irregularities, and all forms of weakness. In men they effect a radical cure in all troubles arising from mental worry, overwork, or excesses of any nature.

Dr. Williams' Pink Pills are manufactured by the Dr. Williams' Medicine Company, Brockville, Ont., and Schenectady, N. Y., and sold in boxes (never in loose form by the dozen or hundred, and the public are cautioned against numerous imitations sold in this shape), at 50c. a loose for six hoves for \$2.50 and may be initations sold in this shape), at 50c. a country.
