ped for years at the same season. -The Crossen Car Co., Cobourg, has been awarded the contract for the construction of thirty tourist cars for the C.P.R., which will give employment for two or three hundred men for five months -The most comfortable smoking car now on the Midland division of the G.T.R. is attached to Conductor Randle's mixed,

commercial fraternity seem to recognize this, judging by the large number who daily patronize this train. -Mr. Tiffia, assistant general superintendent, arrived in town last Friday on No. 4 express from Toronto. Mr. Tiffia is at present taking great interest in the erection of snow fences and guards all over the Midland system at points where blockades occurred last winter.

-Three operators arrived in Peterboro Monday evening from the west to take the places of Messrs, Skinner and Baker, who had gone out on strike with the other operators along the line. They were given such a warm reception that one of them skipped out at midnight and another

-The extension of the I. B. & O. R. R. from its present terminue, Baptiste Lake, to the village of Bancrofe, Hastings Co., appears to have been indefinitely postponed. The necessary rails were delivered at the Kinmount junction last spring by Montreal parties, and some of them were taken up the line, but they are now being shipped back to the consignors. Some 20 carloads went east last week. -A railway accident occurred near Norwood, on the C. P. R., last Tuesday, as a

result of the operators' stride. As the through express was pulling out of the village a freight train hove in sight. Both engines promptly reversed, but having considerable headway the engines struck together with great violence, both being badly smashed.
