Ayer's Remedies.

The Only One To Stand the Test.

Rev. William Copp, whose father was a physician for over fifty years, in New Jersey, and who himself spent many years preparing for the practice of medicine, but subsequently entered the ministry of the M. E. Church, writes: "I am glad to testify that I have had analyzed all the sarsaparilla preparations known in the trade, but

AYER'S

is the only one of them that I could recommend as a blood-purifier. I have given away hundreds of bottles of it, as I consider it the safest as well as the best to be had."—Wm. Copp, Pastor M. E. Church, Jackson, Minn.

Worthy of Your Confidence.

The success of Hood's Sarsaparilla in conquering scrofula in whatever way it may manifest itself is vouched for by thousands who were severly afflicted by this prevalent disease, but who now rejoice over a permanent cure by Hood's Sarsaparilla. Scrofula may appear as a humor, or it may attack the glands of the neck, or break out in dreadful running sores on the body or limbs. Attacking the mucous membrane, it may develop into catarrh, or lodging in the lungs lead to consumption. Come as it may, a faithful course of treatment with Hood's Sarsaparilla will overcome it, for working upon the foundation of all diseases, impure blood, the system is clarified and vitalized, and vigor, health and strength restored to the body.

Every member is pledged to do everything in his power to see that the law is enforced against those hunters who are guilty of breaches of the act. This is the class of organization the Ontario government is most anxious to promote, as the men who are guilty of breaking the law are not usually outsiders, but residents of the game districts in who interests the act chiefly exists.....Now let the sports of Lindsay and vicinity get to work, form a gun club, and put down the law-breakers with a firm hand. Fish are speared, snared and netted, and ducks shot, during the close season, but convictions by game wardens are few and far between. We have it on good authority that Pigeon Creek and other well-known duck haunts were shot out nearly a week before the season opened....An old hunter says that the increasing practice of duck hunters in using live decoys means the utter extermination of this game within a short time. The live decoys are better than the artificial ones, and the destruction
