LOCAL NEWS-LETTERS

WOODVILLE.

[Correspondence of THE POST.]

NOTICE.—Although leaving Woodville for an indefinite time, I will still be in a position to attend to the auctioneering and real estate departments of my business here, and in future, as in the past, all business entrusted to me will be promptly attended to. Money to loan at 5½ per cent. Farms for sale or to rent. Address A. J. SMITH, Woodville or Thornberry.—37w4.

ENTERTAINMENT.—The Ladies' Aid Society of the Methodist church of this place held an entertainment on Wednesday, 14th inst., at which an autograph quilt, which they had made, was sold at auction. Mr. A. Fisher won it, paying ten dollars. The quilt is said to have on it three hundred names.

THE ROOT CROP.—The crop of potatoes and other roots are not so much of a failure as was at first supposed, though it is nothing compared to the crop of last year.

PRESENTATION.—The many friends in this vicinity of Mr. J. D. Smith, of Sabright, were pleased to learn from the Sabright correspondence of THE POST that he was made the recipient of an address and presentation on the eve of his departure from that place.

CHANGES.—The caretaking of the Presbyterian church of this place has changed hands; it is now attended by Mr. W. Mutch. The caretaking of the public school has also changed hands, Mr. G. W. H. Browne now holding the position.

DUNSFORD.

[Correspondence of THE POST.]

BIBLE SOCIETY.—The annual meeting of the British and Foreign Bible Society was held in the Methodist church on Monday evening, 19th inst. A very instructive address was delivered by the Rev. Mr. Bryan, agent for the society. Pointed and pithy addresses were also delivered by the Revs. Messrs. Mothereil, Creighton and Innes. The meeting was the largest held in Dunsford for several years. After the addresses the following persons were elected officers of the Dunsford branch: Pres., Mr. Jas. Lithgow; treas., Mr. E. Thurston; sec., Mr. J. D. McFadyen; committee, Messrs. Silas Thurston, Robt. Thurston, H. McCallum, Wm. B. Kennedy, J. Hay, B. Parker, Thos. Robertson and Thos. Kennedy. The district was divided into sub divisions and collectors appointed.

CHURCH NOTE.—On Sunday, 18th inst., the Rev. Mr. Creighton preached a very instructive sermon to the children of St. John's Sunday school. The school has been established eighteen years and is doing good work.

REMOVAL.—Mr. Alex. Robertson, Scotch Line, has moved into his new residence.

AS IT SHOULD BE.—THE CANADIAN POST is gaining rapidly, new subscribers being added weekly to its present large list. Friend and foe alike proclaim it the best local paper in the Midland counties.

NOTES.—Roads getting heavy.....Mr. W. White, egg buyer for Dundas & Flavelle Bros., has made his final trip for the season. Billy and his pocketbook will be missed.

MANILLA.

[Correspondence of THE POST.]

DISTRESSING ACCIDENT.—In the flower of a brilliant life, and in budding fame, a most sad and distressing accident occurred to our Manilla choir on the return trip from the Woodville concert last week. Some of the members are in a critical condition, but at the time of writing hopes are entertained for their recovery, though it is sadly probable that the voices of these members (in case of recovery) will be for some time at least somewhat out of tune in consequence of having been engaged at a high pitch on that memorable evening. The way in which the accident happened was this: The party were travelling in the beautiful new pleasure van of our livery here, and had just reached Cannington, when by some means the tongue became detached from its bearings or socket, and of course it followed that several more tongues became detached from their sockets, and the wail as of a funeral knell reached even some late retiring students in our college here. (The wail was doubtless caused by a lack of gentlemen.) It seemed that a walk of some four miles stared them in the face, as did famine the Egyptians of old. But relief was at hand, as it was with them, and some passers-by drove the destitute parties into town. There is a rumor afloat to the effect that part of our noble choir were back at the scene of the disaster in search of a few notes which became in some manner lost to view as the van began to go through the "Zoo zaw" waltz and the giddy circles of a spinning-top. We hope by the next issue of this valuable paper to be able to state that several more of the injured persons are recovered.

PERSONAL.—Miss M. Hassard has been spending two weeks with friends in this vicinity.....Miss E. Barry spent a week with friends at Pinedale.....Mrs. I. Whitesmith is at present visiting relatives in Prince Edward county.....Mr. I. Whitesmith is back peopling the north country with diamonds, watches, etc., and we presume his head clerk keeps bachelor's hall.....The Rev. W. B. Tucker and wife are at present in Toronto.....Mr. H. Oppenheimer spent Sunday in town.

LEAGUE NOTES.—The annual election of officers of the E. L. of C. E. of the Methodist church was held on Tuesday evening last. The results as near as obtained are as follows: Mr. F. Savuage, re-elected president; Rev. W. Benj. Tucker, hon. pres.; Miss H. Coone, vice-pres. dept. No. 1; Miss V. Coone, vice-pres. dept. No. 2; Mrs. W. Benj. Tucker, vice-pres. dept. No. 3; Miss H. Hunter, vice-pres. dept. No. 4; Miss F. Edwards, cor. sec.; Mr. W. L. Coone, rec. sec.; Miss N. Edwards, treas. Under the new officership great things are expected, and it is whispered about that a grand treat in the line of concerts is to be given by this society. M. C. C.

CANNINGTON.

[Correspondence of THE POST.]

BAND.—The Cannington brass band gave a very creditable concert on Friday evening last. The program represented considerable talent. The Beaverton band, in their uniforms, looked well and rendered some exceedingly fine music. Miss Glendinning received encores; her violin solos took the audience every time. Miss Coone and Mr. D. McQueen, of Manilla, were much appreciated. The Rev. G. A. Rix and Rev. A. H. Brace gave short addresses. There was a very good house, which proved the popularity of the band master, Mr. Pollard, whose uniform kindness and courtesy has won for him the high esteem of the people of Cannington.

CHURCH NOTE.—The ordinance of baptism was observed at the Manilla Baptist church on Sunday last. The candidates—a young farmer and a middle-aged woman—were baptised by the pastor, Rev. A. H. Brace. A large congregation assembled and the service was most solemn and impressive throughout. These persons will (D.V.) take their first communion, will be given the hand of fellowship, and be received into the church on Sunday, 1st Nov.

THE newly formed Ministerial Association met at the Baptist parsonage, Sunderland, on Monday afternoon last. Subject for discussion, "Pastoral Visitation." The Rev. A. H. Brace opened the meeting with prayer. The president, Rev. Mr. Stewart, introduced the subject to the meeting, which proved very profitable, and was spoken to by the Revs. E. F. Bridgeman, McKay and Brace. The next meeting will (D.V.) be held the third Monday in Nov.

SUNDERLAND.

[Correspondence of THE POST.]

BIRTH.—The wife of Mr. J. W. St. John, of a son.

NOTES.—Farmers are busy getting out their potatoes and mangolds.....Potatoes are a fair crop in this locality. They sell at 30c per bushel.

RE ENGAGED.—Mr. E. Richardson is again to be our school teacher for another year. We think this will be his fifth year as teacher of this school.

COLD.—The cold weather makes people look to their wood pile and see if it is big enough to face a long, hard winter.

COUNCIL.—Our township council held its monthly meeting in the town hall, Sunderland, last Saturday. They hold their meetings on the second Saturday in every month.

ACCIDENT.—A sad accident took place at Umphrey's sawmill, near Udora, on the 15th. A young man named Ryan undertook to drive across the dam, and when he reached the flume the horse began to back and backed off the dam into the water. Both man and horse were drowned.

WHEAT is going up at Sunderland. Buyers are paying good prices for good grain.

INSURANCE.—We see a life insurance agent visiting Sunderland.

CHURCH.—Rev. Mr. Cameron preached the preparatory sermon in the Presbyterian church on Friday evening.

RECOVERED.—We are glad to see Mr. R. Shields is able to be at his work again.

NEW STORE.—Mr. Albert Burnham has opened a watch cleaning and repairing shop in one of the rooms in Mr. McDonald's hotel. We have no doubt but Mr. Burnham will give good satisfaction and cheap work. Mr. Burnham appears to fully understand his business in this line of work.

OMEMEE.

[Correspondence of THE POST.]

HIGHER PRICES.—The rapid advance in the wheat market has gladdened the heart of the farmer, and as a result every available bushel will be marketed should the price touch the dollar point. There is also quite an upward tendency in the price of oats, but it will take 25c. a bushel to get what is still held in stock.

THRESHING.—Threshing is nearly all done in this locality. This is something unusual for it to be completed in October. The farmers' time at home has been frequently broken on account of having to attend their neighbors' threshing, and as a result many of them are far behind with ploughing and also the housing of root crops.

BARGAIN DAYS.—Ivory & Sons, merchants, have established bargain days each week. The new departure has had a stimulating effect on other dealers, hence certain lines of goods can be bought here as cheap as at the county seat.

ENFORCING THE BY-LAW.—The new constable is enforcing the by-law prohibiting cows running at large.

SHIPPING HOGS.—There is scarcely a week that there is not one or two carloads of hogs shipped from this station. There does not appear to be any demand for other kinds of live stock.

LECTURE.—Rev. C. O. Johnston, of Toronto, gave one of his popular lectures here, under the auspices of the C. E. and E. L. on Monday last. It was not as well patronized as it should have been.

CHURCH NOTE.—The anniversary services in connection with the Presbyterian church will be held on next Sabbath, the 25th inst. Rev. John Mutch, of Toronto, will preach at 11 a.m. and 7 p.m., and the 3 p.m. service will be conducted by our own pastor, Rev. John Ewing, of Mount Pleasant.

PERSONAL.—Mr. and Mrs. Wm. Wood, who reside near Balsam Lake, made a pleasant visit with old friends here this week.....Dr. W. A. Beatty, of Toronto, was here for a few days last week.....Mr. Henry Nugent, who was dangerously ill, is convalescing rapidly.....Mr. John Rea, jr., of Ops, is under the doctor's care and it is hoped he will make a speedy recovery.

GREENBANK.

[Correspondence of THE POST.]

PERSONAL.—Miss Laura Brown, of Toronto, is visiting friends here.....Mrs. Bassingwaite, of Manitoulin Island, returned to her home this week, after having visited her relatives in this part for a short time past.....Mr. F. Bunt, of Valentine, spent Sunday with relatives here..... Mr. and Mrs. Everett, of Balsam, were visiting with their son and daughter here the latter part of last week.....Mr. and Mrs. Jno. Whiteford and Miss Lottie, of Brooklin, were renewing old acquaintances here the first part of the week.

OBITUARY.—It is our painful duty to record the death of Mrs. Wm. Love, who died on Monday last. Mrs. Love has been low for some time and it was not expected that she would be able to recover. We tender our deepest sympathy to the bereaved family.

CONCERT.—The entertainment under the auspices of the Methodist choir and the S. of T. orchestra, which was held on Friday evening, was very successful. The concert consisted of music by the choir and orchestra, with songs by Mr. Balfour, of Prince Albert, and Mr. Petty, of Linsay, readings and recitations by Miss Kenner, of Prince Albert, and Mr. Petty. The Brooklin Co. gave a farce entitled "The Grave Robbers," and one of their company, Mr. Chinn, gave several Irish songs, and also some Irish "chin," which only the boys seemed to appreciate.

LACONICS.—A good time is expected at Division on Saturday evening, as there is to be a debate. The subject is, "Resolved, that the life of a professional man is preferable to that of farmer.....We understand that the Sons of Temperance have purchased the lot and sheds adjoining their own. This is a good plan, for they should have some accommodation for themselves and to give to people instead of that which they used to be able to obtain at the hotel sheds.....Some of the farmers are almost looking scared on account of their turnips. The snow was about four or five inches deep (some say seven), but has now almost all disappeared again. They will likely get good weather for them yet.

THE BASIS REACHED

For Settlement of the Vexed School Question.

HALF AN HOUR A DAY FOR RELIGION

Teachers to Impart the Religious Instruction—Children Who Not Wish it Need Not Take it—No Federal Interference—Government Inspection and Proper Certificates.

Ottawa, Oct. 20.—(Special.)—It is stated semi-officially that the basis of settlement of the school question is on the lines mentioned by your correspondent a few days ago. There was considerable discussion on the clause relating to religious exercises in the schools. By allowing half an hour each day for this purpose, the schools will close at 3.30 p.m., instead of 4. All children who do not desire to remain can leave after 3.30. Those who remain will receive religious instruction from their teachers. As the Roman Catholics have taken the ground that no teacher who is not a Roman Catholic is competent to impart the religious instruction of the church, it is provided that in all schools where 30 or more Roman Catholic children attend, a Roman Catholic teacher shall be employed, whose duty it shall be to impart religious instruction. All teachers, however, must be properly certificated. The schools will be under Government inspection. The inspection will be uniform and in this way the general efficiency of the schools will be maintained.

To provide for the education of all children there is a bi-lingual provision, so that children who cannot speak English may be taught to do so by the use of the French language. It is understood that no Dominion legislation will be necessary to give effect to the agreement. It will be adopted by order-in-council by both Governments, and then the Legislature of Manitoba will pass an act at its first session, giving it the force of law. It was felt that, before making the arrangements, public, the Manitoba Government should have the opportunity of scrutinizing it, so that in a matter of such importance there can be no possibility of a misunderstanding between the parties to the compact.

THE CABLE CONFERENCE.

Sir Donald Smith and Sandford Fleming Will Represent Canada.

Ottawa, Oct. 20.—(Special.)—Sir Mackenzie Bowell having resigned the position of Commissioner for Canada at the Colonial Office Conference on the Pacific Cable question, it is understood the Government has decided to associate Sandford Fleming with Sir Donald Smith as representatives to the conference. The meeting has been fixed for November 9th at Mr. Chamberlain's office in Downing-street.

Official information reached Mr. Wm. Smith, ex-Deputy Minister of Marine and Fisheries, that the Board of Trade in London had decided to reduce the proposed new sound signals at sea from nine to five, thereby simplifying navigation. Last year a committee sat in London to revise the rules of road at sea, and it was decided to increase the sound signals from three to nine. The shipowners immediately protested that great confusion was likely to arise from this proposed change, and at the request of the Canadian Government Mr. Smith, who was then in London, joined in these representations on behalf of Canadian shipowners. The Board of Trade has now seen its way clear to simplify the rules, and as soon as all the great powers have signified their assent to them they will be promulgated, and will of course affect Canadian shipping.

Advices received here indicate that counterfeit Canadian 50-cent pieces, bearing the date of 1892, have been placed in circulation in British Columbia. The bogus coin is of good color and well executed, but is considerably lighter in weight than the genuine coin. The Commissioner of Dominion Police states that no complaints have been made to him of late respecting the circulation of counterfeit coin in the eastern portion of the Dominion, but it is his intention to look into this particular complaint.

The Government has decided to present a gold watch, suitably inscribed, to Stephen Bradley of Miller Lake, Bruce County, and a silver watch to Henry Hughes for their gallant conduct in rescuing the captain and crew of the barge Severn, which was wrecked in Boat Cove, Bruce County, on the 8th October, 1895, when on a voyage from Ashtabula, Ohio, to Owen Sound. The rescue of seven persons was effected at great personal risk, when the seas were running very high, and it is felt that some recognition is due the two men for their gallant exertions.

Recently there appeared in the Ottawa Citizen a communication referring to Mr. William Buckingham, who was removed from the office of Deputy Minister of the Interior by Sir John Macdonald in 1879. This communication charged Mr. Buckingham with active political partisanship during the time that he was private secretary to Mr. Mackenzie, and also with making himself generally offensive by seeking to "boss" all the departments of the public service. Mr. Buckingham writes to The Citizen from Stratford a pretty sharp reply, in which he refutes the statements of The Citizen's contributor, and invites any of the gentlemen who were in charge of public departments at the time he was private secretary to Mr. Mackenzie to say whether or not the statements made against him are true. Mr. Buckingham says he is not seeking notoriety at this time, but feels when his character is assailed that the ought to defend himself. All he asks is to be let alone. Mr. William Smith, ex-Deputy Minister of Marine, who came in close contact with Mr. Buckingham from '74 to '78, stated to-day that he always found him to be a gentleman in every respect, and considers that the communication which appeared in The Citizen is entirely unwarranted by the facts.

The Minister of Finance has taken steps to terminate the contract which has been held for a number of years by the British-American Bank Note Company of Ottawa for the engraving and printing of Dominion notes and postage and inland revenue stamps. Circulars have been issued, inviting tenders for a five-year contract from July 1, 1897, such tenders to be received by the Department of Finance up to noon on Nov. 23. The contract is a large one, amounting to over $100,000 per annum.

The Government has been advised that the Canadian route is to be utilized by the Imperial authorities for the new parcel post service between England and Japan. The first parcel mail under the new arrangement leaves England on Thursday. Postage rates on 3lb. parcels from England to Japan will be 44 cents; from 3 to 7lbs. 84 cents; from 7 to 11 lbs., which is the limit of weight, $1.25. Canada's action three years ago in establishing direct parcel post with Japan has undoubtedly influenced the Imperial Government to follow a similar course, the Dominion gaining by the utilization of her route.

The Supreme Court resumed sittings to-day. The first case taken up was the Columbia will case, Adams v. McBeith. Moss, Q.C., for appellant; S. H. Blake, Q.C., for respondent. Niagara District Fruit Growers' Company v. Walker will be argued next.

Lieut. Hardie of this city, who has been appointed to a position on Indian staff corps, leaves for England by the Mongolian on Saturday.

The Department of Railways and Canals has been informed that, owing to heavy rains in Nova Scotia, several washouts have taken place on the I.C.R. One is 70 feet long by 18 feet deep.

Senator T. R. McInnes of British Columbia is still in the city. It is generally conceded that he will succeed Hon. Mr. Dewdney as Lieut.-Governor of British Columbia, when the latter's term of office expires next year.

The Premier and Mme. Laurier leave for Arthabaskaville to-morrow.

Sir Oliver Mowat goes to Toronto to-morrow.

Sir Richard Cartwright will leave for Toronto to-morrow.

Sir Charles Hibbert Tupper leaves for the Pacific coast to-morrow, where he is to enter upon his duties as counsel on behalf of the sealers before the commission that is shortly to sit in Victoria, B.C.

The fisheries on Lake Winnipeg this season have proved a failure. The open season has been very stormy and cold. When good catches of fish were taken in nets they could not be hauled up on account of bad weather.

Several memorials from boards of trade on the subject of penny postage have been received and placed on file in the Postmaster-General's office for future consideration.

Commander Spain has gone to Magdalen Islands, where he will look into a case of illegal oyster fishing. When he returns to Nova Scotia he will follow the fleet till the mackerel run is over.

Sir Adolphe Caron was asked what had been done in regard to the calling of a Quebec Conservative Convention, and replied that the date had not yet been fixed. The matter will shortly be determined.

Sir Charles Tupper returns from Nova Scotia in a few days.

BY OVER A THOUSAND.

The Bye-Election in South Essex Resulted in a Heavy Majority for the Liberal Candidate.

Essex, Ont., Oct. 20.—The election to-day to fill the vacancy in the Ontario Legislature, caused by the death of Hon. W. D. Balfour, resulted in a sweeping majority for Mr. Auld, the Government candidate, over Mr. Scratch, Independent Conservative. Mr. Auld's total majority is 1087.

WOULD RESULT IN WAR.

Rosebery Agrees With Salisbury in His Turkish Policy and Believes War Would Follow Isolated Action.

London, Oct. 20.—Lord Rosebery, speaking at a non-partisan banquet at Colchester to-day, said that he fully agreed with Lord Salisbury in the Premier's Turkish policy. Lord Rosebery said that he had a strong conviction, which no amount of rhetoric would destroy, that isolated interference in Turkey on the part of Great Britain would result in a great European war.

THE TRIPLE FUNERAL

Of the Dead Firemen at Montreal—Great Sympathy of the Public.

Montreal, Oct. 20.—(Special.)—The funeral of the three firemen, King, Laporte and Carpenter, who were killed at the St. Peter-street fire, took place to-day at Notre Dame Church, and was largely attended. Twenty thousand people thronged the church and thirty thousand lined the streets. About six thousand have already contributed from different sources in aid of the widows and families.

TICKET AGENT FIRED OUT.

An Exciting Eviction at the Windsor Hotel in Montreal Yesterday.

Montreal, Oct. 20.—Much excitement was caused at the Windsor Hotel to-night by the eviction from the hotel of Mr. John McConniff, the well-known ticket agent. Some months ago Mr. McConniff was requested by the hotel company to vacate, but he declined, and fought the case in the courts. A few days ago judgment was given against him, and to-night he was evicted by bailiffs. The C.P.R. had a ticket office placed in another part of the hotel, and to-day's action leaves the G.T.R. without any ticket facilities in the hotel. The G.T.R. is expected to take some action in the matter.

THE EIGHT-HOUR LAW

Discussed by the Federation of Labor Executive at Indianapolis.

Indianapolis, Oct. 20.—The Executive Council of the Federation of Labor to-day discussed the eight-hour amendment to the federal law. The eight-hour law is a dead letter in the Government service and the Federation hopes to have a new and effective one enacted. The council also discussed the eight-hour law in general. Some of the members do not favor going to the Legislature to ask for such a law, as they think it is far better and easier for organizations themselves to bring about such changes in this direction as they are able in the various localities.

AN OFFER TO MR. GLADSTONE.

Mr. William Pritchard Morgan, M. P. for Merthyr Tydvil, Wales, Wants to Give Him His Seat.

London, Oct. 20.—William Pritchard Morgan, Liberal member of the House of Commons for Merthyr Tydvil, has summoned a meeting of his constituents for the purpose of discussing the question of his resigning his seat in Parliament in favor of Mr. Gladstone. Mr. Morgan's aim is to initiate a movement to bring Mr. Gladstone back into politics. The Liberals comprising Mr. Morgan's constituency are enthusiastic in their approval of Mr. Morgan's idea, but are doubtful whether the Grand Old Man will give a favorable response to Mr. Morgan's movement.

The Exchange Telegraph Company announces that the British Parliament will reassemble on Jan. 25.

Tommy Sheehan Is Dead.

Belleville, Oct. 20.—A boy named Thomas Sheehan, son of Stephen Sheehan of the Grand Trunk, fell from the roof of a barn last night and died this morning from his injuries.

NO DISGRACE TO BE POOR

But it is a disgrace that people will go on getting poorer by paying *More than they need* for their Wearing Apparel. In our store, it is not even inconvenient to be poor, for you will find that you have more than enough money for what you want. We are not exactly giving away goods, but we are coming pretty close to it just now when compared with prices elsewhere.

SEEING IS BELIEVING.

We want you to see—to feel—to test—before you buy. Then we can challenge comparison with any firm under the sun. We don't make everything give way to cheapness. *Goodness* is the test. The best mills, the best manufacturers, and the best makers contribute. Fresh buying chances step to the front every day, and we're there ready too gather in the cream of the stocks of well-known makers. With our immense outlet, we run no risks, for prices must be made tempting enough for us to buy. The way we buy has everything to do with the way we sell.

To sell Reliable Goods, as we are constantly doing at persistently lower prices, means shrewd planning to strengthen our grip on the very best trade and by having a free lance in all the markets. This holds good in regard to our present New Fall and Winter Stocks now crowded into our mammoth store under one roof—from end to end, from top to bottom—embracing everything from a Suit to a Shirt, from a Collar Button to a Hat.

We show the newest styles and finest qualities in:
