Hysteria, etc.

## CRIPPLED WITH RHEUMATISM.

om the Millbrook Reporter, Rheumatism has claimed many victims and has probably sident of Pontypool, where his seyere illness occurred. a reporter who interviewed him Mr. Coon gave the ollowing particulars of his great sufferings and ultimate me: "Some seven or eight years ago", said Mr. Coon, "I ble a touch of rheumatism. At first I did not pay much attention to it, but as it was steadily growing worse I began to doctor for it, but to no effect. The trouble went from not life me hands from my side, and my wife was obliged

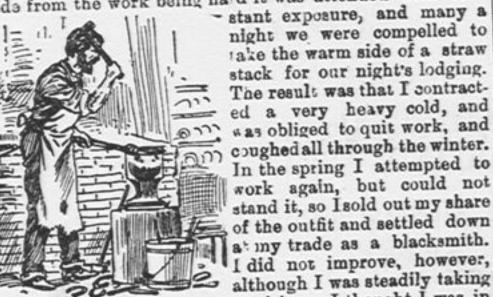

to cut my food and feed me when I felt like eating, which was not often, c nsidering the H torture I was undergoing. My hands were swollen out of shape and for weeks were tightly bandaged. My legs and feet were also swollen, and I could not lift my foot two inches from the floor. 1 could not change my cloties and my wife had to dress and wash me. I grew so thin that

However, I used the pills, then I got another box and before they were gone I felt a trifling relief. Before a before they were gone I felt a trifling relief. Before a third how were finished there were finished the were finished there were finished the weak finished the were finished the were finished the weak finitial the weak finished the weak finished the weak finished the third box was finished there was no longer any doubt of the aprovement they were making in my condition, and by the me I had used three boxes more I began to feel in view of

my former condition, that I was growing quite strong, and the pain was rapidly subsiding. From that out there was a steady improvement, and for the first time in long, weary years I was free from pain, and once more able to take my among those who have been its victims few have suffered slightest pair, and I feel better than I felt for seven years more than Mr. G. W. Coon, now proprietor of a flourish-previous to taking the pills. I thank God that Dr. bakery in Hampton, but for a number of years a Williams' Pink Pills came in my way, as I believe they saved my life, and there is no doubt whatever that they rescued me from years of torture.

### INCIPIENT CONSUMPTION-CURED,

Dr. Williams' Pink Pills cure Nervous Debility.

## HONEST ADIVCE FREE OF CHARGE.

In evidence of our absolute good faith, we invite persons interested to write to us concerning their own ailments when we will candidly reply to their questitions and tell them whether Dr. Williams' Pink Pills have cured similar cases. It must be understood that we do not examine or prescribe for people; we simply tell you what Dr. Williams' Pink Pills have done in the past, in particular disorders; but we promise to be perfectly frank on the matter, and if they are not suitable we will not only tell you so, but we also back up our opinion by refusing, even if asked, to supply the Pills. We do not sell Pills in cases that we do not think they will cure. This is not the way of a quack. Our reputation is built up on the fact that we are perfectly candid and straightforward, and that is the reason so many well educated persons and clergymen of all denomination so constantly befriend us:

Accidents to Children. Children, in their play, are apt to get sprains, bruises or cu's, and the pain these little ones suffer before relief is brought to

them should convince mothers that it is necessary to be always prepared for a cidents. "Quickeurs" is a healer that acts quickly and removes pain at once. Church Notes. -In St. Andrew's church last Sunday the pastor continued his course of addresses on the ten commandments, taking for on hand as usual, but they refused to make his text the eighth, 'Thou shalt not steal." The speaker, in his address, exhorted his Mr. Whitton called the attention of the

hearers to live an honest life, and denounced in very plain and convincing new law it is now necessary that all this age. The just man was the noblest sides the regular label on the box. Mr. character in the old testament. We are to | Whitton then produced a box full of these be personally just; we are to be just in regard to all those who are in society with us, and our acts should not be ruled by Belleville. human laws, but by love to our fellowman. .... The annual ch ldren's service in the

afternoon was largely attended by purents and others interested in Sunday school -The Rev. L. S. Hughson preached at the Baptist church Sunday morning from Matt. 9: 36, "Bub when He saw the multitudes He was moved with compassion on them, because they fainted and were scattered abroad, as sheep having no shepherd." Christ came not for self glorification, but for the sake of others; not to live a glorious carser, but to establish a force in the world that should endure and grow in the ages after He himself had re- number of boxes placed opposite: in His short sojourn on earth He could not reach all these multitudes of God's chosen

into the hearts of many to become worker n the harvest of souls. -Owing to the inclement weather the congregation was not as large as usual at Cambridge-st. Methodist church Sunday morning. The sermon was instructive and interesting .... In the afternoon the pastor addressed the children of the S. S. giving a very instructive address to the children, from the text "Seek first the kingdom of God." Two well-rendered solos were rendered by Misses M. Winters was taken from Prov. 4, 14: "Eater not into the path of the wicked, and go not in the way of evil men." The influence in the way of evil men. The influence Fitzgerald then made it the half; Mr. of one's life upon another is important. Associations and surroundings have much Whitton did not bid, as he had not sucto do with our lives. It is necessary for of their religious zeal, while to others it to sell; he then offered 9½; for selections, with two chambers empty. The Boecker but as the cause of ruin. It is the duty of but as the price was not as high as ottain but as the price was not as high as ottain home is a storey and a half frame ed in Peterboro yesterday the salesmen house, and upstairs Henry and Lizzie every man to put out of the world all ed in Peterboro yesterday the salesmen house, and upstairs Henry and Lizzie that is possible to put out in the way of refused to sell. Considerable discussion lay on a bed, with bullet holes in their refused to sell. sinfulness and foclishness. If a man then took place, and it was finally decided would be holy it is necessary to live in an atmosphere of goodness, live in the prasence of one who shall bring to you that which is lovely and pure as God and not the reverse. Have not the desire to test your ability to overcome in your own s rength the temptations that come to you. The exposing of yourself to this danger is most foolish. The grace of God

And Wound Up by Taking His

Farmer Boecker, a Prosperous German, Who Was Considered to be Living in Happiness, Murdered His

Wife and Six Children, Using a Shotgun and Revolver. Carroll, Iowa, Sept. 27 .- John Boecker, a farmer, living eight miles from this place, last night murdered his wife

and five children and fatally wounded his S-year-old son Henry. Afterwards instructor who had visited this district, | the fiendish or demented man sent a and he believed the buyers had now more bullet into his own head, inflicting a fatal wound. The family were prosperous Germans, and so far as is known lived happily. Io motive for the tragedy has been disclosed. Boecker's victims are his wife and these children: Caroline, aged 4; Christine, aged 9; Henry, aged 8; Lizzie, aged 6; John, aged 3, and an infant, Henry, cannot

recover from his wounds. Boecker had an engagement to help a neighbor thresh to-day, and on his not putting in an appearance his brother Henry went to see why he did not come. The doors of the house were locked and there were no signs of life about, Henry tried to get into the house, but met no response, and finally kicked the door in and came upon the horrible scene. Boecker with his wife and baby breathing. In the opposite corner of the same room Caroline, Christine and John lay dead, each shot in the forehead. It is undoubtedly a case of murder and
