MR. WHITNEY SPEAKS. Premier Hardy for his address to the people of Owen Sound during the election of

THE CONSERVATIVE RALLY ON WEDNESDAY, OCT. 13TH.

The Opposition Leader Given a Hearty Welcome and an Attentive Hearing -Lawyer St. John Tells the Result of his Personal Investigation of the Famous Piggery. The Academy of Music was fairly well

filled on the evening of Oct. 13th by citizens

anxious to hear Mr. J. P. Whitney, leader bally and by letter, that we were on the of the opposition in the local legislature, eve of an upheaval which would overwhelm of the opposition in the local legislature, members of the reform party and ladles comprising probably one-third of the gathering. Among those on the platform were Mr. R. Bryans, president of the conservative association, Mr. S. J. Fex. the candidate, Col. Sam Hughes, J. D. Flavelle, J. Boxall, Stephen Dundas, Thos. Newman, J. Jackson, Johnston Eilis, Thos. and a number of ladies. Brief remarks were made by Messre. Bryans, Hughes, Fallis and Fox, the latter being followed All Wool French Cash- by Mr. Whitney. The opposition leader received a warm welcome on coming hour and a half, charging the reformers with having frittered away the done him (Mr. St. John) the fairness to for a period of fifteen years, resources of the province, creating an report his speech containing the quotation You are well aware that for the past ten years this imperfect school system. He was succeedgovernment with nearly overy political so recently was, but he would say that if crime on the calendar, and whose he did come he would, with his utterance your town, as it will not only give extra emplyment virtuous indignation was at times able time to a description of the surroundings of the solitary hog at the Mimico government of disloyalty in allowing victous alliance with the Dominion government, the creation of a monopoly for piggery, and wound up by accusing the OPENING SPEECHES.

The meeting was opened shortly after 8 o'clock with a brief address from the Our Mantles we import direct | 8 o'cleek with a brief address from the chairman, who first introduced Lieut-Col. | 6 o'cleek with a brief address from the chairman, who first introduced Lieut-Col. | 6 o'cleek with a brief address from the boasting of a surplus, assuming proprietor-boasting of a surplus of a s province. He said that those who were present, whether conservative or liberal, for the arrest of a son of a high govern present, whether conservative or liberal, would go away after the meeting with the conviction that Mr. Whitney was a credit to his country. Col. Hughes said that those questions which should be placed before the people would be discussed by the provincal leader and his lieuten- Mr. Miller that he would be given orders ants. Among those questions were the figureial, agricultural, mining and educa-

Mr. Samuel J. Fox. the conservative candidate in West Victoria, was called on. He asked for the support of the people, and thanked the conservatives for the honor done him in choosing him as Mr. W. A. Fallia, representative for

THE CONSERVATIVE LEADER.

Mr. J. P. Whitney was then introduced and was received with cordial warmth. He expressed his gratification at being in Lindsay and at meeting so many of the and the charges against him are serious great number of ladies who were in lodeed. About September 20:h last Chief attendance. The first question he dealt | Ball received a card stating that Antis had with was the finances of the province. stolen a bicycle from H. Wilson, of Mark-This great question has not been given ham, and during the fair he kept a vigilant due attention in the past by the people, eye on all visitors in the hope of discoverbecause heretofore they had not been taxed to support the government of the Saturday last he received a postal country. He made charges of extrava- card from Chief Jarvis, of Bowmanville, gance against the present government, stating that Antis had stolen a horse and saying that it had continued from the date buggy from Glover's livery in that town, they took office until the present. Every and the news made our chief redouble his year they had existed as a governmen vigilance. As a result of careful enquiry received. In this way they had pursued lived near Balsam Grove, Fenelon, and lived near Balsam Grove, Fenelon, and that down hill track which had landed was about to set out for that point when explained that it would not answer his them were they were to-day. The first he heard that his man was heading step was the multiplication of officials, towards Lindsay. The chief waited, Dep. reeve Robso towards whom, of course, had to be paid. Antis, who had been in hiding at will you employ?" Then they began to sell the timber of the his father's, drove to the Falls in country, which constituted their capital the afternoon, had the stolen horse shod, stock; they had thus exhausted the timber assets and had spent the money thus received as ordinary income instead of husbanding it and paying the expenses of government out of the interest. They then began borrowing money until they were in debt to the extent of \$3,000, 000. He said he cculd, did time limit, show how this extravagance existed in every branch of the administration. One reason for this was that there was no proper audit of the moneys expended by the provinca. Mr Whitney then cited some instances of expenditures in connection with colonization road which he claimed ed here Wednesday evening with the were extravagances. He contended that necessary warrant, leaving next morning the surplus which had been boasted of so long had no existence. He charged that there had been deficits during the past three years, and to the liberal mind the best proof that these deficits did exist was that they were admitted by the

At this point an old gentleman in the audience asked Mr. Whitney whether it was true that Mr. Hardy had received \$200,000 from the American lumbermen for election purposes, and expected to get grant exemptions to the Rathbun Comit back in timber dues.

the Americans would be willing to give remove their mill to some other place. The that sum to Mr. Hardy, but whether the point will probably be Peterboro. The government would accept or had accepted it he could not say, as his knowledge did not extend this far.

Operation Shortly, An industry that should mean much to this town in a business way, and that will undoubtedly add to the prosperity of the Williams Piano Co, has disposed of undoubtedly add to the prosperity of the instruments to the following parties farmers within a large radius, will speedily

refer to the pork packing and curing business about to be established by the firm of C. S. Blackwell & Co., of this town. As our -Mr. W. H. Ponton, the Dominion readers probably know, the old C. Bank teller who was last week acquitted Baker packing house was purchased by -Why don't some of our kind hearted of a large trade. A brick addition on the citizens undertake the formation of a south side will contain the smoke chamber be conducted on a large scale, as the Lindsay branch will be a feeder for the Toronto business carried on by the above enterprising firm, and a number of men will be given steady employment for the greater portion of the year, while the competition in prices should prove a good thing for the

SETTLERS MAY KILL DEER.

An Order-in Council Defines the Districts-A Fee Not Exceeding 25c to be Paid for Permits. A recent order-in-council directs that

settlers' permits be granted to bona fide -Mr. Emerson Austin, of Hallburton, settlers in the following territory, being who has long since won for himself the portions of the province recommended by Wardens Willmott and Smith, and approved of for the purpose by the Chief Game Warden, viz: The township of Matchedash, in the

county of Simcoe; the district of Muskoka; the district of Parry Sound; the district of Nipissing, and that portion of the pro-281 lbs., was caught near Babeaygeon by a vince to the west thereof and to the north half of the township of Rams, county of Ontario; that portion of the county of Victoria including and lying north of the townships of Carden, Bexley and Somerville, and including the whole of the dislying north of the north half of the township of Harvey, the township of Burleigh his lucky stars Tuesday for an extremely Hastings including and lying north of the north halves of the townships of Marmora, lying to the west and north-west of the following townships: Blythfield, Brough-am, Grattan, Wilberforce, Alice and

It is not intended that residents in towns Petewawa. and villages in the above exempted areas new electro-magnetic system Wednesday. of the province shall be exempt under the A sanguine individual, having noticed that | foregoing provisions of the game laws, but

one was testing the boxes. Eventually the firemen turned out, only to discover that their services were not required. In the hurry no person thought of notifying the engineer at the pump house that the alarm engineer at the pump house that the alarm was a false one, consequently a large quantity of fuel was wasted.

Eveneding twenty five cents in the case of each permit actually issued, and that the provision hereof for exemption from the necessity of taking out the regular license to shoot deer be subject to this provision authorizing the imposition of this small fee by the issuers of the said permits.
