Let Us Have Things Tidy.

Whose duty is it to clean up the street along the granolithic walk sec tions? There is no valid reason why the street should be left in its praent condition. If it is Contractor Hayes' duty to remove the debris littering up the north side of Kent-st. he should be compelled to clear it away at once; if the town is supposed to tidy up after the contractor, then the council should show some regard for the decent appearance of our main thoroughfares.
