more rapid but cleaner than other processes. A new Swedish smokeless powder, called apyrite, is based upon highly attracted cellulose.

A Word to Parents. One of the strangest things parents ever do, is to punish their children for what they have not strength or character to do in themselves.

Clear Proof. "My wife is a singularly ingenious woman," remarked the married man. "Indeed!" said the bachelor, with a languid effort at interest.

Speeding in the Ring. He was given a tip by a friend about the horses at the fair, and the picture shows the results.

A Professor's Dictum. Professor Cooke declares that there is always a loss when creams of different degrees of ripeness are mixed just before churning.

HERE AND THERE. What is the name of your eldest son? I don't know, he was a twin.

An Introduction to the Queen. An honor conferred upon only a favored few. But every lady of the land may have ready access to the Queen of Remedies.

When Baby was Sick, we gave her Castoria. When she became a Child, we cried for Castoria. When she became Miss, she clung to Castoria.

thoroughly examined. The smoke-pipe requires strict attention, particularly if it has sprung in the cellar all summer. In the spring some housekeepers have the pipe taken down clean and stored in good condition.

SCIENCE AND PROGRESS. INTERESTING PARAGRAPHS CULLED FROM VARIOUS FIELDS. A Passenger Whaleback—Novel Craft for Sea Service Shortly to be Built—The Livadia was 80 Feet Broad and About 240 Feet Long.

THE LIVADIA. Unlike the whaleback she had a deck rising from her curved sides, the deck being supported by stanchions on either hand.

THE PROPOSED PASSENGER CRAFT. Naturally some changes will be made in the whaleback design besides those mentioned.

PROGRESS JOTTINGS. Latest Ideas Told in a Few Expressive Paragraphs. Passenger steamers will be employed on Manchester Ship Canal.

SCARLET CLOVER, FOLIAGE AND FLOWERS. Of late years scarlet clover has become a great favorite with the farmers, and there are now perhaps ten acres sown for one a few years ago.

SCARLET CLOVER, FOLIAGE AND FLOWERS. phosphate of lime, it will make a fair growth. When in full bloom it should be plowed under and the ground tilled in any crop desired.

alike. Those of the poison ivy come from small, pale greenish flowers, and when ripe are smooth and pale brown or greenish in color. The Virginia creeper bears dark blue berries from stems of rich red.

is known as the mercury vine. Its Latin name is Rhus toxicodendron. Poison ivy has a cousin, which country folk often call poison dogwood or poison elder. It is more correctly known as the poison sumach, although that name might also apply to the poison ivy.

LANDSCAPE GARDENING. Hints About the Management of Irregular Grounds. Those about to lay out new places, or to remodel old ones, should, in making their plans, take account of the natural advantages of the ground, so far as possible.

POISON IVY. Like mosquitoes, the poison ivy is found pretty nearly everywhere. You brush it as you steal along the Canadian stream, tempting the trout to rise. You touch it when you sit in the shade of the hedge back of the hotel in the fields and woods from ocean to ocean, and you suffer from its sting during your winter among the orange groves of the South.

TRAILING CLOVER. This was converted into a pasture barrier, separating the pasture lands from the grounds about the house in an invisible, but most effective manner.

Work to be Done in the Cellar. These bright fall days are busy ones. Fall cleaning and sowing, preserving and canning, claim the housekeeper's attention.

SCARLET CLOVER, FOLIAGE AND FLOWERS. phosphate of lime, it will make a fair growth. When in full bloom it should be plowed under and the ground tilled in any crop desired.

Ayer's Remedies. Sick Headache. It is a complaint from which many suffer and few are entirely free. Its cause is indigestion and a sluggish liver, the cure for which is readily found in the use of Ayer's Pills.

Ayer's Pills. It is known as the mercury vine. Its Latin name is Rhus toxicodendron. Poison ivy has a cousin, which country folk often call poison dogwood or poison elder.

The Canadian Post. LINDSAY, FRIDAY, NOV. 13, 1901.

AGRICULTURE. If you have never fallen a victim to that pest of the woods and fields, the poison ivy, read this and take warning.
