CAMBRAY. [Correspondence of The Post.] OBITUARY. Died in Fenelon on Tues- offered from the country, either to be day, the 19th, Nov., joseph Wilkinson, aged 74 years. The subject of this notice was born at Heden on the Wall, a village in Northumberland, England, which is built body seems to be looking for there would Council Chamber in the Court House. on and in fact many of the houses are | be liberal supplies of corn. But we do not made from the stones of the old wall built see any reason to apprehend a glut.

by the Romans to prevent the incursions material is wanted abroad in far greater of the predatory Scots. He was appren quantity than ever before. Advices from ticed to the milling trade to a miller in the seaboard say ocean freight room has Newcastle, England, and his indentures | been chartered for immense lots of it, and which are written on parchment are quite a curiosity. After serving his time and being legally released he entered into business for himself, running a mill in Cuthersten Yorkshire but soon concluded to try his fortunes in Canada and emigrat. to try his fortunes in Canada and emigrat armies. The civilian element in that ed here in 1842, settling in the vicinity of country has caught the infection and is Port Hope and engaging in farming. Be-fore leaving England he married a widow England is quoted as wanting some lady named Elliet and with her son 75 600,000 bushels of it to make amends for engaged in the wagon making business in | barley and other feeding stuffs normally Lindsay in 1853 on the premises now supplied from Russia, and this over and occupied by the Hamilton block. In 1855 above what is usually taken from this he removed to Fenelon having purchased the land on which part of the v llage of Cambray is now situated. Soon after coming he erected a saw and shingle mill tant use of corn as a breadstuff for t e which he continued o run until the sup-ply of pine became so short as to make it unprofitable when the machinery was sold winter would mean more than an average coming to Fenelon wr Wilkinson lost his he farm and on the Atlantic slope. There wife and he afterwards married Miss is a good export demand for oats; they, Sarah Jarvis by whom he had three child- too, being wanted to fill the void that ren who survive him; heir mother having under ordinary conditions is supplied from died in 1874 Mr Wilkinson always was a a member of the Baptist church but was regular a tendant at the services of other denominations, there being no Baptist church here Shortly after coming here he saw the great need of a Sabbath school f result of the young people and children and was instrumental in having a union Sanday school started over which he presided for specific in the state of the young needs a sabbath school for the young people and children and was instrumental in having a union Sanday school started over which he presided for specific is the trade, and packers have shown their confidence in old pork by purchasing more of it within the past few days. The disposition is that prices are low enough for facts of supply and demand, and offering the churches it was felt that the churches it was felt that the church should have a school under its own

church should have a school under its own | We note packers are cutting pork a little

control and he immediately closed the union school, and though the rules of the Methodist church would not allow him to A Winnipeg despatch says:—The daily poor that he was compelled to resign. When closing the union school the scholars rendered it to his youngest son whom he had previously sent to the agricultural college at Guelph. He continued to grow gradually weaker until about a couple of months ago he became unable to leave the house and continued thus until death house and continued thus until death came as above stated. He was a man of sterling integrity and outspoken against all kinds of wrong, and was highly respected amongst his neighbors. He invariably gave one tenth of his income to religious.

Spring, as prospects are not of a natural that would induce them to do so. The heaps of grain are bonanzas for the train men, who are able to make any amount of extra time. All reports about a shortage of cars on the Canadian Pacific are untrue and farmers are well pleased with the excellent facilities provided.

Toronto Street Market.

The receipts of grain on the street market on. gave one tenth of his income to religious or charitable purposes.

VICTORIA ROAD. NEW SAW-MILL.—Amongs the notable events that have occurred in this ylliage the most important is the raising of the saw-mill by Mr. Jeffrey. It is a good substantial building, and we hope and trust it will answer the purposes originally intending that the same it.

ON THE SICK LIST.-We regret to state that Mr. Demorest has been very sick for the last few days, but under the skilful treatment of Dr. Broad of Coboconk he is progressing favorably. We are very glad glad to hear this as the old gentleman was at one time in a very critical condition .... The genial doctor was kept quite busy during his sojourn here, no less than eight patients having availed themselves of the opportunity to consult him with regard to their various ailments, with remarkably conk for the kindly call he made to the sick. Such gentlemen as he lighten the pillow of sickness, and do a great deal towards dispelling the gloom incident to a sick chamber.

few good steers were purchased for feeding, for which from 3 to 3 to per is was paid, but such purchases were limited. Springers and milch cows met with a poor request at from \$30 to \$45

COMMERCIAL NEWS.

OFFICE OF THE CANADIAN POST, LINDSAY, Nov. 26, 1891. Business and Produce.

ed. The market is depressed, however, and it is difficult to see where the big prices some expect are to come from.

The Chicago grain dealers do not expect a material advance in wheat as a result of the czar's ukase prohibiting the export of wheat from Russia and the famine in that unhappy country. A special despatch from Irwin, Green & Co., one of the largest family of Toronto visited friends here last week | Chicago houses, to the Empire of Wednes-Mr. W. K. Burton is visiting friends in Toronto day says: "All last week our wheat market vibrated up and down on expecta-HYMENEAL.—We congratulate our friend
Mr. John Wray, 3rd con. of Elden, in taking to
himself a partner in the person of Miss Martha
Burton of this place. Rev. Mr. Marvin, Methodist minister of Woodville. officiated in a most
skilful manner. The bride was supported by
Miss Tina Smith and the groom by Mr. W. S.
Burton. The young couple took the evening
train for a short honeymoon. On their return
home on the following Monday a reception was
held at their residence.

market vibrated up and down on expects
tion of news that the Russian ukase
tion of news that the Russian ukase
the against further exportation of wheat had
been issued. The news is here and the
market has made but feeble response to it.
The fact is the great majority of people in
the trade seem to regard it as of no
special significance. They say Russia has tion of news that the Russian ukase already parted with nearly as much as i was expected to furnish previous to the opening of her ports in the spring congregation of Fenelon Falls has been extended to Rev. M. McKinnon, pastor of this congregation. The presbytery will meet in Woodville on Tuesday next, when it will be decided whether it will be accepted or not.

The difference between promise and realization thus far is about 16,000,000 bushels, and it is estimated that India has very little more to spare from her crop of last winter. The magnitude of the movelast winter. The magnitude of the move ment here is what fayors bearishness. I spite of the deep snow in many parts o the Northwest that section is still pourin voluminous for two or three weeks yet though threshing operations in many places must have been cut short by the weather. Accumulations at countr PERSONAL.—Mr. W. L. Hunter, the points, where wheat was poured in much faster than it could be got rid of have yet to be cleared out of the way. After that the foreign demand may be expected to assert itself in such a manner as to cause groceries, and is now receiving large | well known that freight room on the ocean now as they have to regard the United States and Canada as the only source of supply up to the time they can receive wheat from the crop now growing in India. But how much they will pay is another matter. Naturally they will not want to rush up prices on themselves, and the willingness of sellers here must be a godsend to them. Yesterday's cables said higher figures were asked, but no advance was established. There can be little doubt but that a decided rise here would RUNAWAY.-Mr. Percy Rowlinson had meet with a ready response in foreign a very narrow escape from a serious accident | markets, though it is intimated that they may be more significant than appears on the surface. He is quoted as saying his government has purchased supplies to provide against the contingency of partial failure in the home crops next year. If literally true, that statement may be construed as a premonition of war, because

Kingsboro is going entirely into the tin and hardware business and is almost doing the such a thing is unprecedented in the times of peace; at least it tells Germany has been a larger buyer of food yet to be delivered in addition to that counted on as wanted by England and France. Corn shows little increase in stocks, with more shipped right away or sent in as soon as

fill the position of superintendent he was appointed to the position of teacher of the class of young men which position he filled last year when his health became so ing to do but attend to the threshing and marketing of the grain, the deliveries durwhen closing the union school the scholars presented him with a comfortable reclining ing the next two months are expected to arm chair and a cane with a silver inscrip- be unprecedentedly heavy. It is not likely tion. He managed his farm until a couple of years ago, when feeling that old age was beginning to exact her dues he surrendered it to his youngest son whom he rendered it to his youngest son whom he

Wednesday were fair. Prices were generally steady.

WHEAT.-Steady, 300 bushels selling at 950 for white, 92c for spring, and 93c for red win-

BARLEY.-Steady: 5,000 bushels sold OATS.—Firm; 100 bushels sold at 36c to 364c. PEAS.—Firm; one load sold at 654c.

RYE sold at 93c.

HAY AND STRAW.—The receipts were small, twenty loads of hay selling at \$15 to \$16 for timothy, and \$11 to \$12 for clover. Straw easier and firm, five loads sold at \$10.50 to \$11.50.

DRESSED HOGS,—The receipts were large and prices steady at 5c to 53c.

Price Fore quarters \$4.50 to \$5.00; hind-Subscriber, Lot 6, Con. 3, Mara. One two-year-old STEER. Owner is requested to prove property pay expenses and take him away. HENRY McCUAIG, (Brechia P. O, Brechin, Nov. 16, 1891.—80-3pd. BEEF.-Fore-quarters, \$4.50 to \$5.00; quarters, \$6.00 to \$8.00. Mutton, \$6 50 to \$8; lamb, \$7.50; veal, \$5 to \$

Toronto Live Stock Market. market were 1,833 cattle, 730 sheep and lambs, and 1,039 hogs. Tuesday the offerings were 20 loads, including about 450 cattle, 450 sheep and beneficial results to themselves. It is a pity lambs, and 700 hogs. The market shewed no that seeing the progressive nature of Victoria Read that some inducements could not be offered the doctor to take up his residence in our midst. I am sure it would residence in our midst. I am s be a step we would all very much appreci- of really good, choice butchers' stock, and they Nov. 23, 1891.—81-3. ate..... We also beg to tender our heartfelt | were obliged to fill up on stuff that would grade per in for choice and down to 21c for inferior. A

Sheep and lambs—Good sheep sold well at \$5 to \$6 50 each, but inferior animals were slow, at \$4 to \$5 each. Lambs found a fair market at \$3.25 to \$4.25 per head.

Calves—Only a few were on sale, and all were taken at \$3 to \$8 each.

With frosty weather and hard roads an increased delivery of grain may be expected. The market is depressed, however, but stores and light fat hogs were not wanted, and those that were taken were bunched in with heavier animals.
