The advancement of the bishop of Ontario to be archbishop marks the first creation of that title within fifteen hundred years of the Anglican church, and of the true church from which it claims to spring. Two important calls have recently been forwarded to Rev. Robt. Johnston, pastor of St. Andrew's, one from the congregation of Oak-st. Presbyterian church, Toronto, and the other from Ottawa. CARTER.

The result of last week's sale of the Montreal Wholesale Clothing Stock of James O'Brien & Co. has been most phenomenal. Merchants generally talk of dull trade and scarcity of money, our selling experience this week leads us to an adverse opinion—from the countless number of customers (actual buyers) who have already attended our sale, the great quantities of goods sold and the large cash receipts up to date, we are convinced that there is still plenty of money in Lindsay and surrounding fertile country.

The daily cash receipts in our Dress Goods department, Mantle and Mantle Cloth department, Ladies' Underwear, and Hosiery and Glove departments, in our Furnishing department, in our Clothing, Hats, Caps and Fur department, have more than doubled our expectations, which is further proof that we have pleased our customers, and many of the most fastidious buyers, both with quality of goods and prices.

Notwithstanding the success already achieved we are determined to double the record next week—double the inducements, double the quantity of bargains and sell double the amount of goods—and we know we can do it.

A word to the wise is sufficient. If you have not already inspected our stock and prices do so at once, for we are determined to do the Dry Goods and Clothing trade of Lindsay.

CARTER.

P.S.—Terms strictly cash and one price. Please do not ask for credit, for none will be given.

STUNNING BARGAINS

WILL BE OFFERED IN

Fine Family Groceries, Crockery, China & Glassware, FOR NEXT TWO WEEKS, To make Room for Christmas Importations.

In about two weeks our holiday stock will be here, and we must provide room for it. That's why are offering strong inducements to buy.

It's a poor policy for a merchant to stow away goods in the cellar to make room for fresh stock. Better to sell them for what they cost.

Our Holiday Stock will be the finest one ever carried by us, which is saying much for it.

ARCH. CAMPBELL, Family Grocer.
