AY, FRIDAY, NOV. 2, 1894.

w, no man better, how utterly of and our colleagues to set our terminedly against the introduchat most pernicious system here." m, no man better, how enormousa taxes paid by farmers (and all

ss, I feel that there is great er making a very grave mis-uncture. The fles of liberty on of the active wealth of on its side. You may be

is an honest difference of Mers of importance I have But what are the differorty at this moment? It If in administration. So do and what is more, when they rom 1873 to 1878 they pracfive whole years the public tracted by their predecessors the liberal party as to make its parliamen-'controllable' expenditure of | success ? a reduced about 20 per cent.,

exact value, I believe, of our whole ex-port of cheese in 1893, so that the whole sense, may then be shelved for another fruit of that most important industry, quarter of a century, in which case the which it has taken thirty years to build Patrons for all useful and practical purup, barely equals the waste of the last poses will find themselves nowhere-will,

REFORM THE TARIFF. "Then the Patrons desire to reform the Now, you will bear in mind that I am

turers that Mr. MacKenzie was defeated | condemn such a coalition, seeing that it in 1878? Let me ask, too, by whose votes | would be the natural outcome and result was Mr. Mackenzie defeated then? I do of their own deliberate action. The choice not sa it as a reproach, but it is a matter in such a case as I have described would of history, that Mr. Mackenzie was defeated by the votes of liberal farmers who were cajoled by the false promises of home quarreled with their own friends. They markets, high prices and general prosperity held out by the reckless and ignorant

agree with the Patrons. The existence of such a body in its present shape is absolutely indefensible and a most manifest blot on representative government. It represents nothing except the very worst element of a faction. It is irremovable, not in the power of the Patrons of Indusand entirely irresponsible either to the try to secure great things for themselves crown or to the people, and is as nearly absolutely useless (besides being expensive) as any institution of the sort well A RADICAL RE-ADJUSTMENT OF TAXATION. can be. But waiving the question whether it may or may not be possible to create a senate which might be of some real service to the state, we must remember that ours is a federal constitution, and that, whether the house of commons or the people of Ontario like it or not, the senate can only be abolished by an act of the imperial parliament, which act will assuredly not be passed without the concurrence of a decided majority of the several local legislatures. On this point, therefore, while there is no difference of opinion, there is no great possibility of immed-

"What are the other planks of the Patron platform affecting Dominion polition of labor from monopolies. (6) No railway bonuses. (7) Voters' lists by local officials. (8) No gerrymandering. (9) Lands for settlers. Now, there is simply INTER FROM SIR RICHARD
CRITWRIGHT.

1 Could Farmer's Sun prints the being their received by a Patron in the first place, to say in the said place p

motests. Nay, more, in these that this will secure the Patrons' own and a half millions to about six it may and very likely will do is to make it may attempted before or since:

What it may and very likely will do is to make various other combinations possible, which thas attempted before or since; but for such action on the part of the amount of expenditure was Parrons would never be dreamed of. We twenty-three millions and will do well to remember that after all will do well to remember that after all test last year being and millions, Ontario is not the whole of this Dominion on the last year being being the two on thirty-seven millions, Ontario is not the whole of this state of thirty-seven millions, and that under certain conditions the two is interest and a half millions — the existing parties may coalesce, and tariff in fact, have most completely defeated themselves, and nullified the whole purpose of their existence.

tariff and to improve the system of taxa-tion. Good again. By all means let us do so. This is the very cardinal plank of the liberal platform, and has been so ever since 1878, as the records of parliament testify most abundantly. The Patrons ask that the interests of the farmers be fairly doubt, constitute the vast majority of the considered. Was it not solely and simply order, that such a move would be always because the Mackenzie government would on the cards in the event of such pronot agree to deliver over the farmer bound hand and foot to the tender mercies of have indicated; and I may add that they, the ring of would-be protected manufactor of all men, would have the least right to

would have shown that they utterly ig-nored long and faithful service under circharlatans who foisted this precious pro-tective system on Canada in 1878." cumstances of aggravated temptation, and they could not complain if the average "Let us further analyze the Patron member of parliament, liberal or conserplatform. Let us take the first plank, the vative, took them as he found them and abolition of the senate. Here the vast acted according. In such an event also majority of Ontario liberals will certainly | you might be perfectly sure that the Patron organization would soon crumble, and what is more important, that the objects they have in view would be further from attainment than ever. This, I for one

"The time is ripe for very extensive and far-reaching reforms. We have suffered much, and have, it is to be hoped, learned something. I for my part would be sorry to see the issue dwindled down to a mere question of revenue tariff. This is a good thing in its way, but very much more than AN IMPORTANT INCIDENT this is needed now, and very much more than this can be got if only our chances are not recklessly thrown away. We need, among other things, a radical re-adjustment, not only of our tariff, but of our whole system of taxation. Great evil has been done, but out of evil good may come and the collossal villainy of the protective system may be made to pave the way for so thorough a reform that it may prove purchasers. tics? They are these: (1) Economy of administration. (2) Purity and idependence of parliament. (3) Tariff for revenue only. (4) Reciprocal trade. (5) Protected to distribute to the public needs aced to distribute to the public needs according to his means and not according farmers and their good wives; the bidding

to his pleasure."

does it not prove the truth of my conten-tion?

MR. M'CARTHY'S CONFESSION.

The these repeat my warning. The one thing that can defeat the Patrons—the one thing that can defeat the Patrons—the one thing which can prevent their attaining everywhere and under all circumstances,

bed, so has mine. If they find liberal and a protectionist candidate. It is consequence of, fifteen years con, so do I, nor do I believe there the consequence of, fifteen years con, so do I, nor do I believe there the consequence of the cons morality and of public life to an extent which no other system ever did or permately and inevitably end in reducing the to pay tribute to a few score or a few hun-dred millionaires. Knowing you to be a thoughtful and reflective man, and having also every reason to believe that you are sincerely desirous of promoting the well which you belong, I have thought it well to place these considerations before you,

RICHARD J. CARTWRIGHT. Kingston, Oct. 1, 1894.
