SEWS OF THE WEEK INTEREST.

### schered from the Telegraph and Exchanges.

-It is claimed that Chicago has a popustien of 2,236,000. -Mount Tacoma, or Rainer, 14,444 feet high, in Washington state, is in eruption, and the people of Tacoma and Seattle are

for the previous year.

-Searchlights are such good targets for the enemy that the Germans are arrang-

out with its gli se almost perfect.

-By the blowing down of a steel amokestack at the Handy Abstract building, in day morning of last week in Port Hope, easly hurt, and 125 people were mare ar owned by . Smith was in flames. The less injured by flying particles of glass firemen were quickly on the scene, and rom the skylight.

On Wednesday afternoon of last week the boiler of T. Risery's sawmill at Montipello, near Grand Valley, blew up, killing Robe, M. Quarrie, aged 21, and Alex Darraugh, an elderly man, both of Orangeville, Saveral others were injured and the mill

-William Chugg, a laborer on the Ottawa and Parry Sound railway, em played on a construction train near Egan, the sole support of his mother.

-Hiram S. Maxim's flying machine is in existence. Its engine and boiler tofor every horse power developed. An ordinary locomotive weighs over 100

and head of the murderer on the scaffold. A tagge which the hangman wore was also in the parcel.

-By an explosion of coal dust Wednes-Mr. and she may die of the shock.

18 can hardly survive his wounds. Naw York, and, going up tairs, on him, and then-! But it didn't. ocked himself in one of the roome, and ent to bed. About midnight he was and snoring within, and the door had to burst open to get at lim. He was handed over to the police, but before Mr Astor reached the court next day the tramp had been flued \$5 for disorderly conduct, and, in default, sent to jail for five days. Mr. Astor decided to wait until the five days expired, and then have the tfiender arres ed for attempted burglary, out a newspaper man paid the tramp's fine, and, much to Mr. Astor's di-p'easure,

a dime museum engagement as 'The man who slept in an Astor bed." While the Astors are enraged, the rest of New York wears a broad grin at the occurrence.

-Still another type of warship is to be added to the British navy in the 'fleet cruisers" ordered f r next year at a cost of a million dollars spiece. They are to be 270 feet in length, 40 in breadth, with a draught of 16 feet; their engines must develop 10 000 horse power, and a speed of 22 knots. The armament will consist of quick-firing and Maxim guns and Whitehead turpedoes only, as they are intended

mainly for scouting service. -The story of the passage of the Allan line steamer C rean, which arrived at St. John's, Nfld, on Thursday of last week, from Glasgow and Liverpool, shows that she had one continuous desperate combat with the elements during the whole 16 days of her voyage. Her best day's run knots. The Corean left Glasgow on Nov. be said, on the old lines of temperance 4th, and Liverpool Nov. 6th. When only reform. Whilst its leaders are known two hours out disagreeable weather set in and continued until Friday, Nov. 9th, when the wind increased to a gale. A when the wind increased to a gale. A membersh p in the league is concerned, heavy sea was running and the steamer they believe there is a large field of operatook much water aboard. She made bad tions for the organization that will make a cure for Coughs, Colds, Sore Throat, compelled to slow down the engines to on the old lines of educating the people. Bronchitis, Weak Lungs, Consumption, relieve the strain. The gale increased in violence until Sanday, when it attained the wind and threatened to engulf the steamer. This weather continued until have entered into the bighways and byexperienced during the whole passage ance. A meeting is held in the Jarvis-st. began. So flerce was the stern that it mission Hall every Tuesday evening, and was impossible to drive the steamer the record of four or five years, whilst besagainst it and she was hove to. All the set with d fliculties and discouragements, Seamen aboard declared that they never as mission ry work of this class will albefore witnessed such a storm. They at ways be, at the same time furnishes tribute their salvation to the free use of acundance of encouragement to continue Reading notices in local columns, 10c, per line first swept the ship fr m bow to stere. The children had been sick in a room adjacent to which was a clothes closet where the old gentleman's clothes had hung, and he had

no occasion to use them until the present visit to his daughter's." It turned out that the closet had not been disinfected. Multitudes of cases that

In Memoriam. [Lines in memory of William McDonald,

who died October 14th, 1894. Thou art gone, our dearest brother, To that bright and happy shore; Though your mother's heart is breaking, She can see thee here no mer.

Never more on earth she'll see thee With that kind and loving smile, Ever helping thy dear parents, Working willing all the while.

Scarce five days had seen thee suffering, When that ange', dark as night, S'ealthily and without warning Came and bore thee from our sight.

Dying with the typhas fever, In the hospital alone, Without a loving mother's kindness, Far from friends and far from home.

Four long days of auxious waiting, Four long nights of caseless pain, Ere we saw our loving brother Borne unto his home again.

Yes, the father's breaking heart, Throbbing close in anguish pressed Vainly would its warmth impart To his loving son at rest.

Hash, dear sisters, cause they weeping, Willie, he is now at rest; Free from earthly storms and tempests, Safe upon his Saviour's breast. He leaves four loving brothers

Here to mourn his loss;

But dear brothers, you remember, Each of us must bear our cross. How we miss him night and morning, Miss that step we'll hear no more; But we trust in heaven to meet him,

When we reach that heavenly shere. Carden, Nov. 17th, 1894

Martyrs to Rheumatism Can Be Thoroughly Cured.

Paine's Celery Compound The Infallible Remedy.

The great modern triumph of medical science is Paine's Celery Compound, 1ts marvellous curing powers are talked of in every quarter of the civilized world, and the ablest physicians are astonished with its life-giving and health-restoring results. As a positive cure for rheumatism and sciatica, Paine's Celery Compound has no equal known to man. In Canada alone this wonderful medicine has cured more rheumatic men and women than have been cured by all other combined agencies. The most obstinate and most desperate cases have been met with perfect success. Hundreds of testimonials from the very best people of Canada support every claim made for Paine's Celery Compound.

Are you suffering from rheumatism or sciatica, dear reader ! Have you met with reverses and fallures in the past through the use of deceptive and useless preparations! There are many we know who have been driven deepar into suff rings and agonies owing to experiments with pills and mixtures and compounds that are If you are now using any such medicines stop them at once, if you value your life. Ask your druggist or dealer for Paine's

Celery Compound, that will surely and certainly banish your troubles, The following letter from Mr. G. J. Mc Donald, merchant tailor, of Cornwall Ont., demonstrates the supericrity of

nature's medicine :-"After having given your Paine's Calery Compound a thorough testing, I am pleased to say a few words in its favor. For three years I suffered terribly from rheumatism. It seemed to me that I was forced to en dure all the agonies and pains that a mortal could possibly experience from the dreadful disease.

While suffering I tried many of the advertised medicines and also doctor's prescriptions; but never found a cure until I procured a supply of Paine's Celery Compound from McHaffle & Elvidge, druggists, of this town. Paine's Celery Compound

respect I am a new man. "I shall always consider it a pleasure with rheumatism."
