HUMMING!

OUR GREAT DISCOUNT SALE

KEEPS HUMMING ALONG.

For the past six weeks Bargains have been going out from this establishment which have not been equalled, nor cannot be equalled, by any house in the trade. This week we intend to surpass, if possible, our previous efforts. We have still piles upon piles of new, desirable, reasonable Dry Goods and Clothing, just what the people want at this time—right now—and we are bound to see them move out before the New Year. We base our expectations upon the proper theory, "The price will do it." So if you want Goods honestly cheap, patronize this Great Sale while it lasts—the time is not long now. If you wish to reap the benefit you must act quickly, just as we did when setting the great wheels in motion. That's the only way to get the vantage ground. Don't think we are losing money by the venture; we provided ourselves thoroughly beforehand, buying up some of the richest Bargains—the greatest snaps—which the manufacturers, owing to the stringency of the times, were continually laying before those who were able to handle the Goods in quantities and pay spot cash. They found us in just the right position and we took advantage of the opportunity, and we have found the outlet. We can surprise you in prices, and remember that in addition we give you the benefit of a FIVE PER CENT. DISCOUNT OFF FOR CASH on every purchase, be it great or small.

TOWN AND COUNTRY.

DEPARTS HERE AND THERE.

New I.O.F. Court.

The I.O.F. is organizing a large Court in Victoria's Hall, with the following prominent citizens as officers: J. W. Stedman, C. R. A. Anderson, C. R. Principal Morris, J. P. Myers, F. S. Thos, Maxwell, Treasurer; Geo. Piel, P.C.R.; R. V. N. Harris, P.C.R.; Dr. Blanchard, P.C.R. The membership of the new Court is estimated at the leading residents of the city.

Open Meeting.

The R. T. of T. held their open meeting Tuesday evening last, in the rooms of the Y.M.C.A. The attendance was fair, and the meeting was well attended. Short addresses were also delivered by the Rev. Mr. Totten, pastor of the Methodist church, and Mr. W. C. Adams, select councillor. All in all, a very successful meeting.

Salvation Army News.

The good work still goes on—souls are being saved and sinners are being reclaimed. The Salvation Army is having their "self-help" week during the week of December 1st to 7th, and are now being put in a practical way, as we conclude the contents of the "War Cry" and other pamphlets, and appeals which are being distributed. The proceeds of previous self-help weeks in Canada have been continuing to increase, and there are many reasons for believing that this year's effort will be the former. Many officers and soldiers have determined to live actually in the streets, and are actually engaged to raise a good share of the total cost from house to house and solicit contributions. In other places the bands have been engaged to serenade, and by this means something towards the target.

SOME ADVANTAGES OF OUR SYNDICATE BUYING.

This week we offer at \$3.00 a heavy all-wool White Blanket, regular price, \$4.50. These are part of a large purchase made by our syndicate from a manufacturer. Nothing like this value in the trade. —J.S. DUNDAS & FLEVELLE BROS.

Tickets, 35c, 25c, and 15c.—38-1/2.—The concert and debate held in the Academy of Music on the 16th inst. was held under the auspices of the Collegiate Institute, not the Y.M.C.A., as mentioned in our last week's issue.—The choir of Cambridge-st church and a number of friends were entertained by Mrs. and Miss Eaton Monday night at their residence. A most enjoyable evening was spent.—A heavy snow-storm set in Wednesday afternoon, and mother earth quickly donned her winter mantle. Sleigh-riding is now the popular pastime of our citizens who are lucky enough to possess the necessary outfit.—No company anywhere in the world can point to a more solid administration of its affairs than the Canada Life. It is a company of which Canada may well feel proud.—Hon. San. McInnes, speech in Canadian senate.—Messrs. S. G. and Joseph Parkin have leased the skating rink for the season, which is a guarantee that it will be run in a thoroughly satisfactory manner. Something novel and attractive in the way of lighting is promised.—A hockey club was organized Tuesday evening at a meeting held at the Simpson house. The following officers were appointed: Hon. Mrs. S. G. Parkin; president, Lester McDougall; secretary, R. F. Gamon; treasurer, Howard MacGachen.—The committee of the Children's Aid Society will meet for organization next Saturday evening at 8 o'clock, in the council chamber. A full meeting is desired. All persons interested in the objects of the society are cordially invited to be present, especially the ladies.—Mr. Frank Bell, of Fenelon Falls, employed by Messrs. Howry & Sons, as a superintendent of the removal of one of the firm's alligator tugs up north his hand got caught between the machinery of the engine, crushing the thumb and several of the fingers.—A meeting of the board of health was held in the clerk's office on Monday evening. The proceedings were conducted very harmoniously. Medical Health Officer McAulpine and Sanitary Inspector Douglas presented yearly reports. The business transacted was not of sufficient interest to warrant an extended report.—Barris Examiner.—Mr. E. J. O'Sullivan is creating a large memorial and resolution of sympathy upon the death of Engineer R. N. Johnston, killed near Port Hope in the freight train, which was a few weeks ago. There-otion was passed by Lodge No. 174, Port Hope B. of L. E., of which Engineer Johnston was a member.—It is a curious fact that certain Lindsay tanner pays considerably more for hides bought in Huntsville and vicinity than he does in Lindsay, and pays freight in addition. Less than one-third of the difference paid in Huntsville, if offered to the farmers here, would secure him every hide stripped, and the money would be left within trading distance of the town.—Farmers are warned against a new swindle designed to entrap the unwary. A stranger comes along and offers to sell you a bill on a fence, and finally offers \$1 for the exclusive use of the fence for a large amount.—The new mill built by Mr. McNabb, of this town, at Inglewood station, on Victoria railway started cutting last week. The mill is 30 x 70 ft., on a stone foundation, with stone engine, and 22 x 30 ft. The power is supplied by an 80 n.p. roller and 60 h.p. engine. The company have purchased six square miles of land, and Mr. M. M. Boyd, situated in Glamorgan township.—The Peterboro Review denies that Mr. Geo. Matthews is about to erect his packing house in that town; on the contrary, improvements to the value of about \$10,000 are to be made in the spring. It also states that last week no less than 500 live hogs were killed and dressed there, in addition to 100 dressed hogs cut up, making in all 600,000 lbs. of pork bought and paid for in cash. The amount paid out for the week's purchases footed up to about \$34,000.—Peterboro Examiner: A business man on a trip to Peterboro a day or two since remarked that he never ran across a town where the citizens were so much addicted to taking short cuts across corners as were the residents of Peterborough. He thought it was a good sign of the proof that Peterboroughians were hustling.—The visiting business man was not very observant if he jumps at conclusions in that fashion he will die poor. It is a historical fact that when a Peterboro man cuts "cross corners" he is heading for a saloon.—We hear from various parts of the country that the customary frolics of Halloween night have assumed rather serious aspects. The implements of some farmers disappear and have not yet been found, some because they were reported and hidden in a safe, and others because parties, taking advantage of the confusion, actually stole barrows, plows and wheelbarrows. Those who took part for sport only may be surprised to find that the crime farmers makes no distinction, and that now everyone who deprives the owner of his property, even for a time, is in the eye of the law guilty of larceny, and in case of prosecution would be visited by the penalties provided for the thief. We advise all young men who took part in these sports to be that what they carried away and hid is immediately restored and save themselves from the consequences of being found out.

Fresh Fish.

Monday Night at the Academy.

Keep the date in mind and reserve seats at Carter's for the treat of the season—the first visit to Lindsay of Madame Salka, the Black Patti, and Signor Volosko, the famous Hawaiian Islands baritone. Tickets, 35c, 25c, and 15c.—38-1/2.

Y. M. C. A. Notes.

An interesting meeting for all boys under 16 is held every Thursday night at 7:30.—Men's meeting on Sunday at 4:15. Short address by Mr. Geo. Wilder. Every man welcome.—A drill class for the members of the junior department is held on Wednesday afternoon at 5 o'clock.—A bible class for young men is held on Monday night at 8 o'clock, and to which all young men are welcome.—The literary and debating society meets on Thursday night at 8 o'clock, and any member of the association is welcome to join.

Church Notes.

—Preparatory services will be conducted in St. Andrew's church to-night, (Friday), at 8 o'clock and on Sunday next the sacrament of Holy Communion will be dispensed at the morning service.—The Rev. Robt. Johnston preached at the morning and evening services in St. Andrew's church on Saturday last. The morning lesson was very interesting and instructive, as taken from Joshua 1:10. God having spoken to Joshua, Joshua turns to the people; as a leader he knew what he was to do and he went forward to do the work. God sends His many blessings through one man to many people. At the close an ordination service took place, at which three new elders were ordained to the church, namely, Mr. Robt. Ross, Mr. James Low and Mr. Duncan McDougall. At the evening service the attendance was fairly large and the services were well attended and were impressive, as taken from St. Matthew, 21:4 chap. and 23rd verse. The pastor spoke on three reasons why men should join the church of God: we owe it as a duty to God, to ourselves and to our fellow-men. He also mentioned reasons for the other hand why men so often refuse to become members of the church.

Society Notes.

—Beverton Lodge No. 240, I.O.O.F. celebrated the dedication of the new hall on Wednesday evening by inviting a number of friends to enjoy a most attractive program. Grand Master Hayle, of Canington, presided.—The degree team of Lindsay lodge I. O. O. F., and a large number of the brethren, paid a fraternal visit to Nipissing lodge, No. 95, Uxbridge, on Wednesday afternoon of last week, making the trip by train. Representatives from Peterboro and Millbrook lodges joined the party here, and their numbers were further augmented at Manilla and Elzwater. On arrival at Uxbridge they were met at the station by the members of Nipissing lodge, headed by the brethren and the society, and were escorted through the principal streets to the lodge room. Several initiations and the conferring of new degrees gave the members of the Lindsay team an opportunity to display their attractive and finished drill, and business did not conclude till late hours, when all adjourned to the hotel, where a most inviting repast awaited them, and a pleasant hour was spent at the festive board. They received Lindsay about daylight next morning, highly pleased with their outing, and they unanimously proclaim Uxbridge O.I.F. allows a set of jolly good fellows.

Single Tax Questions.

We are requested to state that arrangements have been made for a free lecture on the all-absorbing question of taxes—in the Academy of Music, on Monday evening, December 17th, by Mr. Lewis F. Post of New York. Mr. Post has a very high reputation across the line as an eloquent and attractive speaker, and his views on the difficult question of taxes are of great interest. Mr. Post has long been a leading advocate of single tax, and no doubt the public generally will gladly avail themselves of the opportunity to hear the system explained by such a clear and glowing speaker as Mr. Post is known to be. Admission will be by ticket (free). Particulars in a later issue.
