

A MOVE THAT MAKES

Doubling the Capacity of our Store a Necessity!

A FORGED CASH SALE TO REDUCE STOCK

The men are at work on the extension of our premises. We take in the store---late Express Office--giving us a double frontage on Kent-st. Look at sketch of plan adjoining. We will double our capacity--and we need the room. Presently the plaster will fall, bricks will tumble, floors will be torn up
and we've to sell Dry Goods amidst such surroundings. This discomfort makes your opportunity.

SPECIAL REDUCTION CASH SALE IN ALL LINES!

You know what keeping Stock in order means. It is better for us to sacrifice it and save the handling. Every line is new and seasonable goods bought for the Fall Trade. We must have a reduction in the stock and we make the prices to effect a clearance. If you want to benefit by our offer come along; prices are made an inducement for you to help us. You pay yourself in what you gain in values.
