the heavy tramps. The population are bothered with them very much by being associated as to how their pantry hangs out. They are often asked by inquisitive people when they give them a piece where they come from? Of course they say Montreal.

ONE WHO KNOWS. [NOTE.—Our correspondent will observe that we have omitted one of his items. Time and again we have announced that we do not want any gossip about the courtship of the lady and the lassies of the community—we want the news, and nothing else—news that will be interesting to every reader of The Post, not merely to a half dozen in a particular section.—Ed. Post.]

Special correspondence of The Post. NEW BUSINESS LISTINGS IN THE WEST. EXH.—Having visited Mr. W. G. Smith's store on the corner of Cameron and Ann streets, we intend opening up on Saturday, Nov. 16th, with a full stock of new and fresh groceries, confectionery, flour and feed, etc.

TOWN JOTTINGS.

HOODS PILLS are the best after-dinner pills, assist digestion, cure head-ache, etc.

Memorial Cards. Some handsome lines of memorial cards now in stock at reasonable prices for one and two dozen lots. Call and examine or write for samples to this office.

Interesting Paragraphs. A lawyer in New South Wales who procured the pardon of a murderer is being prosecuted for conspiracy to defraud the ends of justice, the man having confessed his guilt to him. This action of the part of the government of our sister colony will, it is to be hoped, have a salutary effect in other countries.

From the Toronto Globe, Sept. 5th. Odorama is the name of the latest thing for the teeth, introduced into Canada by the Aroma Chemical Co. It seems to be setting with the appreciation of the elite of Toronto at any rate, owing, no doubt, to its having been endorsed by well-known professional experts as much as to recommendation from one to another.

Rev. Father Giam Heard From. "Nothing heretofore used by me relieves a cough or breaks up a cold so quickly as the medicine, Pnemalut. It acts almost magically in hoarseness and sore throat, making it a boon to singers and speakers. Pnemalut should be in every house." Rev. P. J. Giam, parish priest, Petrolia and Wyoming, March, 1895.

Death Seemed Preferable to the Agony of Pain. Mr. Roadhouse, of Willisroft P. O. Ont., writes: "I have used Dr. Agnew's cure for the heart since last fall, having taken in all nine bottles, and I now feel entirely like a new woman. I am 54 years old, and have been troubled with heart disease for over twenty years; sometimes for five hours at a time suffering such agony that death seemed preferable to the pain. The cold sweat would stand out in beads upon my face. The Heart Cure gave me relief from almost the first dose and has proved a great blessing."

Football. A game of football between the junior separate school team and a rival organization came to an abrupt conclusion last Friday, one of the players having thrown the rules by mud-throwing. Boys who cannot curb their tempers and play the game in a gentlemanly way should not be allowed on the teams.
