HOW ABOUT THANKSGIVING?

This is the week for special Thanksgiving for the many favours of the past year.

GOUGH has reason to be very grateful, as well as you, for his share of the many good things which have come his way during 1897.

Among the best of these favours has been the bountiful share of the patronage of the good people of Lindsay and County of Victoria, for which we now publicly tender our warmest thanks.

Rivet Your Eyes on This: We pride ourselves on the success of our policy, which has always been to "SELL CLOTHING FOR LESS THAN PREVAILING PRICES ELSEWHERE."

"Always Reducing the Cost to the Consumer," is what we labor for with might and main.

DURING THANKSGIVING WEEK we are inclined to sell REGARDLESS OF PROFITS, and won't hesitate to lose money for one week, just to show our gratitude in a practical way for your past favours.

With Thanksgiving week the demand for warm clothing begins to be very brisk. Our Bill of Fare consists of:

- Gough's Thanksgiving Overcoats, Gough's Thanksgiving Ulsters, Gough's Thanksgiving Suits, Gough's Thanksgiving Hats, Gough's Thanksgiving Neckwear, Gough's Thanksgiving Furnishings.

We will make it worth your while to shop here and to keep on shopping. A fortunate purchase in Montreal by our Syndicate has made a fresh stir in our store; so that we can afford to offer Thanksgiving Bargains to delight the economical soul.
