Lindsay, Manilla and Oakwood being fairly well represented. The program, which consisted of vocal and instrumental music, recitations, etc., was nicely rendered. Oysters were served in elegant style in the basement of the church, and were thoroughly enjoyed. The board of directors extend their thanks to those who participated in the program and otherwise helped to make the concert a success.

We are, however, pleased to see him on the road to recovery, and hope that he may soon be as strong as ever.

Ex-Councillor Swain returned from Manitoba on Friday evening last. Mr. Swain has large landed interests near Carberry, in that province. He reports the crops as simply immense and prices remunerative. The fall has been an exceptionally open one and harvesting and threshing operations were finished for the season. Mr. Swain thinks very highly of Manitoba, and will return there again next spring.

The news of the cowardly murder of Mr. John E. Varcoe, late of this place, at Toronto, caused the greatest excitement here. Mr. Varcoe was a son of Mr. Wm. Varcoe, who resides in this village. He was a man in the prime of life, and, humanly speaking, well calculated to more than live the allotted time of man. Born and raised in this locality, known by all, a stalwart, upright specimen of Canadian manhood, beloved by everyone, his sad end cast a gloom over this community that will not soon pass away. The remains were brought to Cresswell on Friday night. The Rev. Wm. Patterson, of Crooke's church, Toronto, of whose church Mr. Varcoe was a member, accompanied the remains. Mr. Patterson was with the deceased from the shooting until the time of his death, and did much to soften the last hours of the dying man. The funeral, which took place on Saturday, was a very large and representative one, the most influential citizens from all parts of the township turning out in hundreds. The body was taken to Salem church where a most touching and impressive funeral sermon was preached by Rev. Mr. Patterson. Interment took place in the cemetery adjoining the church. The bearers were Messrs. T. Reazin, Finlay Sinclair, Levi Sparks, James Thorburn, Eugene Bateson and Hezekiah Woolward, all schoolmates of the deceased. Two little daughters comprised the family of the dead man, Mrs. Varcoe having died about two years ago. They will be taken in charge by the grand-parents, and are, we understand, left well provided for. The sympathy of everyone is extended to the sorrowing friends in this, the hour of their bereavement.

The lot of the average clergyman is generally considered to be a fairly easy one, and in many cases "a snap." There are, however, exceptions. It would be hard to find a busier man than the Rev. Mr. Phelps, of this village. A large circuit with five stations, and containing over two hundred families, gives ample scope for hard work. The rev. gentleman is a worker from the shoes up, and it is safe to say that no part of his arduous duties are in any way neglected. His views on the temperance question are very pronounced. Mr. Phelps' work along the line of moral suasion, as well as repressive legislation, are showing very satisfactory results, and it would be hard to find a more temperate or law-abiding community than that of this locality. These satisfactory results have been largely brought about by the efforts of the church of which Mr. Phelps is pastor. He is highly thought of by his congregation and the public generally, and the only regret is that the time is rapidly approaching when, according to the law of the Methodist church, the rev. gentleman will be transferred to some other field of labor.

The story is told of a town in Arizona that was so healthy that they had to shoot a man to start a cemetery. This is not quite the case in this locality, but, generally speaking, the health of the people is far above the average. Very few cases of infectious or contagious disease occur. Dr. Chambers, in whose able care the health of the village and surrounding country is, reports that with the exception of the ordinary complaints, which are always in evidence at this season of the year, the health of the community is first-class in every particular.

Mr. J. B. Weldon, the popular and energetic township clerk, is canvassing Mariposa in the interests of the Farmers' Mutual Insurance Co. Mr. Weldon is at his office in the township hall, Oakwood, on Monday, Wednesday and Friday of each week, for the transaction of municipal business. The other days of the week he will call upon the farmers in the interests of the above-named company. There is no fear of misrepresentation in any way by Mr. Weldon, and he will honestly advise all those he calls upon as to their best interests.

Messrs. Hogg Bros. report a smart delivery of grain at their elevator at Mariposa station. Whilst the prices for wheat are not as good as they might be they might be worse, and it is generally safe to sell new grain as soon as threshing is over and ready for market. The highest prices are paid from day to day, and fair treatment all around is the rule.

It will pay you to buy your Axes, Axe Handles, Churns, Washing Machines, etc., At Cinnamon & Everson's Hardware Store, Lindsay.—wl.

We are to be favored with two good entertainments here next month, one on Thursday, 21st Dec. for the Sunday school, and one on Friday, 29th Dec., under the auspices of the Public Library, for which the ever popular Jimmie Fax has been engaged.

The Creamery commenced on buttter last Monday, with about double the quantity of milk delivered a year ago. Butter is now running at about 20c.

A boys' quarrel and fight, the result of an old grudge between the lads of the village and Taylor's Corners, was the means of bringing Col. Deacon, county police Magistrate to Oakwood to settle matters. Three of the offenders were fined $14.85, $6.85, and $6.85 respectively. The Col. is determined to put down ruffianism of this class, and the lecture that he gave to the boys on profanity should be a warning to them. The principal offender, a man of mature age, who encouraged the lads to do as they did, will do well not to come before his Worship again, as he is not likely to get off with a simple fine next time. Mr. Thos. Stewart, of Lindsay, appeared for the complainants and deserves much credit for the part he took in the proceedings.

Mr. L. Patterson is building a large addition to his residence.

Mr. S. Watters is greatly improving the premises occupied by Mr. Jos. Bowes, by erecting a substantial fence on the premises at the corner of King and Elgin-sts., owned by Mrs. Armitage.

B. J. Gough—The Clothier.

WINDING UP 1899 WITH

A SLASHING CUT IN PRICES

—AT—

B. J. GOUGH'S

Lindsay's Leading Clothier.

Our Mammoth Stock of Winter Clothing has been all checked off, and we find, when too late, that we are overloaded.

We had secured an inside track and purchased all our Winter Clothing at the old prices when wool was travelling upwards to nearly a 33 1-3 per cent advance—thus saving to our customers the difference that other dealers were compelled to pay. But the snap was too tempting and we bought too heavily.

There is no help for it now but to make a slashing cut in prices.

Gough's Plucky Remedy for an Overloaded Stock is to Pluck the Prices.

SLAUGHTER IN OVERCOATS.

Right at the beginning of the cold season, when the demand for Overcoats might induce us to adhere to stiff prices, we break away from them altogether and pluck the profits when profits could be so easily made.

At $3.90 instead of $6.50

Men's Single and Double Breasted Blue and Black Beaver Overcoats.

At $7.00 instead of $10.00

Men's Smart Box and Covert Overcoats in popular shades.

At $3.45 instead of $5.00

Men's Freize Ulsters, storm collars, strap at back, deep pockets and well lined.

SCALPING THE SUITS.

Necessity has no law. Desperate slashing all along the Suit piles for Men, Young Men, Boys and Children. Mothers, bring your boys here for their Winter Outfits, at one quarter to one-half less than regular.

At $3.95 instead of $5.50

Men's extra strong Tweed Suits, in sacque and single and double breasted styles, plain, checked and striped patterns.

At $5.50 instead of $8.75

Men's Heavy Blue and Black Serge Suits in fine and heavy twill.

At $7.50 instead of $10.00

Men's Imported Scotch and English Tweed and Worsted Suits, well tailored and trimmed.

These are only a few of the revolutionizing prices which will blow trade our way.

ONCE THIS CENTURY, and only once, will such opportunities come to you, and it will be during GOUGH'S Price Leading Event of the End of 1899.

We have remembered the boys and have made the prices right for them too. Christmas is just round the corner—hosts o chances for early buyers.

B. J. GOUGH.

Mrs. Wilson and daughter are recovering from an attack of typhoid fever, under the skillful treatment of Dr. Chambers.

On Sunday last the Rev. Dr. Cade, of Millbrook, occupied the pulpit at the Methodist church, and preached to large congregations morning and evening.

The service at the Presbyterian church was conducted on last Sabbath afternoon by the Rev. Mr. Mullen from Toronto. The singing by the choir was excellent. A solo sung by Mr. Joseph Coad, the leader, was rendered with beautiful effect. The congregations have increased very much of late.
