Indigestion

18 not only a distressing complaint, of I itself, but, by causing the blood to become depraved and the system enfeebled, is the parent of innumerable maladies. That Ayer's Sarsaparilla is the best cure for Indigestion, even when complicated with Liver Complaint, is proved by the following testimony from Mrs. Joseph Lake, of Brockway Centre, Mich .: -

"Liver complaint and indigestion made my life a burden and came near anding my existence. For more than four years I suffered untold agony, was reduced almost to a skeleton, and hardly had strength to drag myself about. All kinds of food distressed me, and only the most delicate could be digested at all. Within the time mentioned several physicians treated me without giving relief. Nothing that I took seemed to do any permanent good until I commenced the use of Ayer's Sarsaparilla, which has produced wonderful results. Soon after commencing to take the Sarsaparilla I could see an improvement in my condition. My appetite began to return and with it came the ability to digest all the food taken, my strength improved each day, and after a few months of faithful attention to your directions, I found myself a well woman, able to attend to all household duties. The medicine has given me a new lease of life."
