To effect this le: the management take advantage of the first cold snap to flood the rink and get the sport under way; let the first night be free to all skaters, and have the Citizens' band in attendance. The skating "fever" is strong early in the season, but passes off gradually unless judiciously fostered. The advisability of reducing the price of single season tickets shou dalso receive consideration.

-Wednesday morning shortly after 8 o'clock a strong smell of smoke was noticed in the Daly house, of which the genial Joe Daly is proprietor. Search was at once instituted, and the fire was speedily located in room No. 10, vacated by its occupant a couple of hours previously. It had started, evidently, in a small closet in the corner of the room, and the flames had followed the wall paper and finally got in between the walls through the caseing at the top of the -Miss Willie Greene of Fenelon Falls spent Saturday last in town with her friend, Miss cioses. Little Folks' Corner. To my dear little friends,-

It is nearly a year since I saw you all, so I thought I would write you a letter to tell you what I have been doing since. I am in France now, but I am coming to Lindsay at Christmas, perhaps about the 20th, so you must watch for me. You will all know when you see me by my long white whiskers and the bundle of toys on my back. I am very old, in fact I was very old before you were born. I have been all over the world getting your presents ready for you and appointing my agents. Hughan and co., the jewelry and fancy goods people, are my agents in Lindsay. I have sent them the love lest things for presents, and I will bring a lot more with me. I will be at their store when I come. SANTA CLAUS. -Affectionately yours,
