Ayer's Remedies

For Bronchitis

"I never realized the good of a medicine so much as I have in the last few months, during which time I have suffered intensely from pneumonia, followed by bronchitis. After trying various remedies without benefit, I began the use of Ayer's Cherry Pectoral, and the effect has been marvelous, a single dose relieving me of choking, and securing a good night's rest."—T. "Last Spring I was taken down with la grippe. At times I was completely prostrated, and so difficult was my breathing that my breath seemed as if confined in an iron cage. I procured a bottle of Ayer's Cherry Pectoral, and no sooner had I began taking it than relief followed. I could not believe that the effect would be so rapid."—W. H. Williams, Cook City, S. Dak.

R YOU. Lung Trouble

"For more than twenty-five years, I was a sufferer from lung trouble, attended with coughing so severe at times as to cause hemorrhage, the poroxysms frequently last-ing three or four hours. I was induced to try Aver's Cherry Pectoral, and after taking four bottles, was thoroughly cured. I can confidently recommend this medicine."-Franz loimann, Clay Centre, Kans.

The Bell Telephone company has almost completed its season's work in the way of Jet flatet ed arrangements for the even-Resentertainment, but will be able to re-

HALIBURTON. FUR SALE. - The annual fur sale too lee on the 16th inst. There were three Yers present and a considerable number trappers. About thirty packs were mught in, some of the trappers coming innesiderable distance. Two, for instance, the from the Mattawa, about a hundred dies, having to make forty odd portages after good black mink, over sixty pelts. The buyers were kept busy during the buyers were kept busy during the furs, and paid out sexumining the furs, an purchaser. The manner of purchasing | Mills with the general system.

it was a full average sale, accompanied with the strictest sobriety, and scattered a little money, which was a most desirable event.—[Independent.

FENELON FALLS.

Accident.—On Tuesday last Mr. Andrew Torrance's second son, Harry, cut the back of his left hand, at the base of the fore finger, very badly with a small axe that he was using. The wound was so severe that Dr. Wilson, to whom he was taken, had to put in five or six stitches, and it it possible that the usefulness of the finger may be somewhat impaired. The mishap was caused by the lad's younger brother speaking to him and attracting his attention just as he was striking with the axe.—

It was a full average sale, accompanied towns, in communication with subscribers in Toronto and points further west. The new pole routes will all be of the most substantial construction, and the wires of copper and doubled in all cases, so that the annoying effects of induction from electric railway and electric light currents will be offer to its subscribers who have metallic circuits to their exchanges perfectly silent lines for their communications.

As the Bell Telephone company of Buffalo, with its numerous connecting lines, will meet the Canadian company at the Falls, there will be nothing to prevent conversations between Toronto and New York any more than between Windsor and Kingston, except the expense, for of course such finger, very badly with a small axe that he was using. The wound was so severe that Dr. Wilson, to whom he was taken, had to put in five or six stitches, and it it possible that the usefulness of the finger may be somewhat impaired. The mishap was caused by the lad's younger brother speaking to him and attracting his attention just as he was striking with the even just as he was striking with the axe .-

SLIDE FINISHED.—Mr. Thompson has completed the improvements to the slide here. Two new slides have been put in and the channel narrowed; new piers have also been constructed. The cost of the improvements will be about \$1,200. The work has been well done and reflects credit on Mr. Thompson and men on Mr. Thompson and men.

JANETVILLE

Sickness.—Mrs. James Marshall lies very low with bronchitis at present, and but slight hopes are entertained of her recovery.....Mr. Chas. Armstrong is improving after a severe shaking up, the result of becoming entangled in the wheel of a sulky to which a fractious horse was at the convention door at 9 o'clock a. m. attached.....Cora Johnston, daughter of Mr. Robert Johnston, is improving. The Trinity church is one of the handsomest in little sufferer was thought to be beyond recovery at one time.

TORONTO. SUICIDE. - On Wednesday morning about 5 o'clock Charles Stewart, a farmer living on lot 15 in 3rd con. of York, east of Yonge-street, and two miles and a half from the Golden Lion, took half a bottle of horse medicine containing laudanum the important gathering. Suspended from P. S.—Repairs for Stoves a Specialty. and died two hours after. Deceased was despondent, and though his friends kept watch on him he got up out of bed and drank the medicine. When they found out what he had taken they walked him about and sent for a doctor, but he grad-ually went into a stupor and died. Mr. Stewart was 37 years of age, married and

John, to whom was entrusted the care of Glover, survive him. He was an unmarred man. O'Connor's father is still living at the age of 81.... O'Coanor died leaving an estate valued at \$40,000, including \$15-000 insurance, the O'Connor house \$15,000, and the residue in real estate and cash.

MARIPOSA.

COUNCIL PROCEEDINGS .- Council met this 21st day of November, 1892. Members all present. Minutes of last meeting read and approved. Moved by Mr. Webster, seconded by Mr. McCrimmon, that the reeve give his order on the treasurer in favor of John Sailes for \$31.20, salary and expenses as sanitary inspector for 1892.—

in comfortable circumstances.

The Dead Oarsman. — William James
O'Connor, the champion caraman of America, who died in Toronto Wednesday of last week, was born in the house in which he died, May 4, 1863, and was consequently 29 years old. His mother died shortly after his birth. The eldest brother of the family.

John, to whom was entrusted the care of the painting of the partition of St. Paul, Minn., and pictured upon this were the well known features of our gracious English leader. Stripes of yellow and white were woven through the chancel rails most effectively, the same thought carried out in red, white and blue, being in the balcony railing circling the auditorium. the balcony railing oircling the auditorium.
Upon the platform just sufficient decoraing as he had just completed the pur-hase of the property. The loss will be fall on to \$600, and there is an insurance of the O'Connor House. A sister died mademonetrated that it must be a big be to get beyond the centrol of the engine then the water is properly played.—]Inde-the O'Connor House, A sister died the O'Connor House. A sister died some years ago. The late oarsman's brother is properly played.—]Inde-there, Michael, Thomas, Henry and Patrick, and his sisters, Mrs. Riddell and Mrs. The English and American flags appeared frequently in juxtaposition. The right balcony loge and side wall over-looking the platform told the story of woman suffrage with Wyoming's large stone star flag, the colors of white and gold and the motto "No Six in Citizenship." On the left were the special decorations of the National W. C. T. U., its beautiful starry banner with the motto "The Child of the Crusade," and a suspended snow white dove carrying the white riobon in its beak.
The large flags dependent from the balcony, have each a history; those upon either side of the auditorium came from St. Patrick's Total Abstinence society and are very valuable. The beautiful dark blue ensign and the American flag at the centre of the gallery were sent by the governor
