Paine's Celery Compound Cures Mr. C. F. Kevill, of Dunsford, Ont.

Most Important Testimony From the Cured Man-Kidney Disease Was Dragging Him to the Grave-Intense Suffering Borne for 15 Years-All the Ordinary Medicines had Failed to Meet the Case-A Trial was Made of Paine's Celery Compound - Two Bottles of the Life-giving Medicine Banished Every Trace of Disease.

The world has never had a grander or nobler benefactor than Prof. Edward E. Phelps, M. D., LL D. He was the discoverer of Paine's Celery Compound, that marvellous caring medicine that has dragged so many victims of kidney disease, from the brink of the grave. Thousands of cured men and women have already contributed their grateful

testimony to the extraordinary curing powers of the great medicine in cases of kidney and liver troubles, Bright's disease, palpitation of the heart, dyspepsia and indigestion, nervousness, loss of sleep, depression of spirits, sick headache, loss of vital forces, rhoumatism, sciatica and neuralgia; and new testimony is coming in every day from all sections of Canada. Paine's Celery Compound is doing a work among the sick and diseased that no other medicine has ever done; it cures the worst cases and raises up those who have been pronounced incurable. The following testimony from Mr. C F. Kevill, of Dunsford, Ont, is strong, convincing, cheering and

"I wish to testify in favor of the wonderful curative powers of Paine's Colery Compound for two reasons; first in justice to the proprietors; and secondly, for the benefit of suffering humanity.

"For the past fifteen years I have been troubled with diseased kidneys. I am engaged in the manufacture of cheese, and am obliged to work more or less in a stooping posture. At times I found it almost impossible to work owing to severe pains across my kidneys. Often, after working in a stooping position for a while, I would find it very difficult to straighten up at once, and could only do so after repeated efforts.

"Of late years, while laboring under these severe attacks, I became very neryous, and continually had tired, worn-out feelings. My rest at night seemed to do me no good, and I always felt tired out in

the morning. "I had been taking various medicines and was getting worse all the time. At last I decided to give Paine's Celery Compound a trial. I procured a bottle, and took it according to directions, and found its effects wonderful. Before I had used the first bottle I began to improve; after I had used the second bottle I felt as well as ever I did in my life. It had banished all aches and pains, my nervousness was all gone, and the tired and worn-out feelings were banished. I can go to bed now and sleep well, and rise in the morning rested and refreshed. "I have recommended Paine's Celery Compound to my friends who were suffer-

ing from the same troubles as I had, and all have been greatly benefitted. Knowing what it has done, I can cheerfully recommend it to any person suffering from kidney disease."

Or. B. J. Kendall Co.

Gentlemen—I bought a splendid bay horse some time ago with a Spavin. I got him for \$30. I used Kendall's Spavin Cure. The Spavin is gone now and I have been offered \$150 for the same horse. I only had him nine weeks, so I got \$120 for using \$2 worth of Kendall's Spavin Cure.

Yours truly,

W. S. Marsden.
