[Correspondence of THE POST.]
TOWNSHIP COUNCIL — The township council met on Monday last and balanced up their accounts for 1895. The session was very smicable, and this in a measure was due to the fact that collector, Chas. Corneil, had returned his roll all satisfied to the township treasurer on the 14th inst. This makes the seventh year that Mr. will close the afternoon's program. We Cornell has collected the taxes, and it is extend a pressing invitation to parents and all others interested in education to safe to say that he returns the cleanest roll, and does this unpleasant work with the least bluster, of any collector in On-

MUNICIPAL MATTERS are quiet, Thus far there are no aspiring candidates in the PASSED AWAY.—Mr. Humphrey Jones, one of the pioneers of Emily township, was buried at Shields' burying ground on Wednesday. The deceased was 82 years of

Wednesday. The deceased was 82 years of be present. The afternoon program will commence at 1 p.m.; evening concert, doors open at 7 p.m.; program to start at very interesting resume of missionary 7.30 p.m. work in the north, in Christ's church last Tuesday evening. The lecture was largely

Attended.

PERSONAL.—Rev. Lawrence, of Minden, is visiting friends in town.

Concert.—"Sim Fax" is the leading star at a concert in the opera house on Christings our triumphs and regret our failures and court our gains and losses, and to enjoy our triumphs and regret our failures and errors. The one who reaps the fruit of a printing.

victory is not always the victor, and the CANNINGTON.

[Special correspondence of Tos Post Obstruary.—It has been said that death loves a shining mark—this never was better examplified than in the recent death of Danean Cirmishael, of Peniel, who died at his late residence in Mariposa on the tin linet, at the early see of 58. The details of the linet, at the early see of 58. The details of peniels are opposed to the fact that a majority of the electors of North Ontario are opposed to the government on these are opposed to the sentence of line sentence of the sentence of line sentence of line sentence of lines of l victor does not always make the greatest the hopes of his complete restoration to pairons opposed the government, and his usual good health. But an everywing their united vote is a majority of the electorate, Conservatives slain that the con fravidence had decreed that his appointed time had come, that he had reached the servative and pairen vote may be taken together as a condemnation of the liberal policy, but that is not true, for an all questions upon which the patrons differ from the liberals they are also at variance with the conservatives; while on the model. bounds that he could not pass. About it o'clock a blood vessel burst, which caused his death almost immediately, although the best of medical skill was in attendwith the conservatives; while on the main ance, as well as everything done that willissues which separate the parties they are was well known in municipal and political circles, having lived here all his life. He was born a mile and a half from this place, was born a mile and a half from this place, was born a mile and a half from this place, lesson to be learned from the contest is lesson to be learned from the contest is lesson. was born a mile and a half from this place, in the township of Breek. While he was a child his parents moved to Mariposa a child his parents moved to Mariposa township, where he endured all the hardships of pioneer life. At the early age of strong. A very noticeable feature of the success. sixteen he made such progress at learning canvas was the grand efforts by the patron under difficulties that would discourage leader, Mr. Haycock. I have heard nearly any but the most persevering, that in a short time he was a duly qualified teacher in a public school, and taught successfully in the very front rank. Notwithstanding and with satisfaction to all at Brown's the predictions of tory speakers and can-school, north of Oakwood. After he at-vassers, and all their jibes about "grit tained manhood he filled many high and dodges," 'collusion." "working together," ton. spent Sunday at the Falls, the guests satisfaction and honor to himself. Among | there were but few defections from the them might be mentioned that he was commissioner for the expenditure of pubfavor. Now we hear from the same lic money and municipal assessor. He coreliable source that the conservatives and cupied a seat at the council board for some patrons are united in condemnation of the years, and was one of the resves of Mariposa for some time during his career. As sense of public duty that made his opinions and views respected even by those who shewing the gains and losses in the various in starting a legion of the order hora. were opposed to them. In politics he was sections of the riding, and also how the independent and was a zealous worker and one of the most thorough canvassers, figures it must be remembered that this working with a zeal that could not be exceeded by any, laboring with all his ability for the candidate of his choice. He was a hundred more voters. good platform speaker and wellded a powerful influence amongst the people where he worked. In the year 1886 he was married to his estimable wife, who survives him-Miss Janet McDougall, daughter of the late Alexander McDougall, of Oban, Scotland, and neice of the late Riv. D. McGregor, paster of the Mapilla circuit youngest son are teaching school, and tha two elder sons are working the homestead and proving themselves enterprising and up to-date farmers. [Correspondence of THE POST.] Social.—The social held by the Ladies'
Aid on Thursday evening last was not as successful as some of those held before.
Perhaps the election had something to do

OBITUARY.—It is our sad duty to chron-fice the death of the Rev. Robt. Boynton, who died on Saturday, the 7th inst., after a brief illness, of Bright's disease. The deceased was one of our most brilliant and promising young men, and his early death was a severe shock to the community. connection with the Methodist church here will be held on Sunday, Dec. 29th, ane on New Year's day. A grand time is anticipated.

Laconics.—The Journal correspondent knows as much about all the weddings which are to take place as he would if he lived or spent most of his time in some place where all the important affairs of the village are talked over daily. We wonder if the really all intend to get "tied up" on Christmas or shortly afterward..... There were a great many visitors from Pinedale and Epsom at Division on Saturday night.

Was a severe shock to the community. About seven years ago he resolved to enter the ministry. Attending the public school here for a few months, he successfully passed his entrance examination, standing the highest in the county. His career at the Lindsay Collegiate Institute, where he matriculated, was most brilliant. He was then accepted into the Methodist church and stationed for two years on the Oakwood circuit, under the Rev. Mr. Burns. The people of Little Britain secured his general conference he was left without a station to attend college, and during the COLDWATER.

[Correspondence of THE POST.]
